In 21 years Dateline introductions have been the start of many, many thousands of Love Stories…

Some of these 'Love Stories' you will have read in our advertisments, but a new book, 'All You Need is Love', published by Sphere, fully illustrates Dateline's role as a modern matchmaker through many more true stories of people who were looking for someone special to share their lives, and were happily, amusingly surprisingly matched by Dateline.

Many tens of thousands of people of all ages and occupations, from all over the country, join Dateline every year looking for someone to love. They want to meet someone with the same hopes, ambitions and interests as themselves, and are simply not meeting them socially or at work. Dateline opens up a whole new world of compatible people; people who could be living very close to you, but who, without Dateline, you might never meet.

'Are you being serious?'

Was Lorraine's answer to Gary when he went down on one knee to propose in the middle of a nightclub. It was only three weeks after their first meeting, but she did say 'yes!' Oddly enough Gary had been a member of Dateline almost a year when Lorraine's name appeared on his list, but his name had been given to her six months before, and she hadn't bothered to contact him as quite a number of young men were already phoning her. Very little time elapsed before they found they were compatible and happy together, and a year after that impulsive proposal, they were married.

You too can find love

COME AGAIN

the girl you've asked to see

It's dead lucky for us that so many of you demanded to see Tabitha again. For one thing, she's been voted girl of the year so far by 86 per cent of the Club staff. For another, it means we can tell you about all the essential stuff about her which we forgot to say back in Volume 17 Number 1.

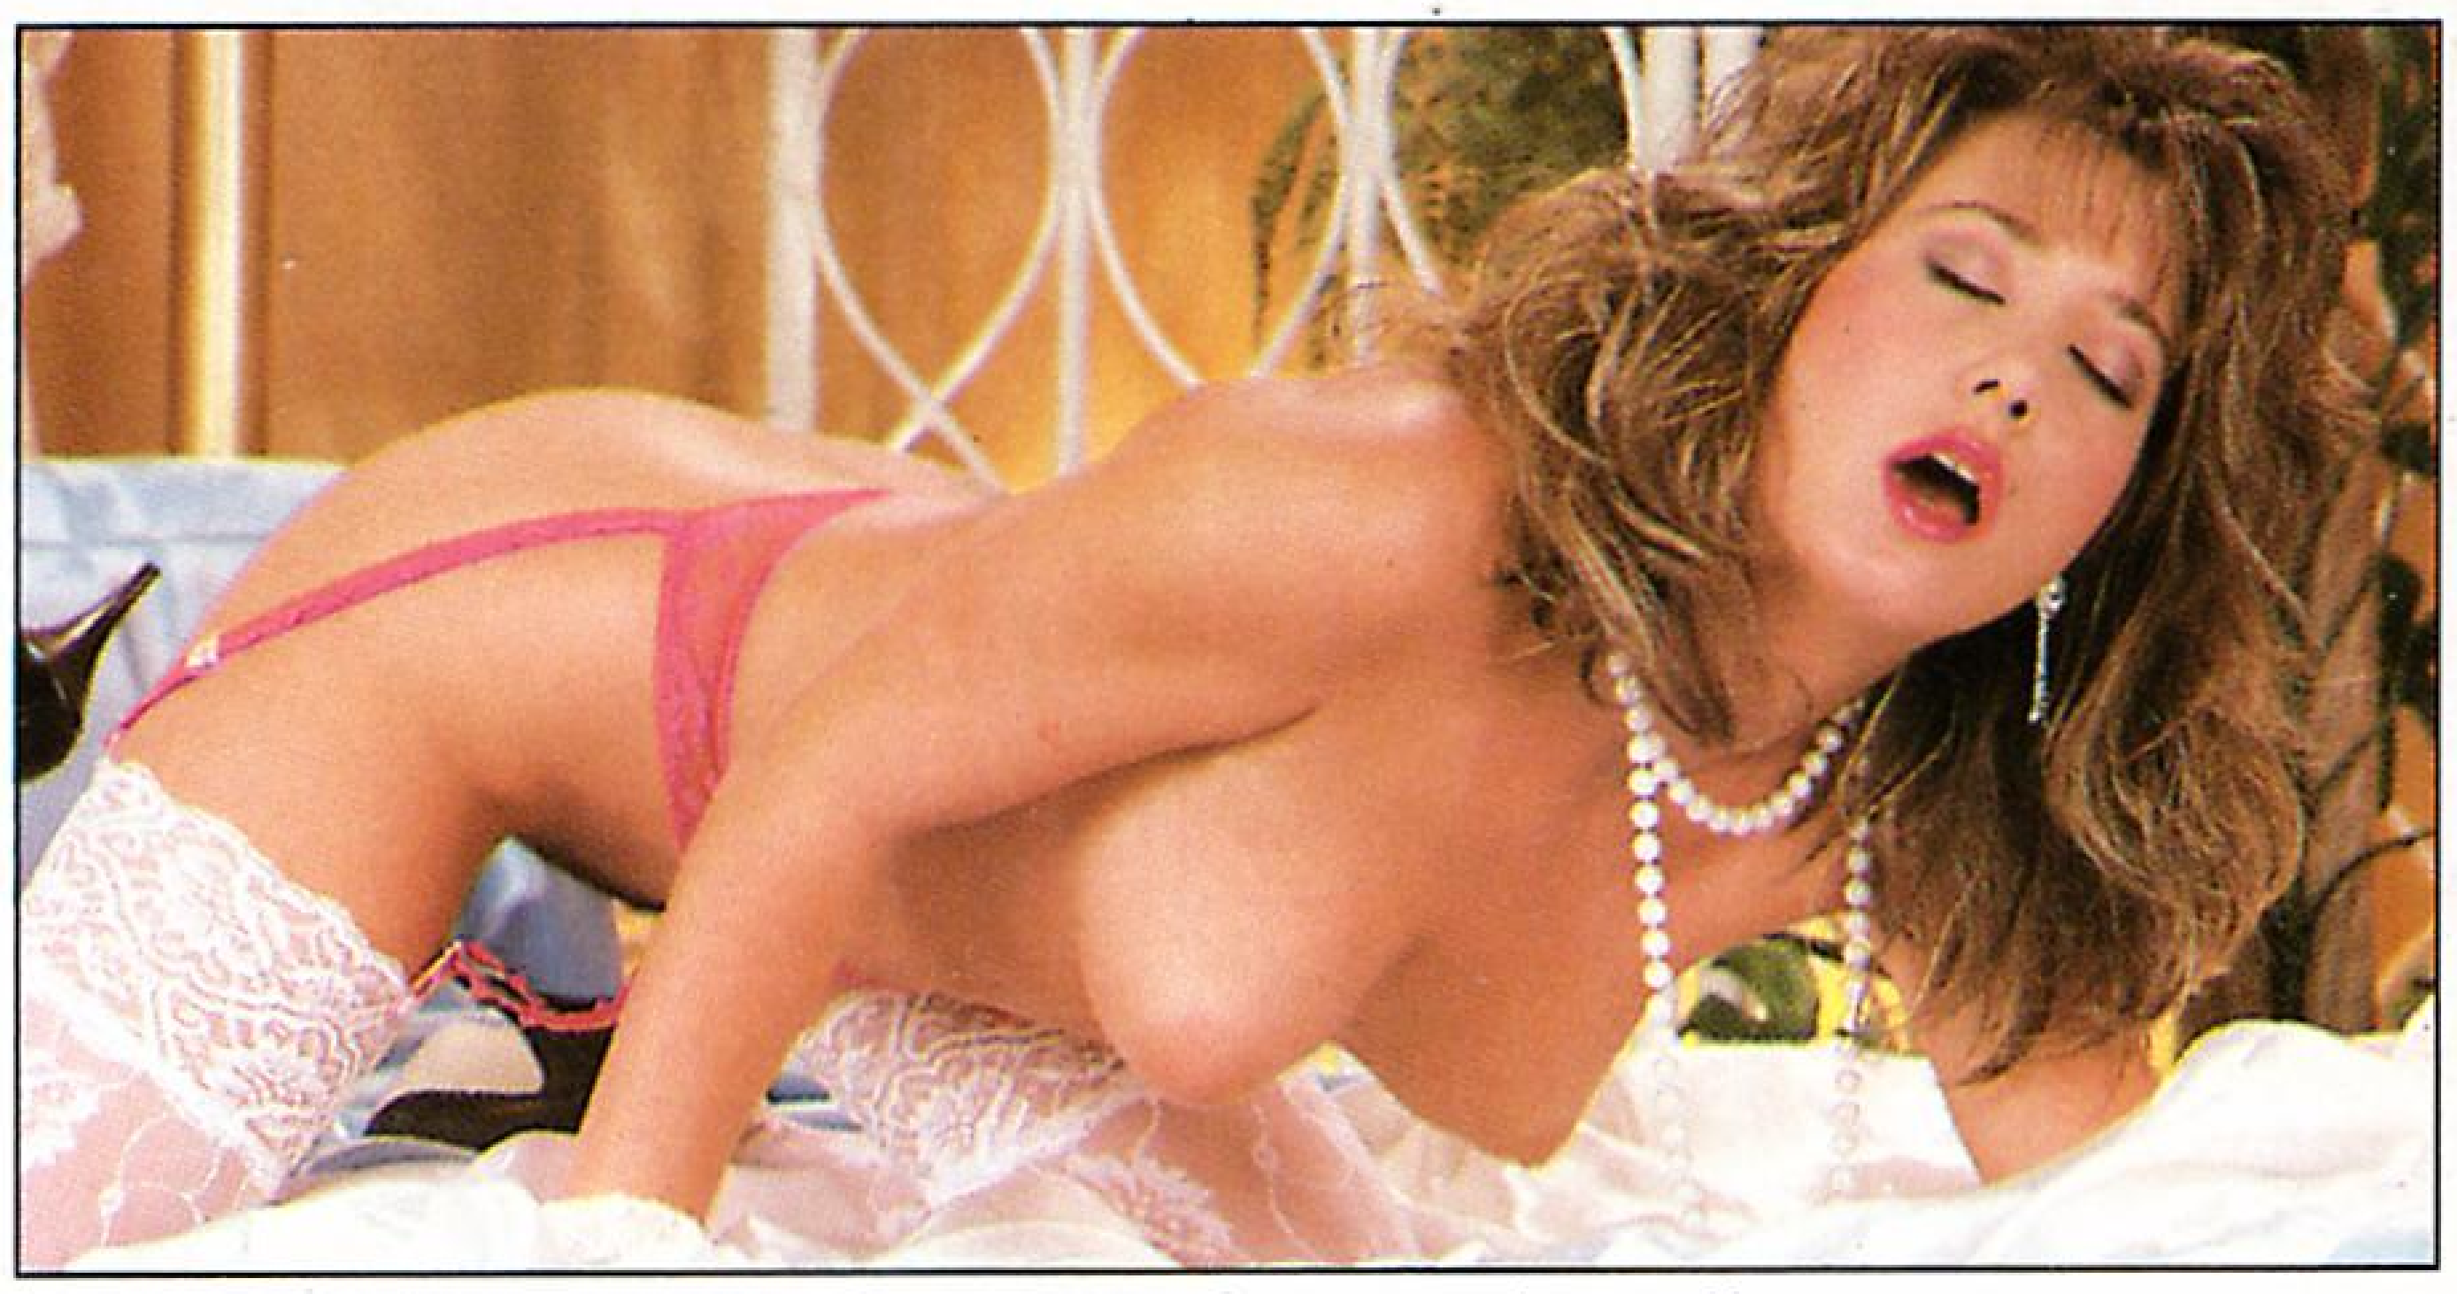
Tabitha Riley is 18 years old. She comes from Cheshire. She's at University studying Physics. She listens to jazz and Simple Minds, reads autobiographies and wears Janet Reger lingerie. And she likes talking dirty.

"Love it," she told us. "Though I was a bit surprised when you printed *everything* I said in the magazine. I think it's a great turn-on that all these guys read just what I like in bed while they were looking at my naked body – but I didn't really think you could get away with printing those things! Still, your readers weren't shy when they wrote in to me, so I suppose that makes it a fair trade. And they gave me a lot of food for thought!"

We're trying to arrange another full photoset with Tabitha, though right now the lady's studying hard for her exams. If you reckon she's worth another look or ten, drop a line to *Come Again*, Club International, 2 Archer Street, London W1V 7HE – and we'll beg her even harder.♣

IN·THE·BAG

We want to hear from you about what you like, what you did, where you did it, how good she was, or anything you reckon we might be interested in. Send your contributions to In The Bag, Club International, 2 Archer Street, London W1V 7HE.



Becky certainly gives her all

Beckoning Becky

I would like to nominate Becky, your Vol 17 No 1 centrefold, for the honour of becoming a *Come Again* girl. The reason why Becky gets my vote is simple: I've fallen in love with her. She's the sexiest, most beautiful-looking woman I've ever seen.

Judging by her photographs, Becky certainly has no worries about posing nude in front of a camera, unlike some of your models – who I can't help but think are holding themselves back. Becky is undoubtedly giving her all in every photograph.

Is it true all the fanmail is passed on to your models? I ask this, because I must admit I find the thought of Becky knowing how I feel about her turns me on to say the least.

If you are reading this, Becky, I would like to let you know that whenever I look at your photographs I have an irresistible urge to wank myself. My favourite photo of you is your centrespread pose. The sight of you on that bed with your legs apart, revealing your delicious-looking pussy, must be one of the most beautiful on earth. As I look at your lovely suckable breasts and your inviting cunt lips, I can't help wishing I could pump my hot come inside you.

While I'm pulling myself over your centrespread photograph, I love to fantasize I'm there on the bed with you. Lying on top of you, I begin thrusting my hard cock deeper and deeper into your warm, wet and welcoming hole. As I bang my tool harder and harder into you, you begin groaning with pleasure, saying things like: "I love you, Mark, you're making me so wet! Give it to me, darling," until eventually we both explode together.

I hope you're not embarrassed or offended at what I've written. If you're not, I would love to think my fantasy of screwing you turns you on, and maybe even makes your gorgeous-looking pussy a little wet.

Well, I'd better go now. But before I do, I would like to ask if you would please pose for Club again in the very near future? I for one would be very grateful indeed if you would. – *Mark, Newcastle*

Pretty In Pink

Club Events have always been my favourite part of your magazine. It's nice to see a variety of tits, cunts, etc, all in one set of pictures – it reminds me of the variety

of bodies of women that I've fucked over the years and sets me thinking about those I've yet to fuck.

I'm getting old now (35+). In my early 20s, everybody was screwing everybody else and I had 20-30 partners a year. Now I'm down to about ten new partners a year. All told, I must have fucked 200 or so women of all shapes, sizes, colours and ages between 19 and 40. But I have never seen a body so spectacular as that of the unnamed fabulous creature who starts off in the pink dress in the Christmas *Club Event*, and whose amazing body is fully exposed on page 84. That is the most fuckable woman I have ever seen.

Club's variation on blind man's buff!

My experienced, battle-honoured cock is straining at the leash to give that woman the best nights of her young life. Could you just let her know that at least one reader would like to spend the rest of 1988 in bed with her every night. I'd like her to suck my cock then get herself fucked in every position. I'd like to get my tongue deep down inside those pink pussy lips, lick her out, then fuck her all over again.

Please can you tell us her name, age, favourite position for sex, etc? I'd love to know. – *Ron, Edinburgh*

Greatest Girl

With reference to the photographs of Sabina in Vol 17 No 1 and Vol 16 No 11, I certainly think she is, for my money, the most beautiful girl to appear in Club during the five years I have been buying it.

Would it be possible to feature Sabina again and again?

I like your new format. It's a much improved magazine over the last few months. But please don't keep bringing back Linzi Drew. She's past her prime – photographically, anyway – and her presence in Vol 17 No 1 lowered the quality of the whole magazine.

Finally, please feature more Oriental girls, and please feature a lot more of Sabina! – *G. Woodcock, Essex*

Lisa's Guide to London

PART 5

My God, if Lisa had bared her arse like this outside the Tower of London 500 years ago, she'd very soon be baring her shoulders on the executioner's chopping block. And photographer Copthorne would be boiled in oil (probably having set his Nikon on the self-timer to record the event for posterity).

Anyway, with not a care in the world in these slightly more enlightened times (except a nagging worry that the Old Bill might come round the corner at any minute), lissom Lisa spills the beans:

"The Tower of London was built after the Norman conquest in the 11th century. It was used as a keep and prison – and it's still used as a fortress. It's famous for Traitor's Gate, the Crown Jewels, the Yeoman Warders and the Bloody Tower."

"Language, Lisa!" shrieked Oil-boiling Copthorne. "The readers want to know what goes on in the Tower."

"No they don't," retorts cheeky Lisa, quick as a flash, "they want to see what comes off outside it!"

Too true, duck. And Lisa will be giving you lots more of what you want to see on her next port of call in a month's time.♣

Prick Up Your Ears

Since losing my virginity five years ago, at the relatively late age of 19, I have fantasized about having sex with a bloke with a large cock. Unfortunately for me, my six lovers have been of average length (five to seven inches when ready for action). Where are all these men I read about in Club with cocks of nine inches or longer?

Recently at work, I overheard some of the chaps talking about one of their six-a-side football team players – a guy I vaguely knew called Alan. They were discussing his cock; apparently it is almost six inches long when limp. This aroused my interest; if it's long when soft, how long is it when fully erect? I decided I had to find out.

I made a rather obvious, and none too subtle, approach and eventually we went out together one evening. At the end of the evening I suggested we go to my flat and Alan readily agreed. When we got there I was feeling incredibly horny. I couldn't wait to discover how big he was. As soon as we entered the lounge I threw my arms around him and began kissing him – proper tongue-in-mouth kisses. Afer he'd recovered from the shock – I don't think a woman had ever thrown herself at him like I had – he began to respond. Following a few more kisses I put one of Alan's hands on my right breast and then suggested he'd get a better feel if I took off my clothes. I quickly removed my blouse, skirt, tights, knickers and bra and Alan began to lick and playfully bite my nipples, a surefire way of making them stand up. I placed my left hand on his lap and could feel his cock starting to expand.

By now I was dying to get a look at it; from the bulge in his trousers I guessed it was larger than I was used to. As I started to undo his shirt and then his belt he looked rather apprehensive. When I asked why, he replied that he hoped I wouldn't be frightened by the size of his cock. Apparently some women had been frightened off when they saw his tool in all its glory. I assured him I wasn't scared of it.

I removed his shirt and trousers and then stood behind him as I eased his underpants over his huge cock and let them drop to the floor. Alan turned to face me and I got my first glimpse of the answer to all my prayers – the most amazing cock I

have ever seen. His completely rigid pole (9½″ in length and 5½″ thick – I know because I carefully measured it a few days later) was curving outwards and upwards, past his belly button.

I then had a marvellous five minutes touching it, easing back the foreskin to reveal a glistening purple head and to lick away the first few drops of pre-come juice. I then licked every inch of it and felt the tip touch against the back of my throat, while gently squeezing at the base and making the veins stand out and the whole cock quiver.

By now it was throbbing quite vigorously, and from experience I knew that very soon Alan's cock would spurt its juice everywhere. So I got Alan to lie on his back on my bed whilst I sat astride him. I then placed the tip of his gorgeous cock in the entrance of my soaking wet love hole. Very slowly and deliberately I began to slide my cunt along his solid rod until I took its complete length in my fanny.

I can't begin to describe the feeling as Alan's cock brushed against my cunt walls, each stroke longer and more pleasurable than the previous one. My fanny muscles were contracting and expanding, gripping and releasing, then gripping again, in orgasmic spasms.

Alan's hands were by now kneading my buttocks and our hips were making uncontrollable twitching movements. I could literally feel the veins in his cock filling for a final time as his love juices began to rise from his balls along the length of his rigid pole, before spurting forth into my most intimate parts, filling my internal crevasses. By now I wanted Alan to keep spurting away inside me for ever, in an unending orgasm. Eventually he pumped himself dry and my cunt was full to overflowing with cock and spunk. When I eventually eased myself off Alan his flaccid member was still larger than some I had taken fully-loaded.

As we lay there, Alan's juices began to seep from my fanny, so I wiped myself with one of my fingers and licked off the mixture of mine and Alan's juices – a gorgeous, hot, sticky brew. I then began to lick a similar-tasting residue from Alan's tool, starting at the tip and finishing at the base. As I did this it began to increase in size and as it expanded I gobbled more greedily.

After some incredible love play where we each seemed to kiss every – and I mean every – inch of one another's body, I got down on all fours with my arse pointing in the air and my cunt completely exposed, ready for Alan to take me doggy-style. My pleasurable moans got louder and louder as Alan thrust in and out of my cunt. I knew all 9½″ were in me when I felt his pubic hairs push against my backside. He was soon pumping away, spunking deep inside me, almost as vigorously as the first time. After our climaxes subsided Alan pulled out and we both slept the most satisfied and contented sleep I have ever known.

The past month has been fantastic; my wildest fantasy has been more than fulfilled. My message to any readers

I thought it was about time I let you know that, to my mind, Club is now *the* best mag out! Great articles, brilliant pictures and it's tremendous being able to read all the letters, ie who's doing who, how, when and where.

However, the main reason for writing is to give you ten out of ten and express a great big thank you for those fantastic pictures of Clara (Vol 16 No 13). She is simply the most gorgeous girl I've ever seen – the shots had me wanking with ecstasy for days! Hen Night Treat

When Jackie was at school, her friends used to call her Snow White – but not because she was pure as the driven, if you get my drift. So where *does* this nickname come from?

But these days, Snow

my headlights waving for me to stop.

I am no hero, but I could see she was in distress and so naturally I stopped and climbed out. She was about 18 or so, dressed in a T-shirt and denim mini skirt with high heels (another reason why I stopped!!), and very attractive. Her friend, a girl of similar age in skin-tight jeans, was very drunk and the girl explained that they had missed their last bus home. Naturally, I gave them a lift and soon we were speeding on our way, with Jane drunk in the back and Kelly beside me in the car, flashing large expanses of leg. She was obviously braless beneath her T-shirt.

She explained that she had been out with friends on a hen-night, as she was getting married on Saturday, and she smiled when I told her that her intended was a lucky man. Then she began telling me her hen-night had been a disaster because they had not pulled any men, whereas she was sure her hubby-to-be would be "on the job" on his stag night. Then, to my amazement, she began to stroke my thigh as I drove, and then my groin as my cock swelled to her touch. "Unless you'd like to help my hen-night finish with a bang," she whispered.

I was stunned but no way was I going to miss out, and soon we were in her flat putting the drunken Jane to bed. Kelly undressed her friend down to her tiny white briefs and I had a good look at her large, bouncing breasts. Then Kelly and I went to her room and kissed; then she moved away and quickly stripped to her black panties. She had small pointed tits, slim waist and hips and, when the panties came down, a little ginger triangle to match her flame-red hair. I couldn't believe my luck and quickly stripped, joining her on the bed.

I sucked her nipples while she stroked my eight-incher into a storming erection, which she told me dwarfed her fiancé's. Then we moved into a 69, and as she sucked noisily on my cock, I tongued her slit and sucked on her clitty, which quickly had a stream of juices flooding from her pussy. "Do me from behind," she panted, kneeling on the bed, arse high and inviting. I mounted her quickly and drove into her ginger-bearded clam balls-deep. She had a lovely tight box and as I shafted her slowly, stirring about inside her, she moaned and groaned appreciatively. Slowly I built up my pace until I was pistoning in with

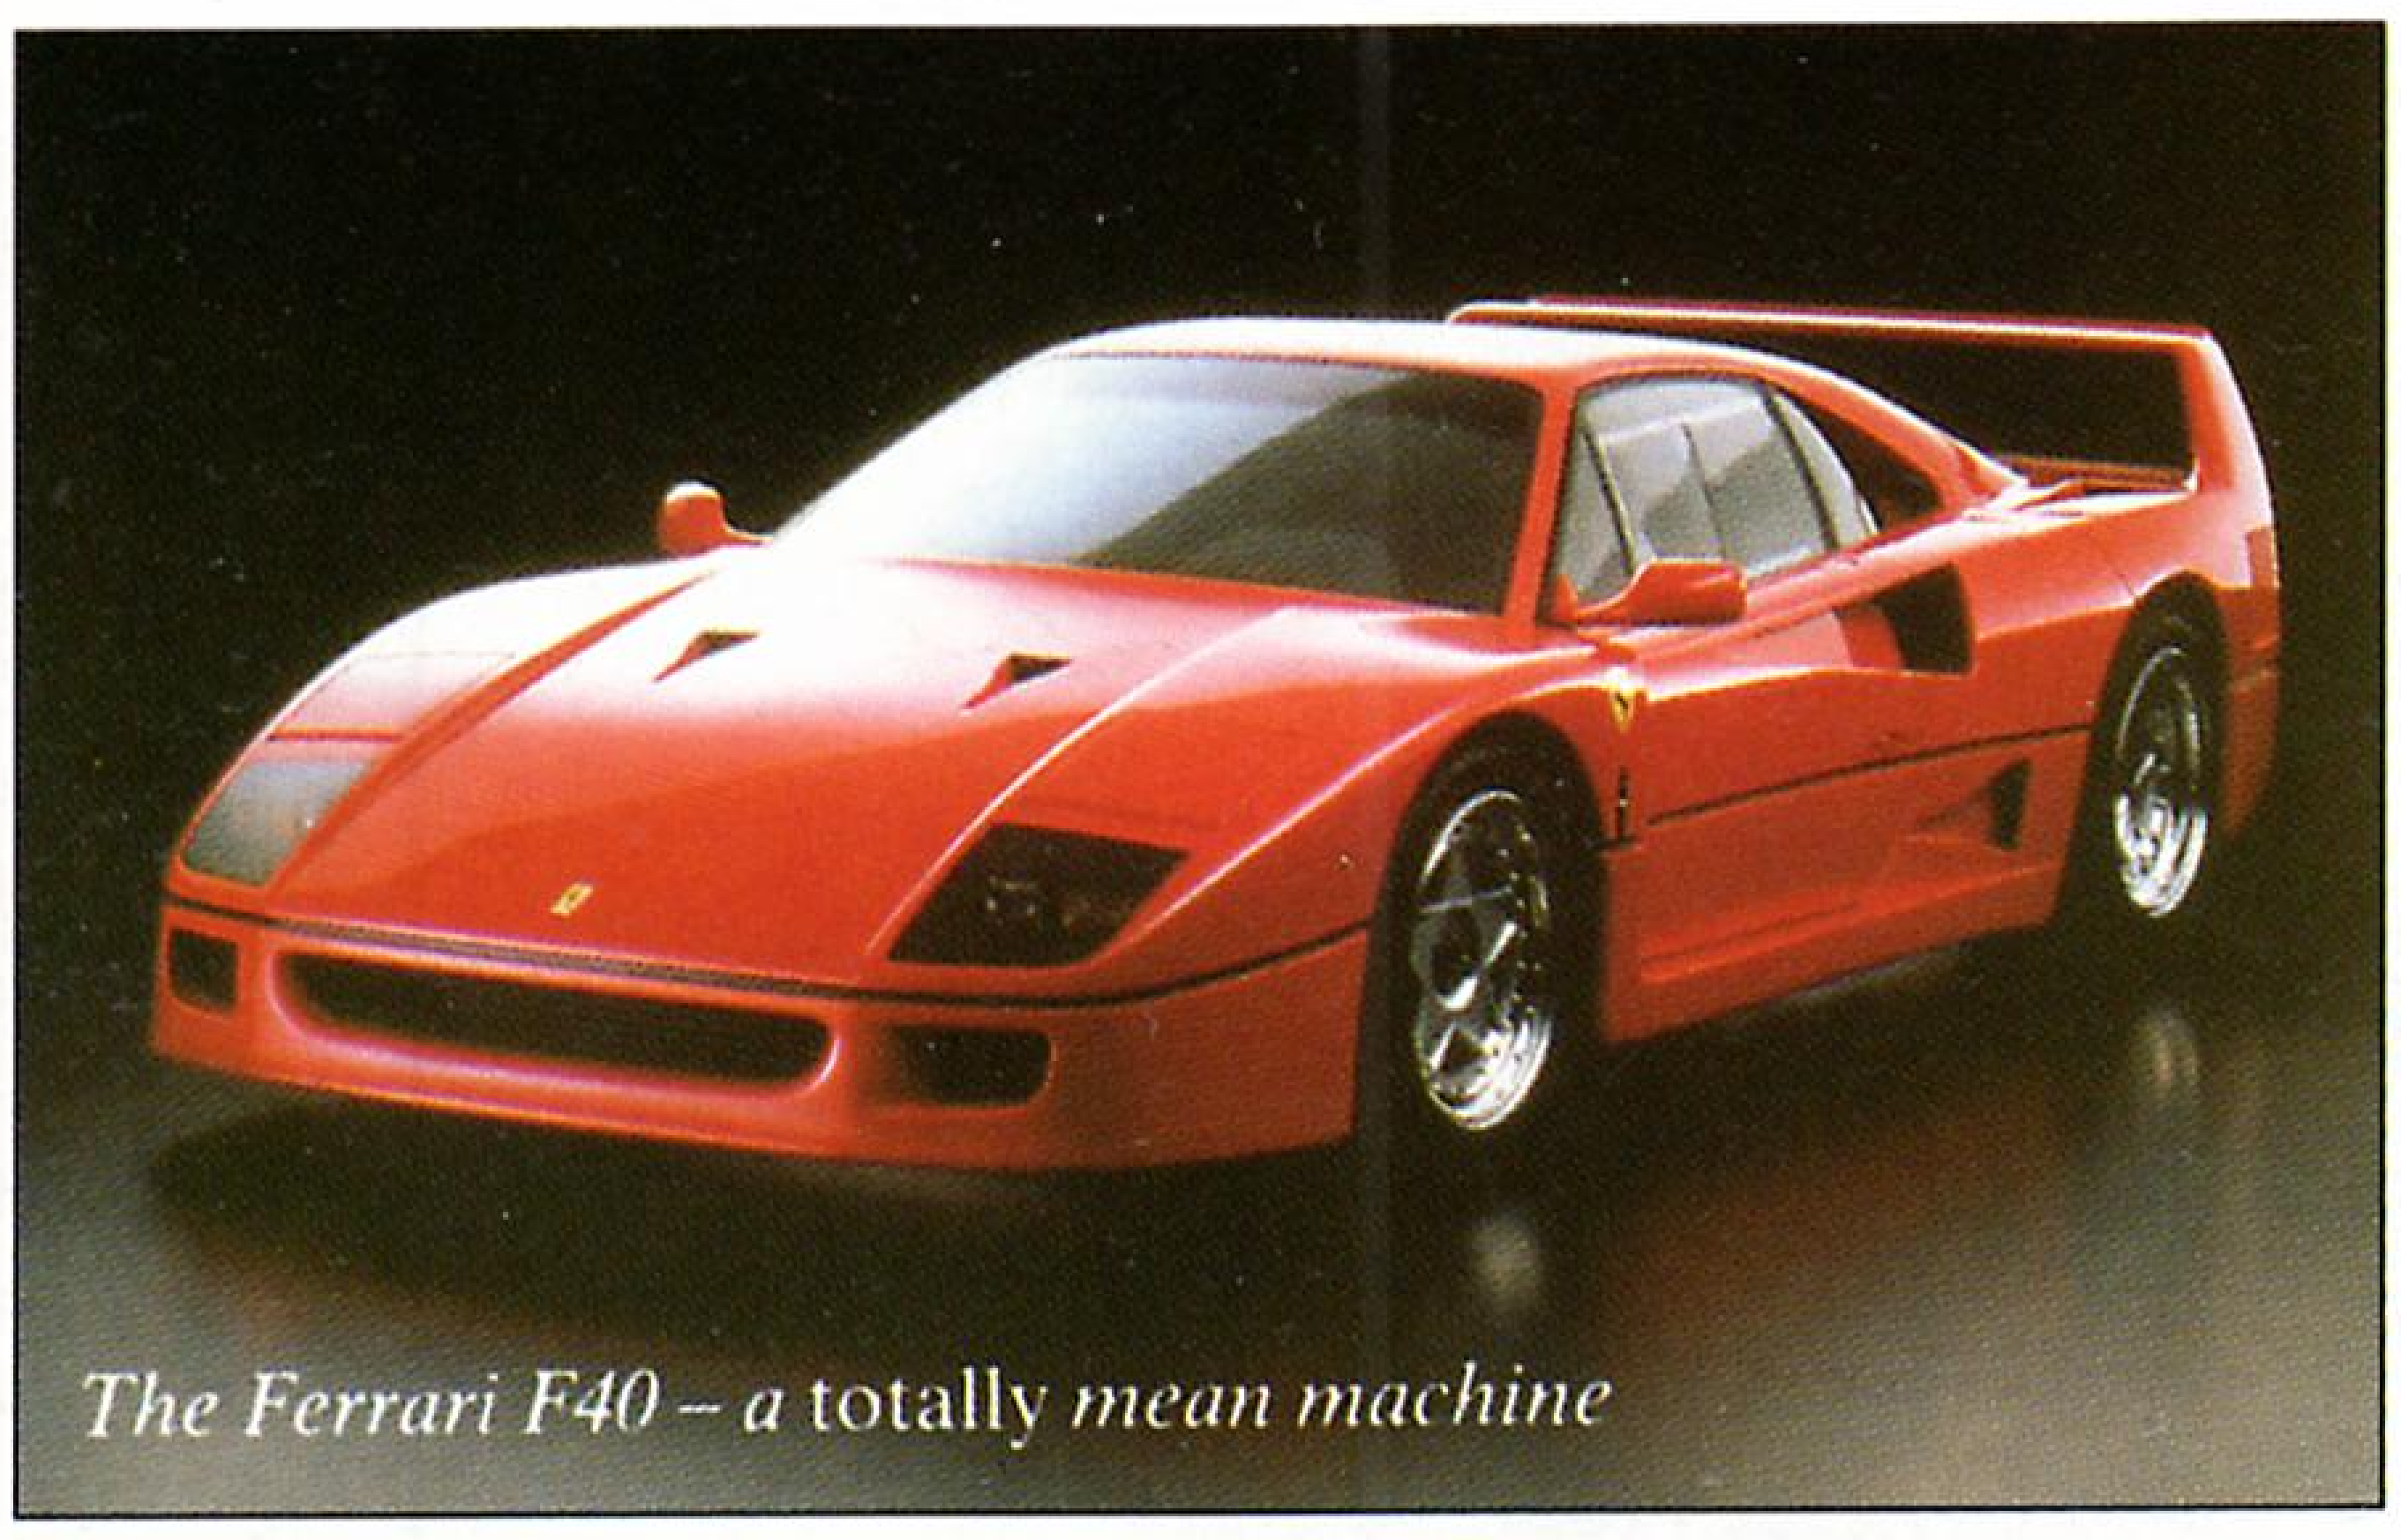
MOTORVATION

This month, ***John Masham*** *turns the spotlight on a reliable family runabout that most of us have probably owned at one time or another, maybe even as a second car to keep the Marina Coupé for sunny days. Yes, you've guessed it – we're talking about the Ferrari F40. What else?*

Other than a billion or so Fiats and the like, Italian cars are quite extraordinary. But then the Italians are themselves an extraordinary people.

Your average Ferrari, for example, would be a major triumph of design for anyone, but coming from a people who have designed buildings so incompetently that only a stiff breeze stops them falling over (see *Pisa, Leaning Tower of*) it's a bloody miracle.



The Ferrari F40 – a totally mean machine

It is the Italians, after all, who believe that if a job's worth doing, it's worth putting off until tomorrow. Or the day after. Their ancestors, Julius C and his cohorts, were a different matter altogether. They somehow found time, between invading the Frogs and then us, to invent straight roads. But for a time (a little matter of 2000 years) it looked as though the likelihood of the Italians working out what long, fast, straight roads were for was about the same as that of a Libyan extremist called Ahmed deciding to join the WI. And then, 40 years ago almost to the day, a bloke called Enzo wheeled out his first car.

Enzo Ferrari's first motor was a racing car, since racing was for him (and still is, even though he's over 90) a passion as intense as the desire among the world's turkeys for Bernard Matthews to turn vegetarian. So much so, in fact, that his first road cars were built and sold simply to offset the huge cost of his racing programme. Some sideline!

The end result (and you'll have to forgive the cliché) is that the Ferrari name – both man and machinery – has become a legend. In his time Enzo has been denounced by the Vatican, praised by Mussolini (dubious honour, that one) and worshipped by anyone with a big budget and an overwhelming desire to misbehave massively on the motorway. So uniquely magical are his cars that they even restored one American humorist's faith in the unshakeable might of Uncle Sam. He is PJ O'Rourke, and his argument went something like this: "Ferraris are the absolute business and restore my faith in the US of A because (a) the Commies haven't got anything this good and (b) if the feeblest member of NATO can build cars like this we, NATO's No.1, must be amazing."

And, of course, there are dozens of "theories" (largely put about by vegetarian, bearded, impotent, so-called social scientists, Renault 4 drivers to a man) which suggest that Ferraris are big, red and pointy in order that they should resemble dicks, thereby making the drivers feel manly. Wrong. I've never seen a willy with wheels. They're red because (a) red is Italy's racing colour and (b) because wickedly quick cars look best in red – ask any policeman. And they're big and pointy because a camel will walk through the eye of a needle before mankind will manage to squeeze five litres of screaming, fuel-injected, 12-cylindered, quad-cam, multi-(and I mean multi) valved, fire-breathing, all-alloy power and glory under the bonnet of a stumpy little effort like a Daf.

It's that simple. Most of this half-cooked disinformation is the product of straight-forward jealousy because, let's face it, even a secondhand Ferrari can cost about the same as a medium-sized housing estate in Midlothian. But that's not to say they're expensive: at a time when a "pre-owned" Bugatti has fetched more than £5 million, a Ferrari probably wouldn't go for much more than £2m. And if that doesn't convince you that a Ferrari is a bargain, and that now is the time to buy, I don't know what will. If you're still insisting that the prices are sky-high, try buying one in Lira: translate the F40's price tag into Italian funny money and it is literally stratospheric. IL400,000,000,000. Give or take the odd nought. Or three. I think.

For that, you could fund a small central African empire for about 18 months, but what can you put on the road for your 400 *billion* Lira? What exactly is an F40, beside's Enzo's 40th anniversary present to the world, or at least a very select, very minor minority of its inhabitants? It's the ultimate, that's what it is. With between 480 and 680bhp (depending on spec), it's got more power than Mrs Thatcher. Its performance is shattering – 0-200kph in 12 secs, and a standing kilometre in just 21. A race car for the road, ownership will guarantee that even if you're stuck in a traffic queue from here to Hampshire, everyone will still look at you. Which suits Ferrari owners just fine, of course.

Tough isn't the word, and if Enzo's present was designed to make a statement, it is this: "Hey, there, Mr Porsche, even if you've got a cement deck shoe on your right foot, you're not going to get within sniffing distance of this one!" Indubitably the world's fastest, the F40 has put Ferrari right back where they belong – on top, in front, and out of reach. Now where did I put that Fiat 126 brochure . . .?♣

We at Club know our readers like the good things in life: we are therefore proud to present our first eating out column, written by the distinguished culinary critic, ***Nathaniel Fatbastard.***

Last week I had a very pleasant evening in one of those charming little ethnic restaurants that are springing up all over the country. I had been in a long conference with my Editor, and after the eighth pint of Tennents Super, fancied a real arse-burner of a curry. So, pausing only to drop in at home to put the bog roll in the fridge, I made my way to the *Smelhi Delhi Tandoori Restaurant and Take-Away* at 13 Binliner Court, London E19.

This bijou treasure, tucked away off the Dock Crane Road, has charming red flock decor with a splash of colour provided by evidence of the unexpected reappearance of several main courses. Owner William Patel prides himself on the ambience of all his establishments, including the three all-

night greengrocers and two video and nylon anorak shops in Breezeblock Street.

We started by plumping for two pints of Stella Fart Wars (£2 each) and a plate of those big fucker crisps or *popadoms* as they're known in culinary circles.

"Oy Patel! You got any salt and vinegar flavour?" I quipped. I could see the waiter was having difficulty restraining his mirth even though I fucked up the timing by belching during the punchline.

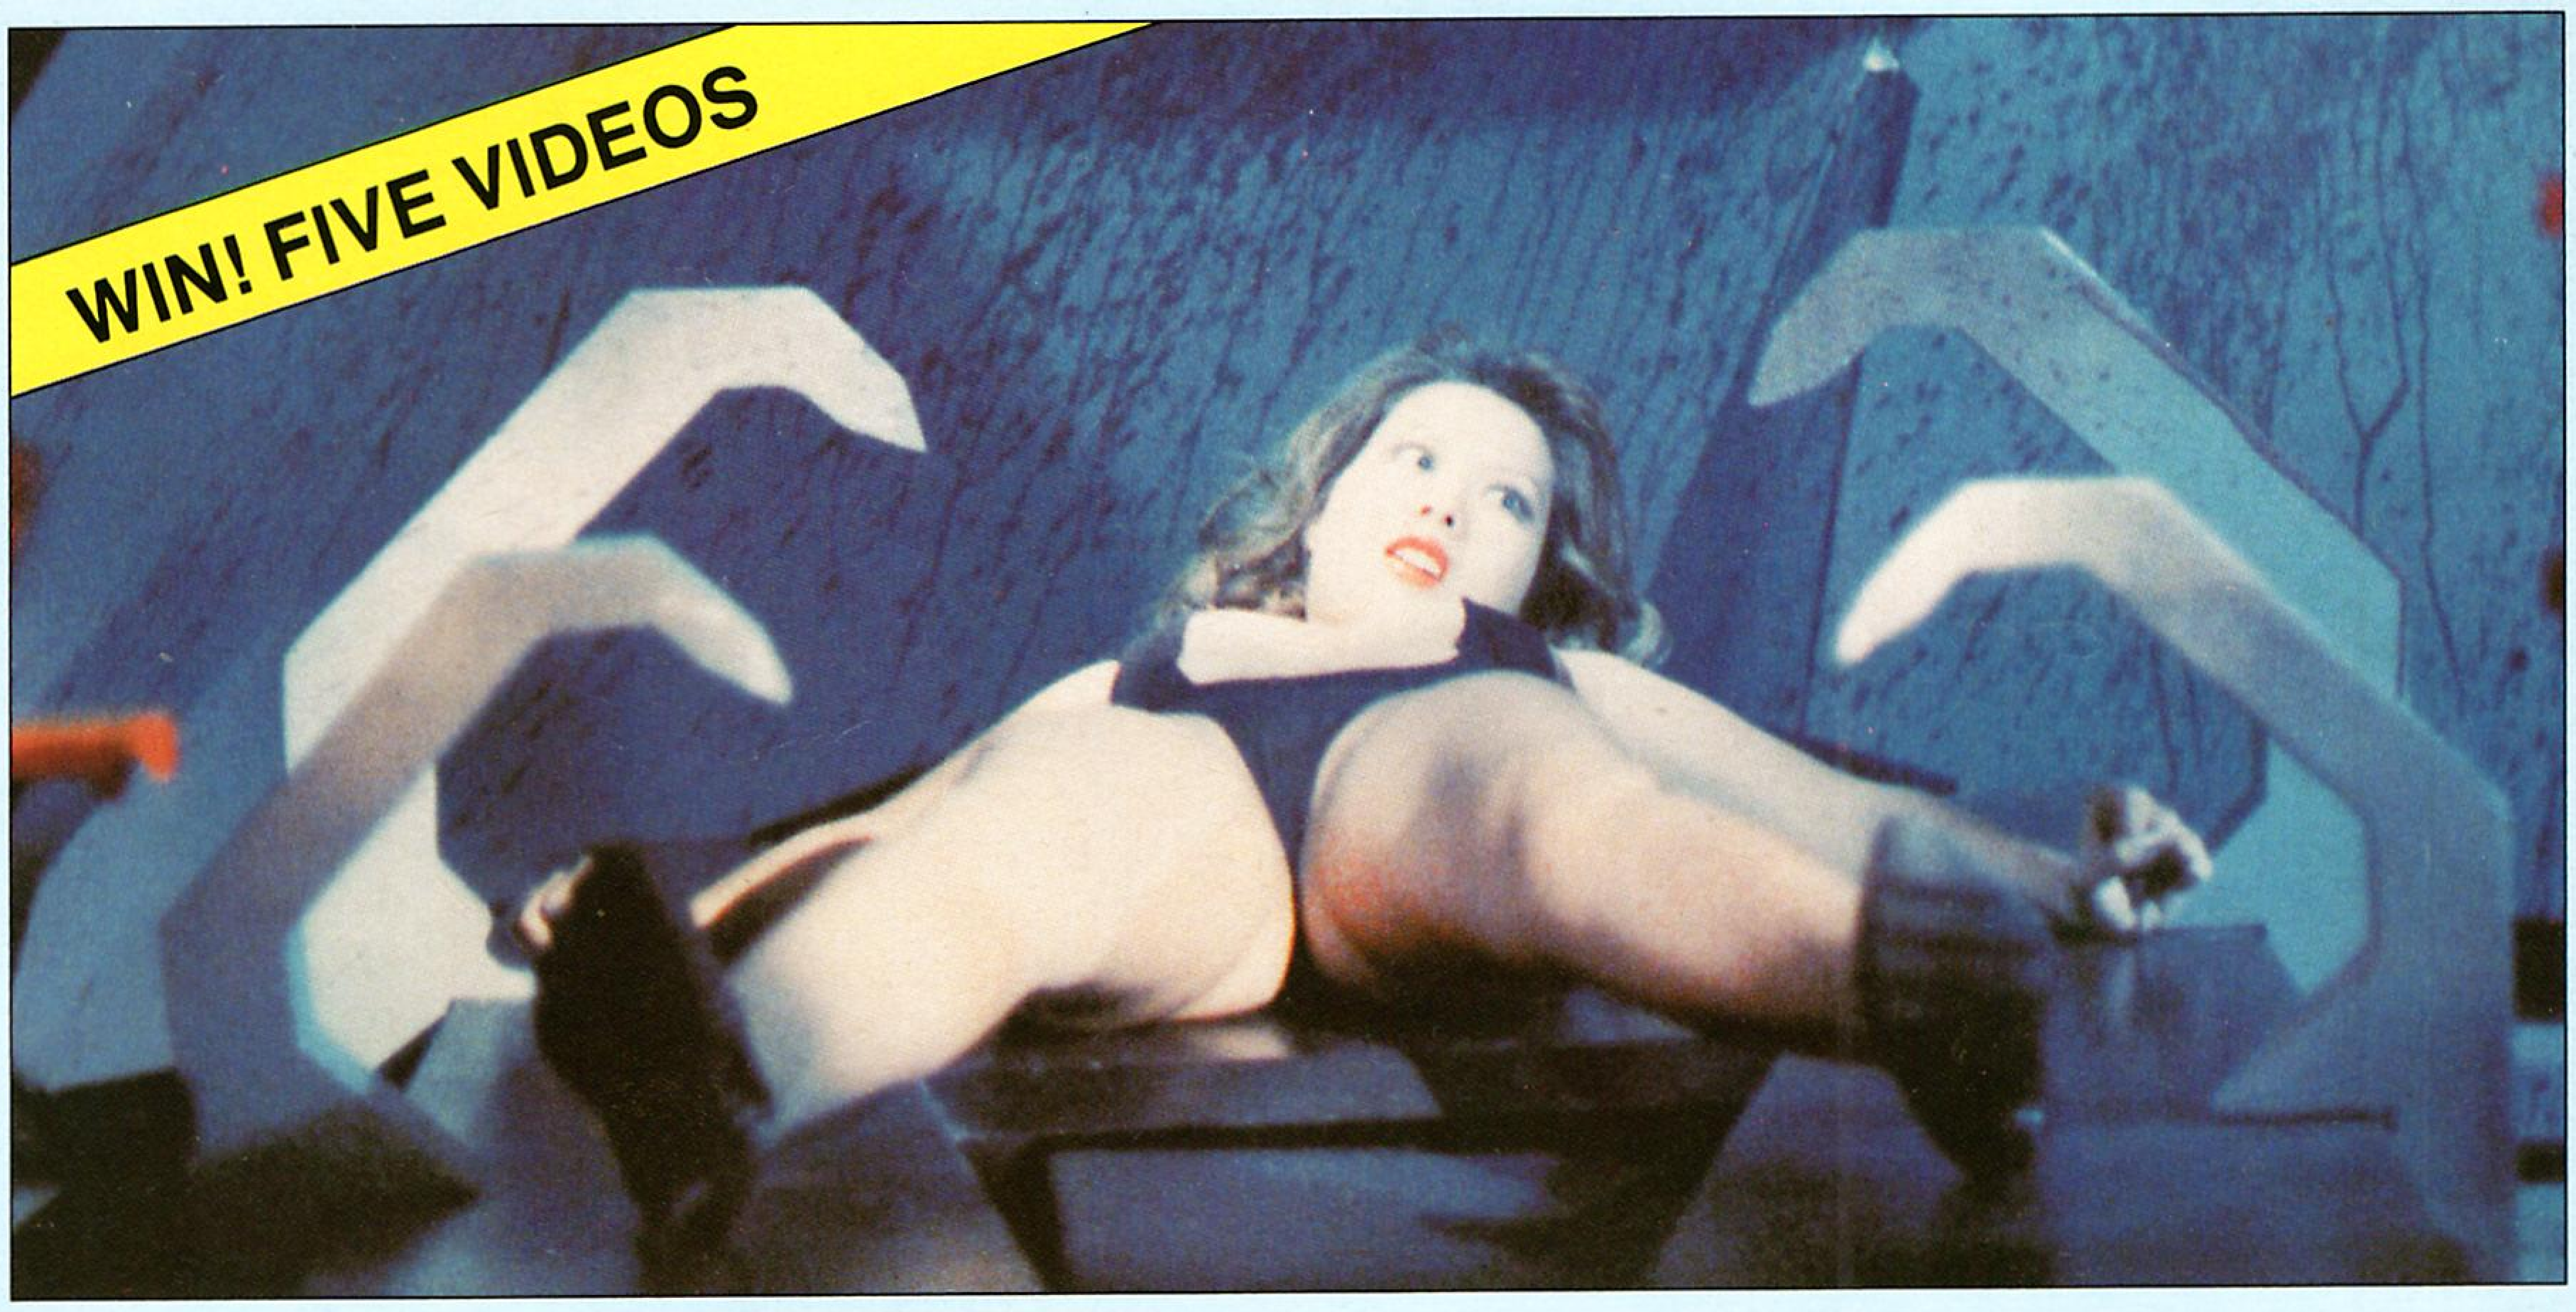
Talking of the wind section, here's a word of warning. Not only do popadoms explode over your best Acrylic pully, but have more than ten of them and your bum trumpet does Kenny Ball's greatest hits. With ten pints inside you, there's a real danger you could fill your Mr Byrites.

Time for another piss, then the main. My poofy publisher opted for a mild Chicken Korma (£2.95) whilst I had their Chernobyl-strength Beef Vindaloo with extra pickles and chutneys (£3.50). I mean, what's the point of paying all that money if your arsehole doesn't have a good time as well? Christ! It was as hot and spicy as the gusset of Zola Budd's shorts.

The staff were so impressed they couldn't take their eyes off me. Towards the end, I was sweating and retching a bit, but I finished and went to pay the bill with the manager personally seeing us to the door. The food came to just £7.50; and with lager, £22.75 seemed excellent value. Unfortunately, in writing the cheque, I threw the lot up over the cash register! However, this did provide that final note of joviality on which to end a highly enjoyable evening.

Editor's note: Nathaniel Fatbastard has been a distinguished restaurant reviewer for many years, writing columns on haute cuisine for The Times, The Spectator, What's On In Telford *and, more recently,* Exchange and Mart. *He is 57 (waist) and lives with any floozy drunk enough in the Surrey village of Morton Harket.* ♣

LOTS IN SPACE



In space, no one can hear you cream.

Which is just as well, really, 'cos that's just what you'll be doing when you win your copy of the spine-scrunching video *Prison Ship Star Slammer*. When you're not laughing your pants off, that is.

It's a classic saga of space conflict and muff diving, the stirring story of Taura, sentenced to seven years on the steamy women's prison space ship, *Vehemence*. Will she be broken in the Arena of Death? Will she be used as a prototype for the demonic Dr Po's ultimate space lobotomy? Can she survive an attack of the dreaded Jagger Rats? Will Bantor have his evil way?

Well, OK, it sounds like *Barbarella* on amphetamines, but there's nothing wrong with that. Big Allan Bryce liked it, as you can read on page 22. And those lovely, lovely people at Sheer Entertainment have given us five tapes to give away!

You want one? Right: well, our picture shows heroine Taura in what we space folk call "a spot of bother". Provide us with a short, snappy and highly hilarious caption for this pic and jot it down on the form below wiv your name and address. Snip out said form and send to:

ASK ANDREA

YOU NAME IT,
MS CLARKE WILL DO IT!

She's some girl, Andrea Clarke. And that's your opinion as well as ours. The general concensus seems to be you can't get enough of her . . . but that's not going to be a problem from now on.

You see, we have received so many letters requesting busty Andrea to do this, wear that, in such-and-such a location, we have signed her up to . . . well, to do just about anything you want! "I'm game for anything," is how Andrea puts it. "Every month I'll go through your letters and pick the request that turns me on the most. Then I'll make your dream come true!"

To get us underway, Andrea's fixing it for Bryan from South Shields, who writes: "This Andrea Clarke woman is something else! She makes me feel so randy. My fantasy is that I am married to her. Every day when I come home from work, she's there waiting for me, scantily-clad and hungry for love.

"I particularly love it when I come in to find her doing the dishes standing at the sink with her lovely arse exposed. She does this often, because her only aim is to please me.

"I don't suppose you could ask Andrea to pose like this for me, could you?"

You suppose wrong, Bryan.♣

Well, what would YOU like to see Andrea do? Write to her at Club International, 2 Archer Street, London W1V 7HE and leave the rest to us!

TAPED!

*Take one **Allan Bryce** and seven videos, mix, and what do you get? More drool for your spool! More shape for your tape! More rub for your dub! And some right old tosh as well.*

I dropped into the Club offices the other day on one of my rare visits, expecting to find the Ed and his trusty staff hard at work preparing the next red-hot issue. Instead I discovered the sordid truth about what really goes on behind closed doors in the darkest regions of Raymond Towers.

The Ed was poised at the Scrabble board attempting to convince his sceptical secretary that bazonkas was indeed in the dictionary, while the Deputy Ed lay slumped on the casting couch after a hectic morning of auditioning new photo spreads. It was not a pretty sight. "What are you doing here?" asked the Ed suspiciously, though the question could hardly be heard above the Deputy Ed's snoring.

"I've come about that rise you promised me last year," I answered. He fished a package of tapes out of his desk drawer and bounced it off my left earhole. "Cop a load of these," he smirked. "If that lot doesn't give you a rise then nothing will. And I want the reviews by tomorrow."

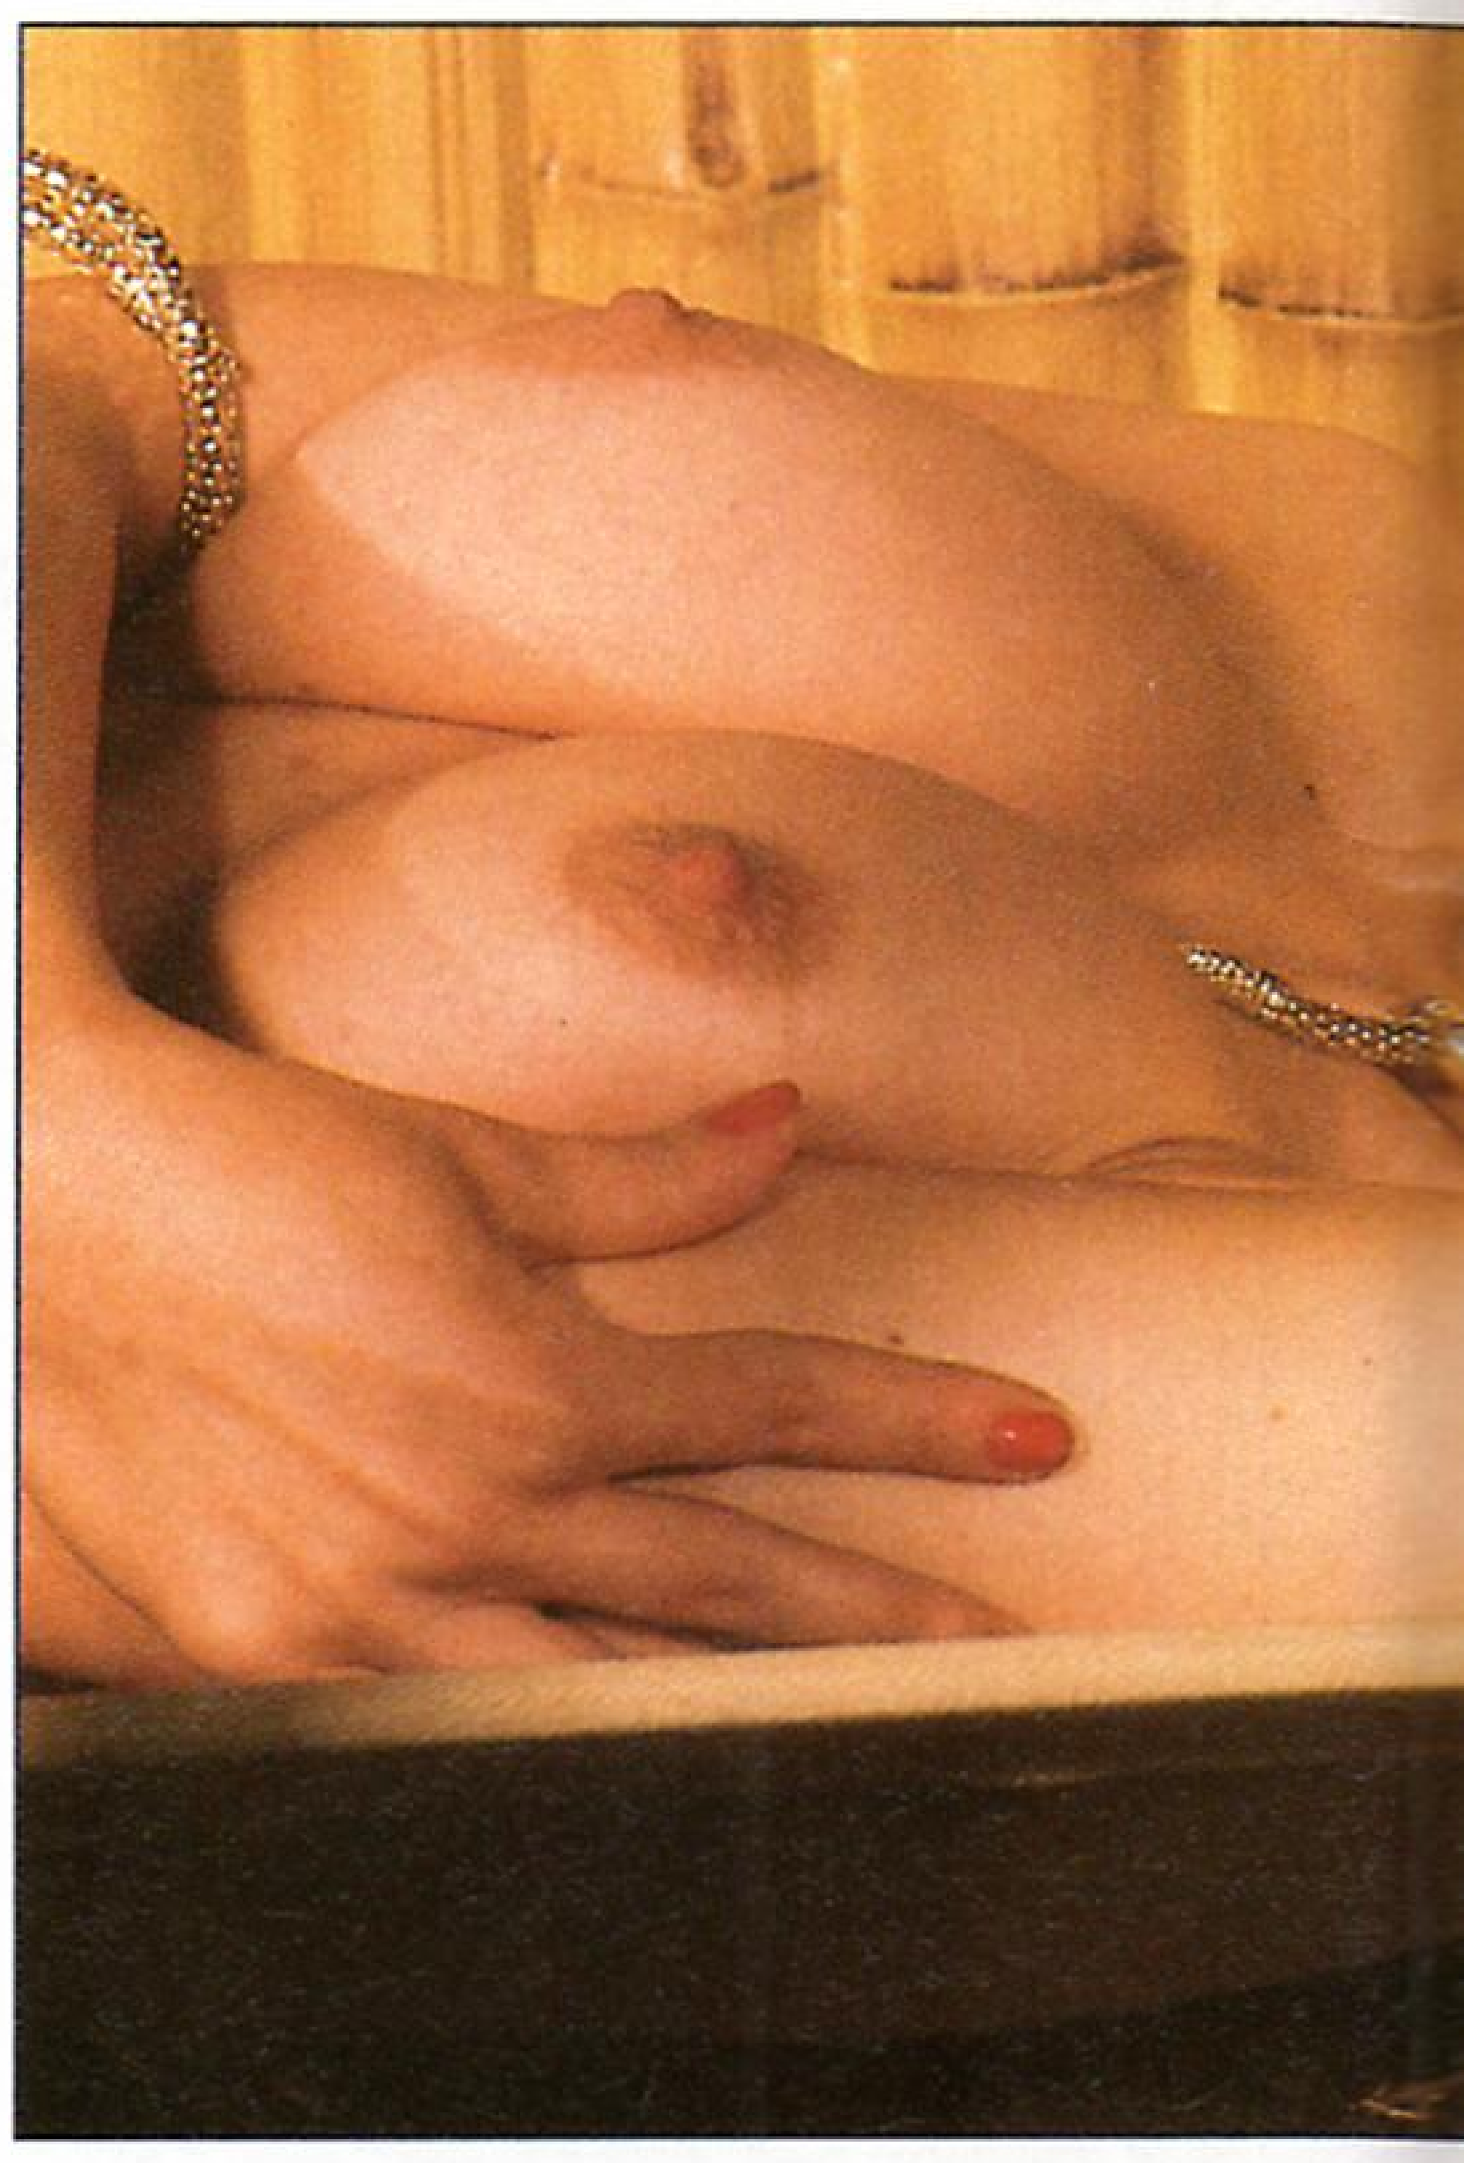
"But what about the money?" I pleaded.

"Pay me later," he said, motioning for one of the centrefold girls to eject me from the premises. It's a tough life reviewing adult movies, believe me.

Anyway, let's get straight on the job with **Electric Blue 26**, the latest in everybody's favourite series of men's-mags-on-video. The tape starts with brassy model girls Tracy Neve, Stacy Owens and Sally Anne strutting their stuff on the Greek isle of Mykonos, removing thin T-shirts to reveal the most ample figures the locals have seen since Demis Roussos last dropped in for a pint of ouzo. This is quality stuff: the girls are beautifully shot against gorgeous locations that make you want to pack your bags and head for the sun-drenched land of Stavros and Spiros. I kept expecting to see Judith Chalmers pop up in the background . . .

Of course, variety is part of the spice of any *Electric Blue* tape, and no sooner have we started wondering whether a Grecian urns enough to take out girls like Tracy, than we're off back in time to the roaring 20s, the gangster days of smoky speakeasys like the Silk Garter club, a joint so seedy that even the cockroaches wear dark glasses to avoid being recognized. The place is run by a broad named Muffin Delight, played by top American porno actress Ginger Lynn – a hot lady you might remember from her first ever UK photoset in Club Vol 16 No 6. She does a sizzling stage routine with Marvo the Magician, the climax of which has her clothes disappearing at a wave of his mysterious wand – now *there's* something you don't see on *The Paul Daniels Show*.

In fact, the punters in the audience have never seen anything like it – remember all this took place 50 years before Channel 4 came on the air – and the Silk Garter club becomes the most popular joint in town, much to the annoyance of big time hoodlum "Pinky" Morgan (so named because his wedding tackle is the size of a little pinky!), who wants more than just a piece of the action. So Pinky and his boys get tooled up to drop in and put the frighteners on. But the cheeky Miss Muffin is more than a match for their little game, and they are the ones who get taken for a ride in the story's steamy climax.



A shady deal

My verdict: harder than a cement overcoat.

We've had some real basket cases in this column over the past few months, but never have we had the said loonies actually wearing their own baskets.

But at a prominent fashion college in the Middle East this is exactly what happened when the students held their own show recently. To the accompaniment of music, mime, off-stage noises, screaming and shouting, the students strutted down the catwalk with outfits that wouldn't look out of place in a sewage works. Which is probably where most of 'em came from.

Possibly the most stupid was the "Bride and Seven White Mice" ensemble, which featured a young nymph with seven rodents gyrating around her crotch inside the dress. This behaviour is described as "an expression of disapproval of today's social beliefs". We'd describe it as stark staring bonkers. Eat your heart out, Zandra Rhodes . . . ♣

gets punctured by a randy French stud; *Neighbours* has a bouncy blonde sunbathing nude beside her pool and eyeing up the hunky weightlifter next door through a pair of binocs. Needless to say she shortly manages to entice him over and he finishes his push-ups in a far more pleasurable manner. Then there's a sexy photospread with leggy Marie Harper, who says she's going to "do something that will burst your fly buttons" – the mind isn't the only thing that boggles . . .

Climaxing (and I use that word most sincerely, folks) with a potted history of ladies' lingerie through the ages, a porn pop promo and the immortal "Breast Of Britain" (where home-grown beauty Karen produces whoppers the size of the national debt and says with typical British understatement: "I could play with them for hours"), this is one of the best *Electric Blue* tapes of them all.

We stay with the *Electric Blue* team for an 18R reissue of one of their most popular golden oldies. **The Electric Blue Celebrity Special** features 24 (count 'em) superstars exposed during those low moments in their career when they were forced to get their togs off to pay the rent. Take Hazel O'Connor, for example (and wouldn't I like to): the punk singer displays an admirable physique in a delightful bathtub romp from a 70s saucy called *Girls Come First*. Then there's Joanna Lumley looking mighty purdey as a happy hooker in bed with a motley selection of guys and gals in *Games Lovers Play* – what would John Steed say? Lynda *(Wonder Woman)* Carter strips her costume off in *Bobbie Jo and the Outlaw;* Helen *(Long Good Friday)* Mirren gets a good seeing-to from Malcolm McDowell in Bob Guccione's *Caligula*. Ursula Andress undresses for *The Prisoner of the Cannibal God*. Nastassia Kinski trips around in a see-through nightie in *Virgin Campus*, while Brigitte Bardot and Jane Birkin get more than just friendly in *Don Juan*.

Also on offer – a sizzling photo session with Mandy Miller, long-limbed star of such grubby raincoat classics as *Emmanuelle In Soho* and *Fanny Hill*; Fia Morrow – the schhhh-you-know-who girl – reveals schhhh-you-know-what; Koo Stark strips off in a scene from *Cruel Passions*. Blonde bombshells Jayne Mansfield and Marilyn Monroe wave their wobblers in grainy old black and white glamour films, and photographer Fanny shows us where she took her name from. Porn princess Marilyn Chambers reveals very little we haven't seen before; Paul Raymond discovery Fiona Richmond does things a vicar's daughter shouldn't even *talk* about, and Sylvester Stallone drops his boxing trunks and lets it all hang out in a nude orgy scene from the film *Italian Stallion* – I never knew Rambo had such a small willy!

Next into the trusty old Pornosonic is *Electric Blue's* **Love Play**, one of those sexy Gallic romps where there are so many eternal triangles going on that you need a maths degree to work out who's bonking who. It's set in a cottage somewhere deep in France, where there is much bouncing up and down on beds among attractive young couples.

UNCOVERED

The way ***Chris Lloyd*** *reviews lewd books, you'd think he knew quite a lot about sex. Not bad for a man whose balls haven't dropped yet.*

If I have something against male sex yarns, it's that they seem solely content with the zoom-in, juice-puddle act of plunging in there, and for such long duration that surely all the bits in question must be scarlet with serious friction. If I have a bone (sorry, not *that* bone) to pick with their female counterparts, of which The Pleasures Of Loving (Star, £2.95) is one, it's the sheer misty and cosmetic emphasis on paraphernalia, the endless soft focus of love.

Whilst being physically pummelled, the recipient of gristle-bliss always has time to notice, say, the proximity of wild flowers (plus their Latin names), and how ambrosial the odour of hay is close by: or if she's indoors, she can easily spot the Star of Bethlehem peeking suggestively from behind the lime-green velvet curtains, supported by wide wooden runners that may once have been the hooped earrings of a whore from the Latin Quarter.

The readers of *Elle* magazine are obviously addicted to this brand of pappy porn, and in *The Pleasures Of Loving* they jot down their various pelvic thrust occasions to a strong Vivaldi beat. If you can take this much treacle with your groin clinking, then it's yours. Take it away.

Pity Christmas is already a speck in the distance, pushed away by boredom and lack of cash, because Graham Masterton's How To Drive Your Woman Wild In Bed (Star, £2.50) is one of those fruity little inconsequential numbers that a pissed-off girlfriend could cheerfully ram down a man's red sock – while he's still wearing it. Masterton is only being fair to both genders, however. The first in this series (which, I hope, will grow to include dogs, parakeets and the common earthworm) was customised to drive *men* wild, and I seem to remember that it succeeded in driving me crazy, or into the toilet, or both.

What we have here is woman's "inalienable right to sexual satisfaction" apparently legitimised by grim, techno-titles such as "the E-technique" (which, as far as I could tell, doesn't even *involve* a woman) and tips on improved erotic response that read in sequence like reject gags from the Cannon & Ball show. He advises against fist-fucking, but gargling with a partner's urine (once their sexual history has got the green light against existing viruses and clinic files) can be cool occasionally. Frankly, if you really insist on driving a woman wild (which isn't difficult), why not check her for head lice?

With some misgivings, I picked up this third title, Indiscreet Memoirs (Star, £2.50) by Alain Dorval, in which the narrator immediately owns up to possession of three cameras, tripods and photographic plates, in order to pursue his past, riddled, it appears, with jet-black pubic tufts partially concealed by handbags, and female hands that dart inside his flies, then jerk his cock around, protected by beige kid-gloves. In fact, it's a languid little poke-happy narrative written in a style that gives the impression that the writer of it was having a shampoo and set at the time, followed by a full manicure. Sometimes you can be too laid back by half about these things. As Graham Masterton would say, you've got to look interested.♣

FOUL·PLAY

We all know everyone's going to be cheating in Seoul, says ***U Watt****. Except us. Sickening, innit?*

Here's a short quiz for all British sportsmen out there: a) Is there any point in taking part if one competitor has an unnatural advantage over another? b) Do cheats really never prosper? c) Is it possible to cook decent sausages in a microwave oven?

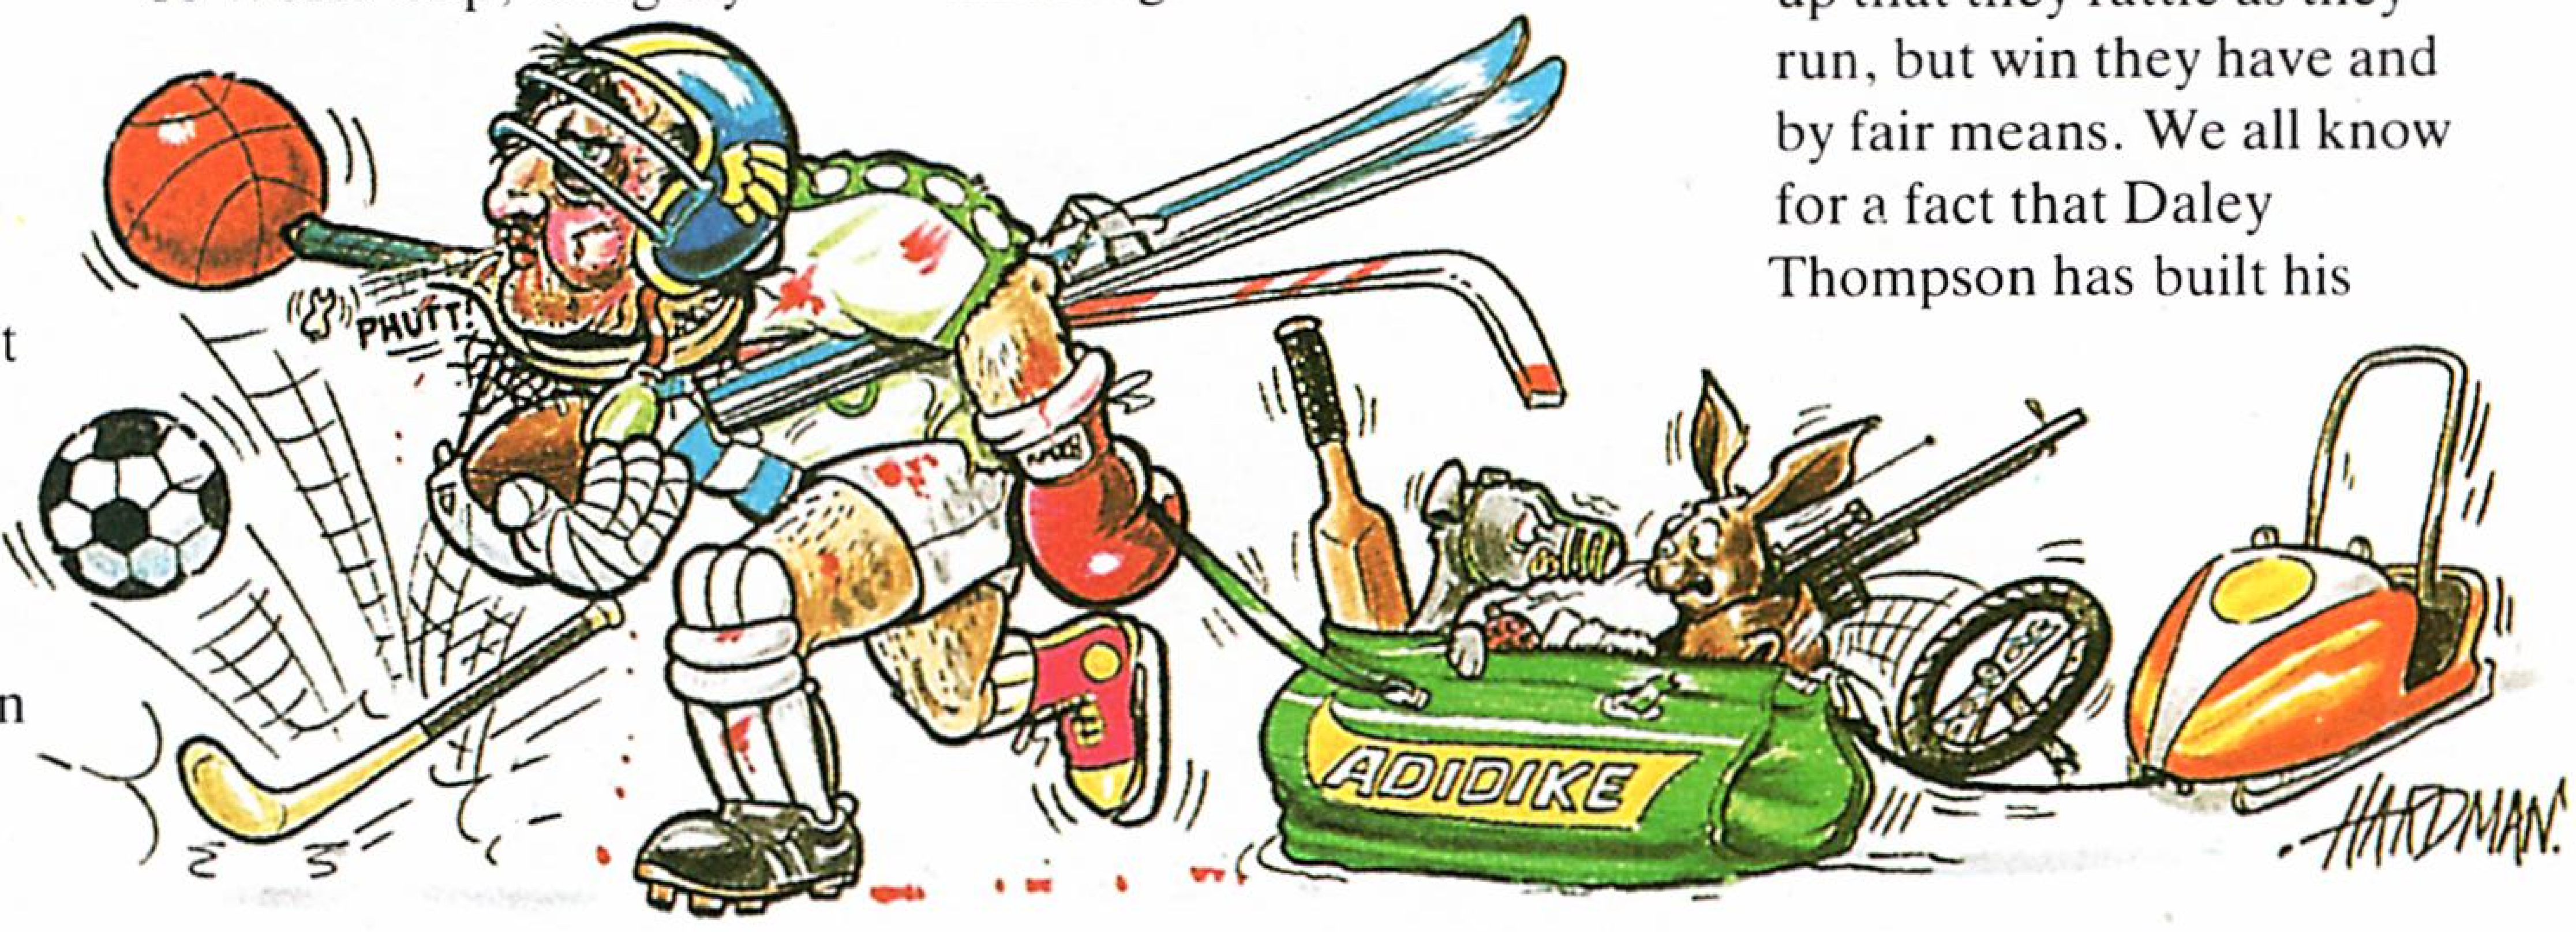
The correct answers, of course, are no, no and no. But it is a symptom of the British disease that a good proportion of our athletes – and the rest of us – might get this completely wrong.

With our self-destructive sense of fair play and utter abhorrence of cheats, we raise each generation on the principle that sport is all about taking part – it doesn't matter if you win or lose (unless you lose to Charlton Athletic). It's yet another facet of our snobbish insularity, our determination to remain separate from those rabid Europeans and, for that matter, the rest of the world. But as we plod along the straight and narrow, are we being admired or sniggered at? Sportsmanship may fill a Brit with pride, but boy, does it cost us dear.

With some countries, at least you can see what you're up against, even if the ref refuses to. Latins are the undoubted masters. In the '86 World Cup, Uruguay added much weight to the theory that South Americans are allowed to cheat as long as the crowd is on their side; Diego Maradona single-handedly put the theory beyond any reasonable doubt.

It's a wonder British athletes win anything when the competition are so pilled up that they rattle as they run

But for a far more subtle flouting of sporting ethics, we must take a peek over the Iron Curtain. There, child abuse takes on a whole new meaning.



Now I've never been to Russia but I've heard it said that to aid birth, the delivery rooms are equipped, not with stirrups, but with assymetric bars and a four-inch beam. As soon as the umbilical cord is severed the infant is required to perform a floor exercise and one in ten girls is proficient at the triple Sukohara before she can even talk.

The disease has spread all over the Eastern bloc with very unsightly effect. Romania's Nadia Comaneci was hated by everyone when she reached perfection in Montreal and never once smiled. She later turned up as a spectator, smiling and fat, and everybody felt sorry for her. It had all become clear: the desire to win at any price had cost the girl her childhood. But, more than that, it may well have cost a more sporting competitor a medal.

It's a wonder that British athletes win anything when the competition are so pilled up that they rattle as they run, but win they have and by fair means. We all know for a fact that Daley Thompson has built his decathlon kingdom on hard work and Lucozade. Steve Cram outran the world on a good, honest diet of Kellogg's Start.

But it's the likes of Liz Lynch and Zola Budd who find themselves at the greatest disadvantages, because these drugs can turn a female competitor into a wall of muscle that feels no pain. To all intents and purposes they cease to be female, but somehow fool the sex test nevertheless.

The side effects can be hideous. Just take the case of the East German middle distance runner who went to her GP complaining that the hormone treatment he had prescribed was causing hair to grow in unusual places. The doctor calmly explained that it was quite common for hormone treatment to result in sporadic hair growth. "What," the frantic 'girl' replied, "even on my bollocks?"

This raises the suggestion that perhaps the Communists are not cheating after all, but simply trying to introduce some sexual politics over there. The new catchphrase is: "All men and women are equal, except the women have groovier sideburns."

As usual, the governing bodies have been mind-bogglingly weak in dishing out punishment to proven transgressors. Two-year bans have made a mockery of the principles that hold sport together, in a similar way to the Uruguayan who spits in the face of his felled opponent. It's insulting to expect "clean" athletes to line up alongside competitors whose physical attributes have been enhanced by unnatural means. As Liz Lynch recently explained to me: "There's just no way you can compete against them. If you're banned for using drugs it should be for life."

Quite right, too – but until the authorities come around, British athletes are left with a dilemma: do they compete in competitions which become more and more impossible for them to win fairly, or do they lower themselves to the level of the pill-popping Poles, hormone-rich Hungarians and single-sex Soviets?

We all know the answer. Don't expect many medals in Seoul. ♣

Tina Gets It Off Her Chest

Yet another in our series of pertinent comment from the lady with the little grey cells in her great big cleavage. This month, Tina analyses the SDP power struggle.

"Who *are* these people? *I've* certainly never heard of them. Except David Owen, cos he's quite tasty in a smooth, Dirk Bogarde sort of way, innee?

"But that one who's their new leader, whatsisface. Thingy. Not very exciting, is he? I certainly wouldn't give him one.

"If you ask me, they ought to have someone us girls can get our teeth into, then they might actually get some votes. I reckon someone like Bruce Willis would do the trick. And he'd get mine as well. Vote, that is.

"And if you didn't ask me, I'm tellin' you anyway. So there." ♣

Dee

Photographs by Denys Defrancesco

Bet you don't see this scene very often when you're out for a spin in the motor, eh, lads? But what a sight for your sore eyes it would be if you *were* lucky enough to encounter delicious Dee on your travels.

Dee is a girl who likes to get around, and these shots certainly prove it! She also admits to having had some particularly spicy encounters out on the road.

"Well, what man do you know who would drive past a girl like me falling out of her dungarees at the roadside?" she says, cheekily.

Quite – but how do you know you'll hit it off with the driver?

"His car, of course. You can tell a lot about a man by the type of car he

drives. I go for the sleek, powerful type with enough acceleration to get me hot, and the stamina to keep going for hours on just one tankful."

There's a sparkle in her eye as she tells us this, so she's obviously remembering one special encounter.

"I met one guy, Dave, after I dropped my dungarees one day last summer. He was driving a sporty little number, so I knew I was in for a good ride! And believe me, we didn't get very far before we'd gone all the way. And he gave the best head ever."

And the sight of that cute pussy is enough to have *any* driver going at full throttle.♣

Rachel will have to go into hiding if ever her parents see these here pictures. It's only because that's such an unlikely event that she did them in the first place. "They emigrated to South Africa five years ago, when I was 18," she tells us. "And I certainly didn't

want to go there with them. They left me here, secure in the knowledge I was firmly on the career ladder with the bank. Listen, they'd just die . . . Mind you, they always thought they'd kept such close tabs on me: I'm sure they were convinced I was still a virgin when they left. In actual fact, I lost my cherry when I was 17 – in

their bed, while they were at a Rotary Club cheese and wine evening. Another time, me and a boyfriend really tested the suspension in the back of my dad's Granada

Island Whirl

IBIZA OR MAJORCA FIGURE IN YOUR HOLIDAY PLANS THIS YEAR? IF SO, YOU'LL FIND IT'S NOT ONLY THE WEATHER THAT'S HOT THERE: WE ARE TALKING SUNSPOTS BY DAY AND G-SPOTS BY NIGHT, AS **TIM SCOTT** FOUND OUT . . .

It's a baking hot day in Playa las Salinas. There are so many fabulous women on the beach, it's difficult to know where to focus your attention – the sort of dilemma every voyeur loves to be in.

On this particular day, though, one girl stands out. Blonde and beautiful with mouthwatering, bronze-coloured breasts, she has a tiny monkey on her bare shoulder. Even tinier are the bikinis and tangas she sells for a living: I'll tell you – you've never seen 'em *this* small!

The girl's name is Janni, and she's only too happy to talk about her products:

"I create them myself, and I sell hundreds every week, because it's the in thing just now to show as much as possible. The buttocks are supposed to be totally bare, and the material so thin that it goes transparent after you've been in the water. You can imagine how well that goes down with the guys, but the girls love it, too – girls who come to Ibiza really want to show off. This is a crazy place, you know, and sex is in the air all the time . . ."

Well, there you are, chaps . . . straight from the horse's mouth. And anyone who's ever been to Ibiza will testify the girls who flock to the island really do go for it. A great deal of them come without their boyfriends, for reasons that should be pretty apparent. But if you're feeling a bit slow on the uptake today, allow Katja, a 25-year-old secretary from Essen in Germany, to explain:

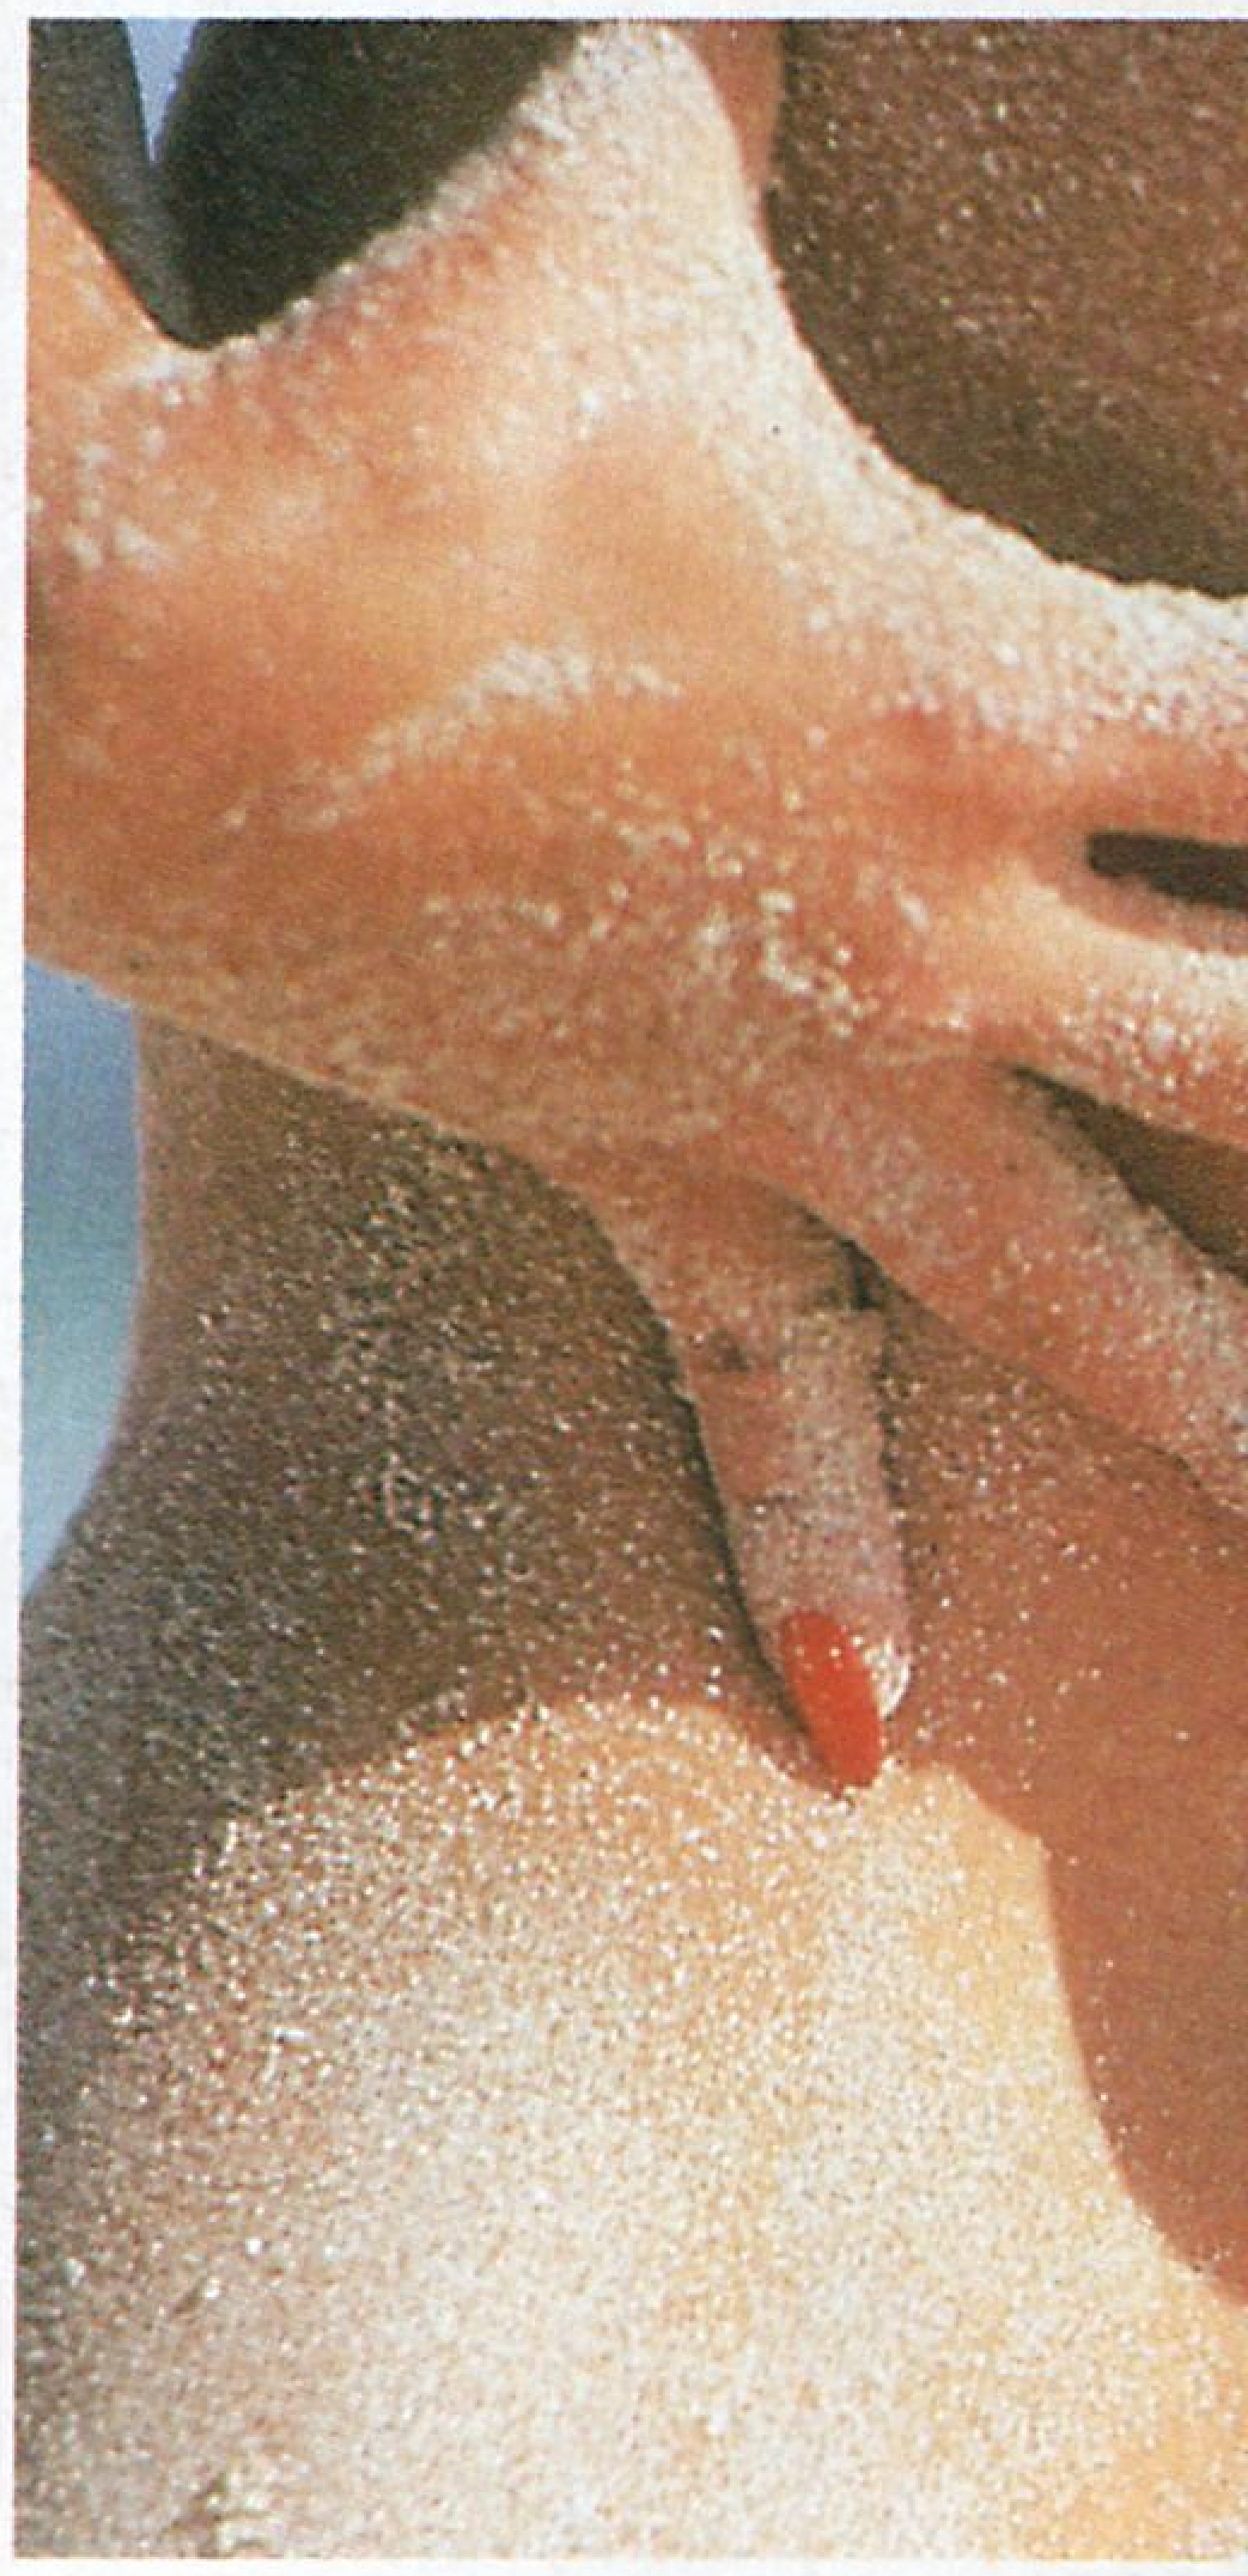
"Why the hell should I bring sand to the Sahara? I come here to enjoy life 24 hours a day, and that means total freedom for me and my girlfriend. We don't hesitate to do anything we want to do – and that means sleeping with any boys we take a liking to. It's as simple as that!"

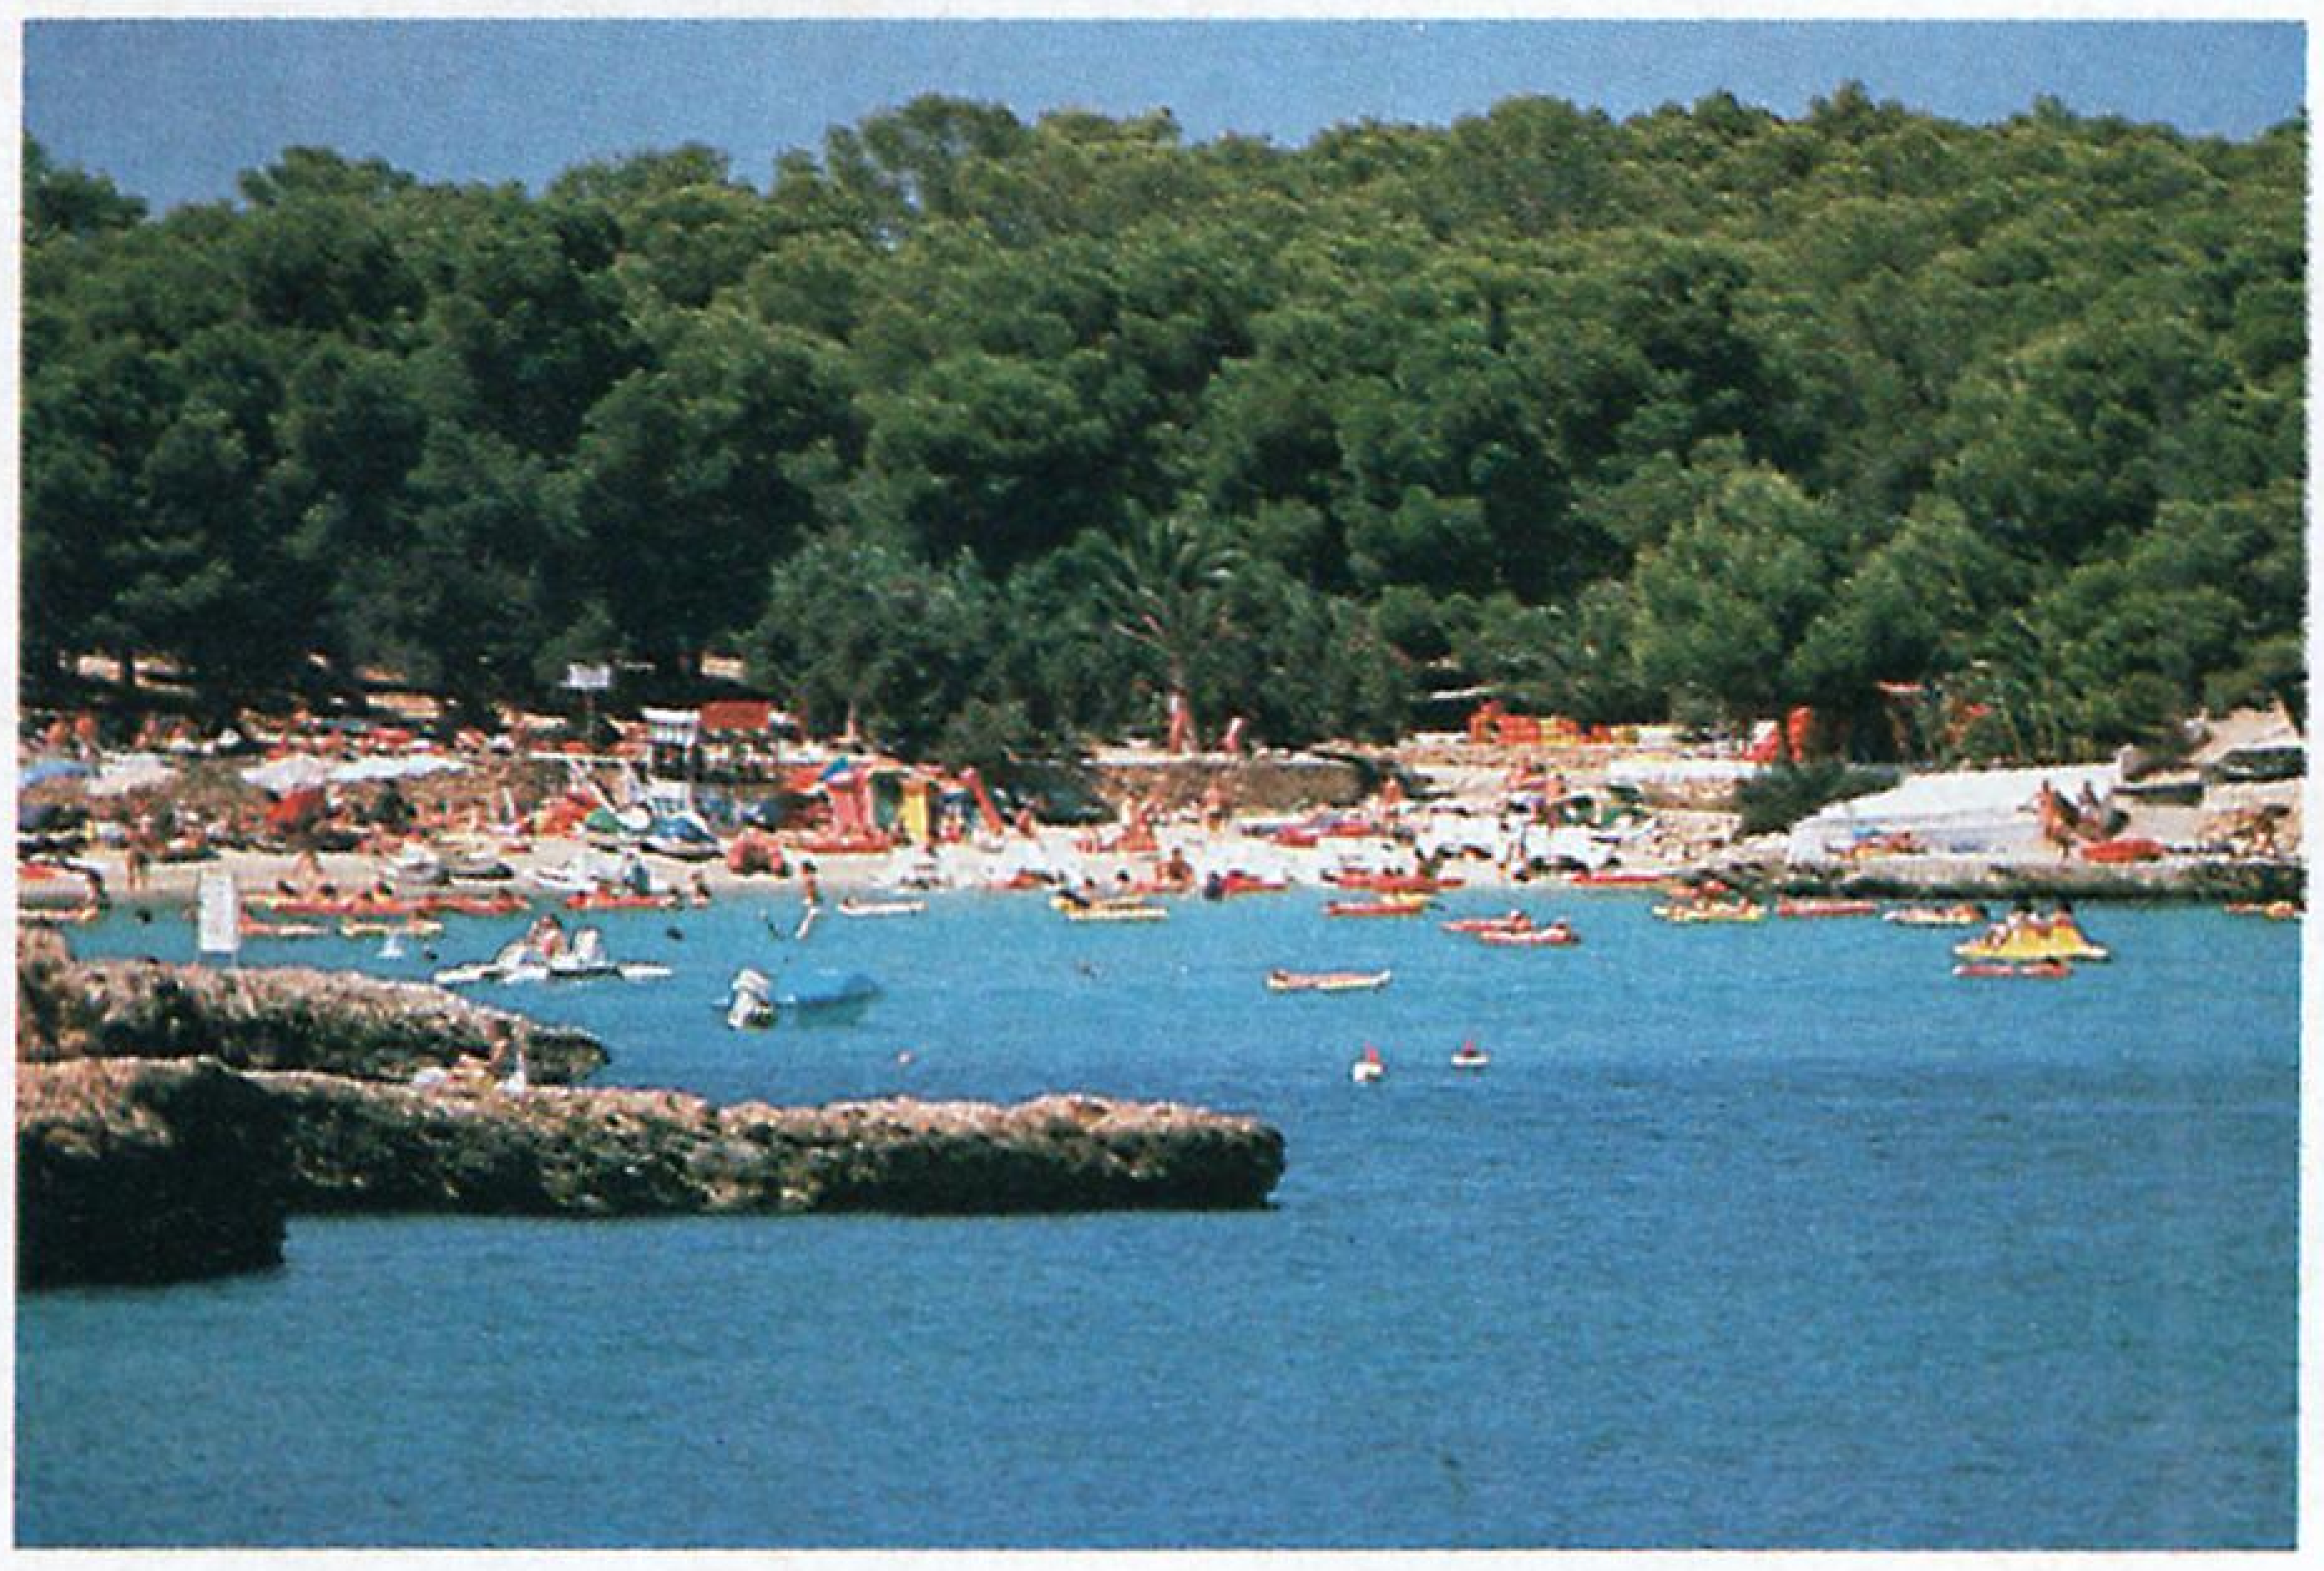
Almost enough to have you reaching for the Spanish phrase book and the suntan lotion, isn't it?

Ibiza is one of the Balearic Islands, lying south-west of the biggest island in the group – and one you might have heard of – Majorca. Dozens of charter planes packed with British holidaymakers arrive in Ibiza every day throughout the season, and it's not uncommon to see girls doing the *Wonder Woman* bit as soon as they arrive at the airport, ie they disappear into the toilets and emerge a few minutes later, wearing something slightly more, er, *revealing*. It's all a bit unsubtle, as a Danish tour guide working on the island testifies:

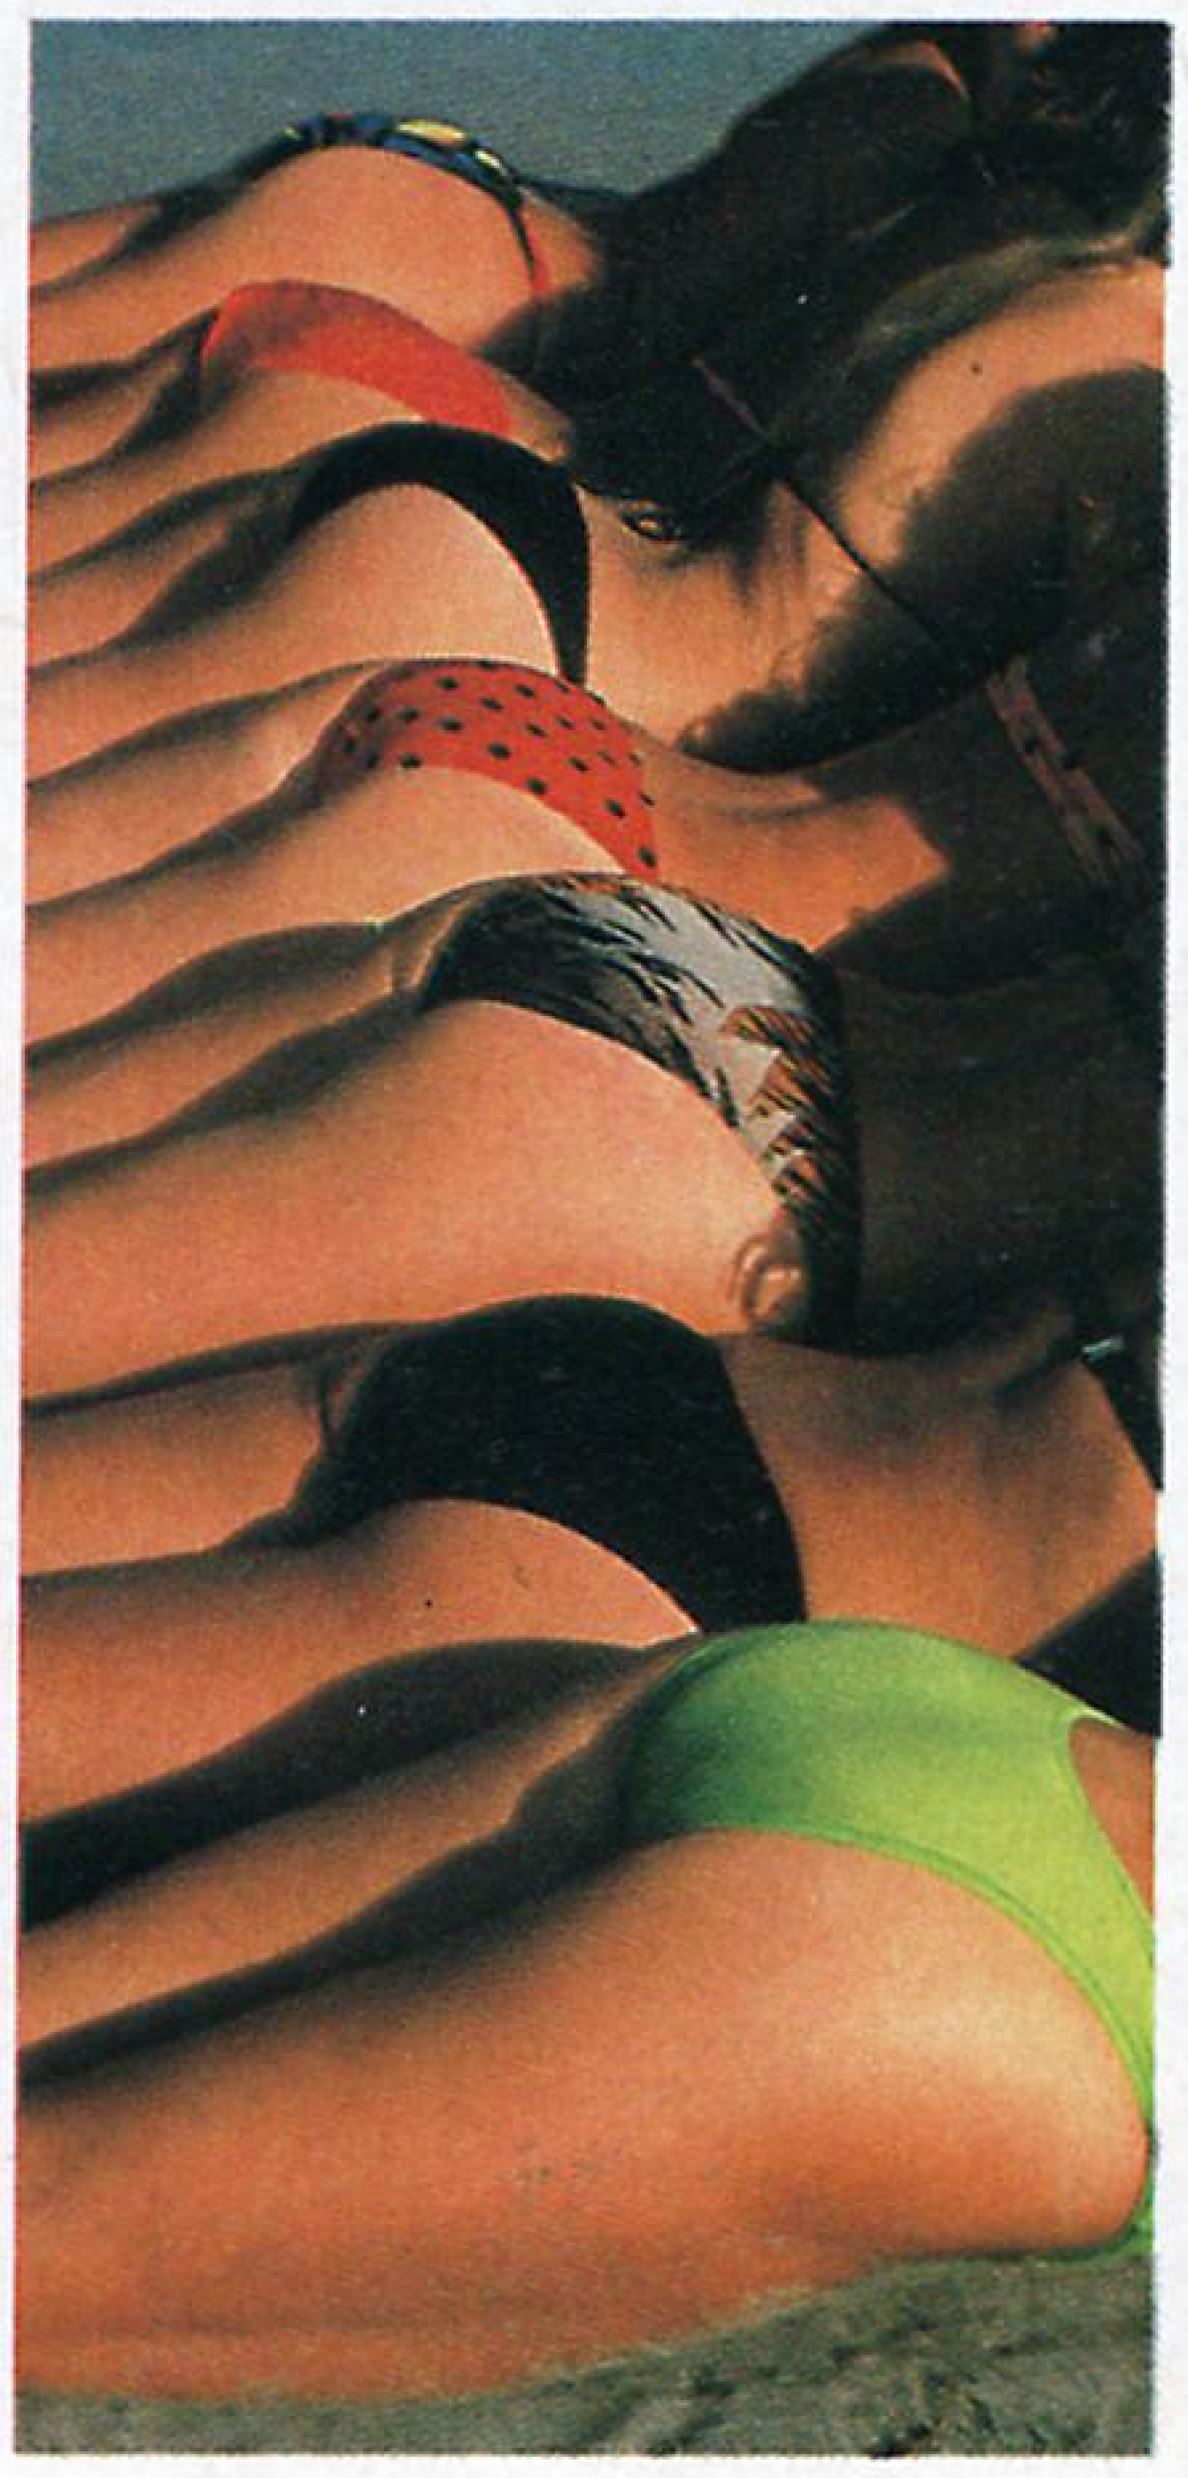
"If you come here to have lots of good sex, you just can't miss it. There are very often more girls than men here, and that literally leads to girls fighting over men! It's also the reason why there isn't one single sex club on the island. After all, who wants to *pay* for sexual entertainment when you can get real – and better – sex for *free*?"

The beaches where the best crumpet seems to accumulate are Playa d'En Bossa, KU beach, Palm Beach and Playa las Salinas, all just outside Ibiza town. Further north, the best bit of sand is Cala Bassa, near San Antonio. Beautiful white beaches, crystal-clear water and fantastic scenery are the order of the day here. Not that scenery comes high on the list of many visitors'





"You can photograph my bikini bottoms, but nothing else," this shy girl from Carlisle told me on Cala Bassa beach. Which is a shame, cos you should've seen her



priorities, mind . . .

A case in point is Sharon, a 19-year-old nurse from London, who's here with six girlfriends from different countries. They met on the island three years ago and meet up at the same time every year. She says:

"When we come here, we really feel free to do whatever we want – and we do it! We sleep until late morning, before going up to the harbour at Mar Y Sol for some breakfast, then we spend the day at KU beach or Salinas. In the afternoon we go back to the hotel again for a couple of hours' rest before we go out for the night.

"We go to the harbour again, to *Zoo*, *Mar Y Sol*, *Tango* or *El Mondo* for a few drinks, then we go to one of the restaurants – there's loads of them – at about ten o'clock. Then we're off to KU disco for a hot night!"

Even if you're not a great disco-goer, KU disco is a pretty awe-inspiring place. It's absolutely gigantic – big enough to accept 4000 people – and the bars and dance floors are completely open to the night sky. It's very fashionable, very "in" and – of course – very expensive. A drink will set you back £6-9, so most of the girls get a few drinks down them at one of the surrounding bars before they go. And, of course, a half-bottle of vodka fits quite easily into the handbag . . .

Expensive, maybe, but well worth a visit. On the big stage, there's non-stop action from midnight till five in the morning. Wet T-shirt contests are popular, of course, and it goes without saying that the Most Beautiful Tits competition tends to grab the attention of the assembled throng. And there is no shortage of participants; the girls see these competitions as too good an opportunity to miss to show off – and they grab it with both tits. Cash prizes can be more than a hundred notes, too – a godsend to an overspending tourist.

An "unofficial" event which often takes place at KU is also rather visually rewarding: it's when the young ladies strutting their funky stuff on the dancefloor find the heat of the night a bit too much for them. To cool off, they strip off whatever clothing they might be wearing (more often than not, it's not a lot!) and dive into the big swimming pool, sometimes hotly pursued by eager male patrons. And when *that* happens, well . . .

Just close your eyes, chaps, and imagine what they look like when they're occupied (or lying next to their owners on one of the nudist beaches)

Now, letting off steam at the KU or any of the other bustling discos on the island is all very well, but you'd be well advised not to do anything that might antagonize the local fuzz. In Ibiza, there are five departments whose duties consist entirely of looking after tourists – and it's rumoured they're all on the local mafia payroll. The golden rule is not to argue with them if you come into contact with them, unless you fancy spending a few days in their dubious company, during which time you'll no doubt walk into some fists and truncheons.

Generally speaking, they'll tolerate quite a lot – but don't push it. Save your energies for more "fulfilling" activities, eh?

* * *

Now, Majorca. This island has been a tourist magnet for many years (particularly for the British and the Germans) and it's still up there with the best of 'em.

In common with its neighbour Ibiza, there are more randy young women here than there are fish in the sea. One of the more nubile examples I encountered was a 19-year-old Swedish visitor, Sussie. I came across her (I should be so lucky!!) on the nudist beach at Es Trenc, some 45 minutes' drive from the capital, Palma.

I talked to her at the beach bar, where she was as naked as the day she was born (but a bit better developed).

"I've only been here a few days, but I already love the place," she enthuses. "I particularly like this beach, because there aren't that many where you can be totally nude – and that's what I like. It's an exciting feeling for me when the men look at my body – I know they have fantasies about me, and that sometimes makes me wet between the legs.

"I also love Majorca because of the wild nightlife. I have already met so many nice boys, and of course I've made love with some of them. Why not? I'm here to relax and enjoy myself with a few girlfriends, so why shouldn't I do exactly what I want . . .?"

If you prefer the bustle of the city, you don't need to stray too far from Palma if you don't want to. Playa de Palma is a four-mile-long beach with fine sand on the outskirts of the city. Plenty of bars and restaurants, too, and it's where a lot of the residents of Palma go to get a tan at weekends.

There are some cracking beaches on the west of the island, including Terreno, San Augustin, Malaguf and Cala Major, where Sussie told me she was going to enter the Miss Majorca International contest. I don't know how she got on, but I wouldn't put it past her to have put the judges on a promise; pending the right decision, of course.

If you want to spend just one night away from the discos and bars, you could do worse than to check out the guided tour offered by the Spies travel agency. For about £25, you'll be taken around Palma's most notorious and dangerous area, San Antonio, where all the prostitutes and pimps hang out. Under no circumstances should you venture here under your own steam. Says Spies executive Bert Hanson:

"This is probably one of the most dangerous prostitute areas in the world, and we hear from about ten tourists *every day* who've been beaten up and robbed there. But they can feel safe on our guided tour, because I know everybody in there and they'd never do anything to us when we go as a group."

Nevertheless, it's probably a relief for those on the tour when they're taken on by bus to the hottest sex club in Majorca, *Broadway*, which is in an altogether much nicer part of town. After tour guests are served dinner in the restaurant – complete with striptease, of course – they're treated to a live sex show. And even the most short-sighted spectator will be able to suss out that it ain't faked . . . This is Spain, and anything goes.

A trip to the casino, where you get live entertainment as well as the opportunity to lose all your money, rounds off a pretty action-packed night. And, no, I'm not on commission.

You might feel that you want to go back to this part of town, Plaza Gomilla, another night. If you do, you'll find no shortage of scantily-clad young ladies in the bars who are willing to have a few drinks and spend a couple of hours with you. You will, however, be more than likely ripped off something rotten – that champagne you ordered at £30 a bottle is probably warm Pomagne.

Finally, no guide to the attractions of Majorca would be complete without a mention of the pig party. You'll probably gather from the name that it's not a gourmet evening for those with a discerning palate. Quite simply, 1000-2000 tourists cram into this huge hall and gorge themselves stupid, getting as drunk as skunks in the process. If you manage to avoid throwing up, you might even get yourself a bag-off into the bargain.

If you look at Ibiza and Majorca on a map, they're just two tiny blobs off Spain's eastern coast, looking ever so innocent and innocuous. Appearances, however, can be jolly deceptive.♣

JULIA PARTON

Photographs by Tim Scott

This gal look at all familiar to you, boys? No, can't say she does to me either. But the fact is she's the cousin of a *massive* Country and Western star: Dolly Parton, no less. Well, now you come to mention it, we can spot a couple of similarities . . . Model Julia lives in one of the

plushest parts of plush West Hollywood – an area full of America's rich and famous.

With looks like hers, and that fascinating Parton connection, we're sure it won't be long before she's just as famous as the rest of 'em.

Of course, the question we all want answered is – just how far does the family resemblance go? Well, we can't tell you that one – but have fun guessing, y'hear? ♣

FIREMAN'S BALL

Roy knew he'd have to go through with it,

even though he could never have

imagined what they'd dreamed up for him...

By David Alexander

"Relax, son," Shit-Stick Eddie said to the rookie fireman named Roy, ushering him into the large meeting hall filled with veteran firefighters, "you're going to enjoy yourself. Take it from your ole mate Eddie."

The rookie smiled meekly at his "rabbi" in the department and accepted a hearty slap on the back. Despite the older man's assurances, Roy was still nervous. The meeting hall was packed with men, most of whom were either lining up for helpings of sausage rolls, beans, pickle and French bread at the kitchen, clustered at the horseshoe-shaped open bar or sitting around folding card tables playing poker and gin rummy.

"Okay," Roy said to Eddie, "what am I supposed to do now?"

"Just relax and enjoy yourself," Eddie returned, waving to other veteran firemen. "And believe me, you will."

Roy caught the strange gleam in Eddie's eyes when he'd uttered those final words. He'd heard rumours about some of the wild goings-on at the yearly initiation ceremonies for rookie firefighters. Things could get pretty hairy, according to the rumours.

Eddie took Roy over to the bar and sat him down on a stool. The older man ordered a pint for himself and a Scotch on the rocks for the rookie. "On second thoughts," Eddie said to the barman, "make that a double for my friend here." As he took his first drink, Roy could see that Eddie was watching him carefully, measuring him by how he handled his booze.

"Another round for my mate!" Eddie called to the barman when Roy had downed his drink. Again Eddie good-naturedly slapped Roy's back.

No sooner had the drink come than two more veteran firemen ambled over to where Roy and Eddie sat. Each had a rookie fireman, about the same age as Roy, in tow. Introductions were made and Roy knew that the other two guys were here for the same reason he was: to be initiated into the ranks of the department.

The rookie supected that the "rabbis" of the other two guys, named Phil and Bob, had the same relationship to them as Eddie did to himself. Downing his second double Scotch, Roy recalled how he'd only started the job last week, reporting to his assigned fire station early Monday morning. The Chief had told him that all he'd do the first week was observe how the crew operated.

That's how he got to meet Eddie. Eddie was the firehouse "Shit Stick". He was the fireman assigned to perform the dirty work around the station. The Shit Stick's duties included cleaning the toilets, scrubbing the upstairs dormitory where the crews slept in their 24-hour shifts and washing the fire engines once every week to keep them gleaming.

At first Roy couldn't figure out how a bloke as sharp as Eddie had landed himself with Shit Stick duty. Seemed like Eddie knew all the angles. In fact, he'd already passed all his exams. All Eddie would say was that being a Shit Stick "went with the territory" and Roy decided to leave it at that.

When Eddie offered to be Roy's department "rabbi", or sponsor, Roy agreed right away. Nobody became a fully-fledged firefighter until they'd passed initiation, Roy knew that. He also knew that no rookie without a rabbi ever got very far in the department. It was just another time-honoured tradition that, as Eddie would say, "went with the territory".

The rookie's thoughts were broken by the sound of disco music pounding out over the meeting hall's sound system. At the same time Roy noticed that firemen were taping black rubbish bags over the hall's windows while others were turning on the banks of overhead fluorescent lights.

Eddie chose that moment to nudge Roy in the ribs. "The entertainment's about to start," he told the rookie with a broad grin on his face, putting special emphasis on the word *entertainment*. "Get ready for the time of your life, mate."

The meeting hall's front door quickly opened and a fireman with two hookers in tow entered the hall. One was black and the other dusky and Spanish-looking. Wolf whistles and applause immediately followed as both whores threw off their long overcoats, revealing the fuck-me clothes they wore underneath, and began prancing bawdily around the room to the driving disco rhythm.

The black hooker wearing the red cupless bra had large breasts that jutted out like ripe fleshtone melons. Her long nipples had been painted silver. The top of her head was shaven except for the Mohawk hairdo on top that was lime green. Glitter was in her hair and on her body, making her sparkle as she lewdly swung her hips and shook her tits in an indecent dance. The rest of Mohawk's costume was a G-string with a matching red lace heart in front and black patent leather boots. You could see the black triangle of Mohawk's pussy just below the bottom of the heart.

Hooker two wore her purple hair in a Betty Boop curl in front with the rear swept down to her shoulders in a butch Elvis Presley style. Her tits jutted nakedly from a black lace push-up bra. Her flat midriff was bare. A black suspender belt hugged her hips, holding up hot pink stockings that came to her thighs. Betty Boop also wore high-heeled black patent shoes. She was also covered with glitter, writhing like a cat in heat to the pounding disco beat.

The women wasted no time in getting down to business as the music stopped and a spotlight created a circle of brilliance at the centre of the meeting hall's floor. Betty Boop lay down in the circle while Mohawk sat her bare bum squarely on the prone hooker's face.

Mohawk squirmed on Betty's face while she squeezed her breasts together and bent her head to lick their nipples. Somebody threw Mohawk a dildo. The other hooker then spread her legs wide and Mohawk bent forward to alternately lick out her snatch and fuck the spread fanny with the plastic prick.

Eddie elbowed Roy in the ribs. "Great, eh?" he yelled into the rookie's ear while handing him another double Scotch.

The rookie nodded dumbly. Like every other man in the meeting hall, he was mesmerized by the horny goings-on in the centre of the room where the hookers had now switched position, so that the first hooker now lay

on her back with her legs spread while the second hooker kneeled to lick out her cunt while fucking herself with the dildo. Roy noticed that some of the veterans near him had whipped out their cocks and were jerking off as the hookers took turns using the dildo on each other until both had screaming climaxes.

A moment later, the hall lights came on and the hookers got a standing ovation from the turned-on firemen.

Roy found himself on his feet, clapping as loud as anybody in the room. His face was flushed and he reeled on rubbery legs as Eddie slapped him on the back and handed him another double Scotch. The rookie paused just long enough to knock back the drink in one fast gulp, slam the empty glass on the bar behind him and give the two hookers an appreciative wolf whistle.

"Magic, girls!" Roy screamed at the hookers. "Fuckin' brill performance!"

Suddenly the rookie realized that Mohawk was standing right in front of him.

"Want to fuck me, handsome?" she asked, her hand on Roy's flies, beginning to tug the zip down. "Come on, baby, don't be shy." Out of the corner of the rookie's eye he could see Betty Boop approach the other two rookies and begin to drag them toward the centre of the floor. The guy named Phil was reluctant, although the other guy, Bob, seemed eager to accompany the dusky girl on to the dancefloor.

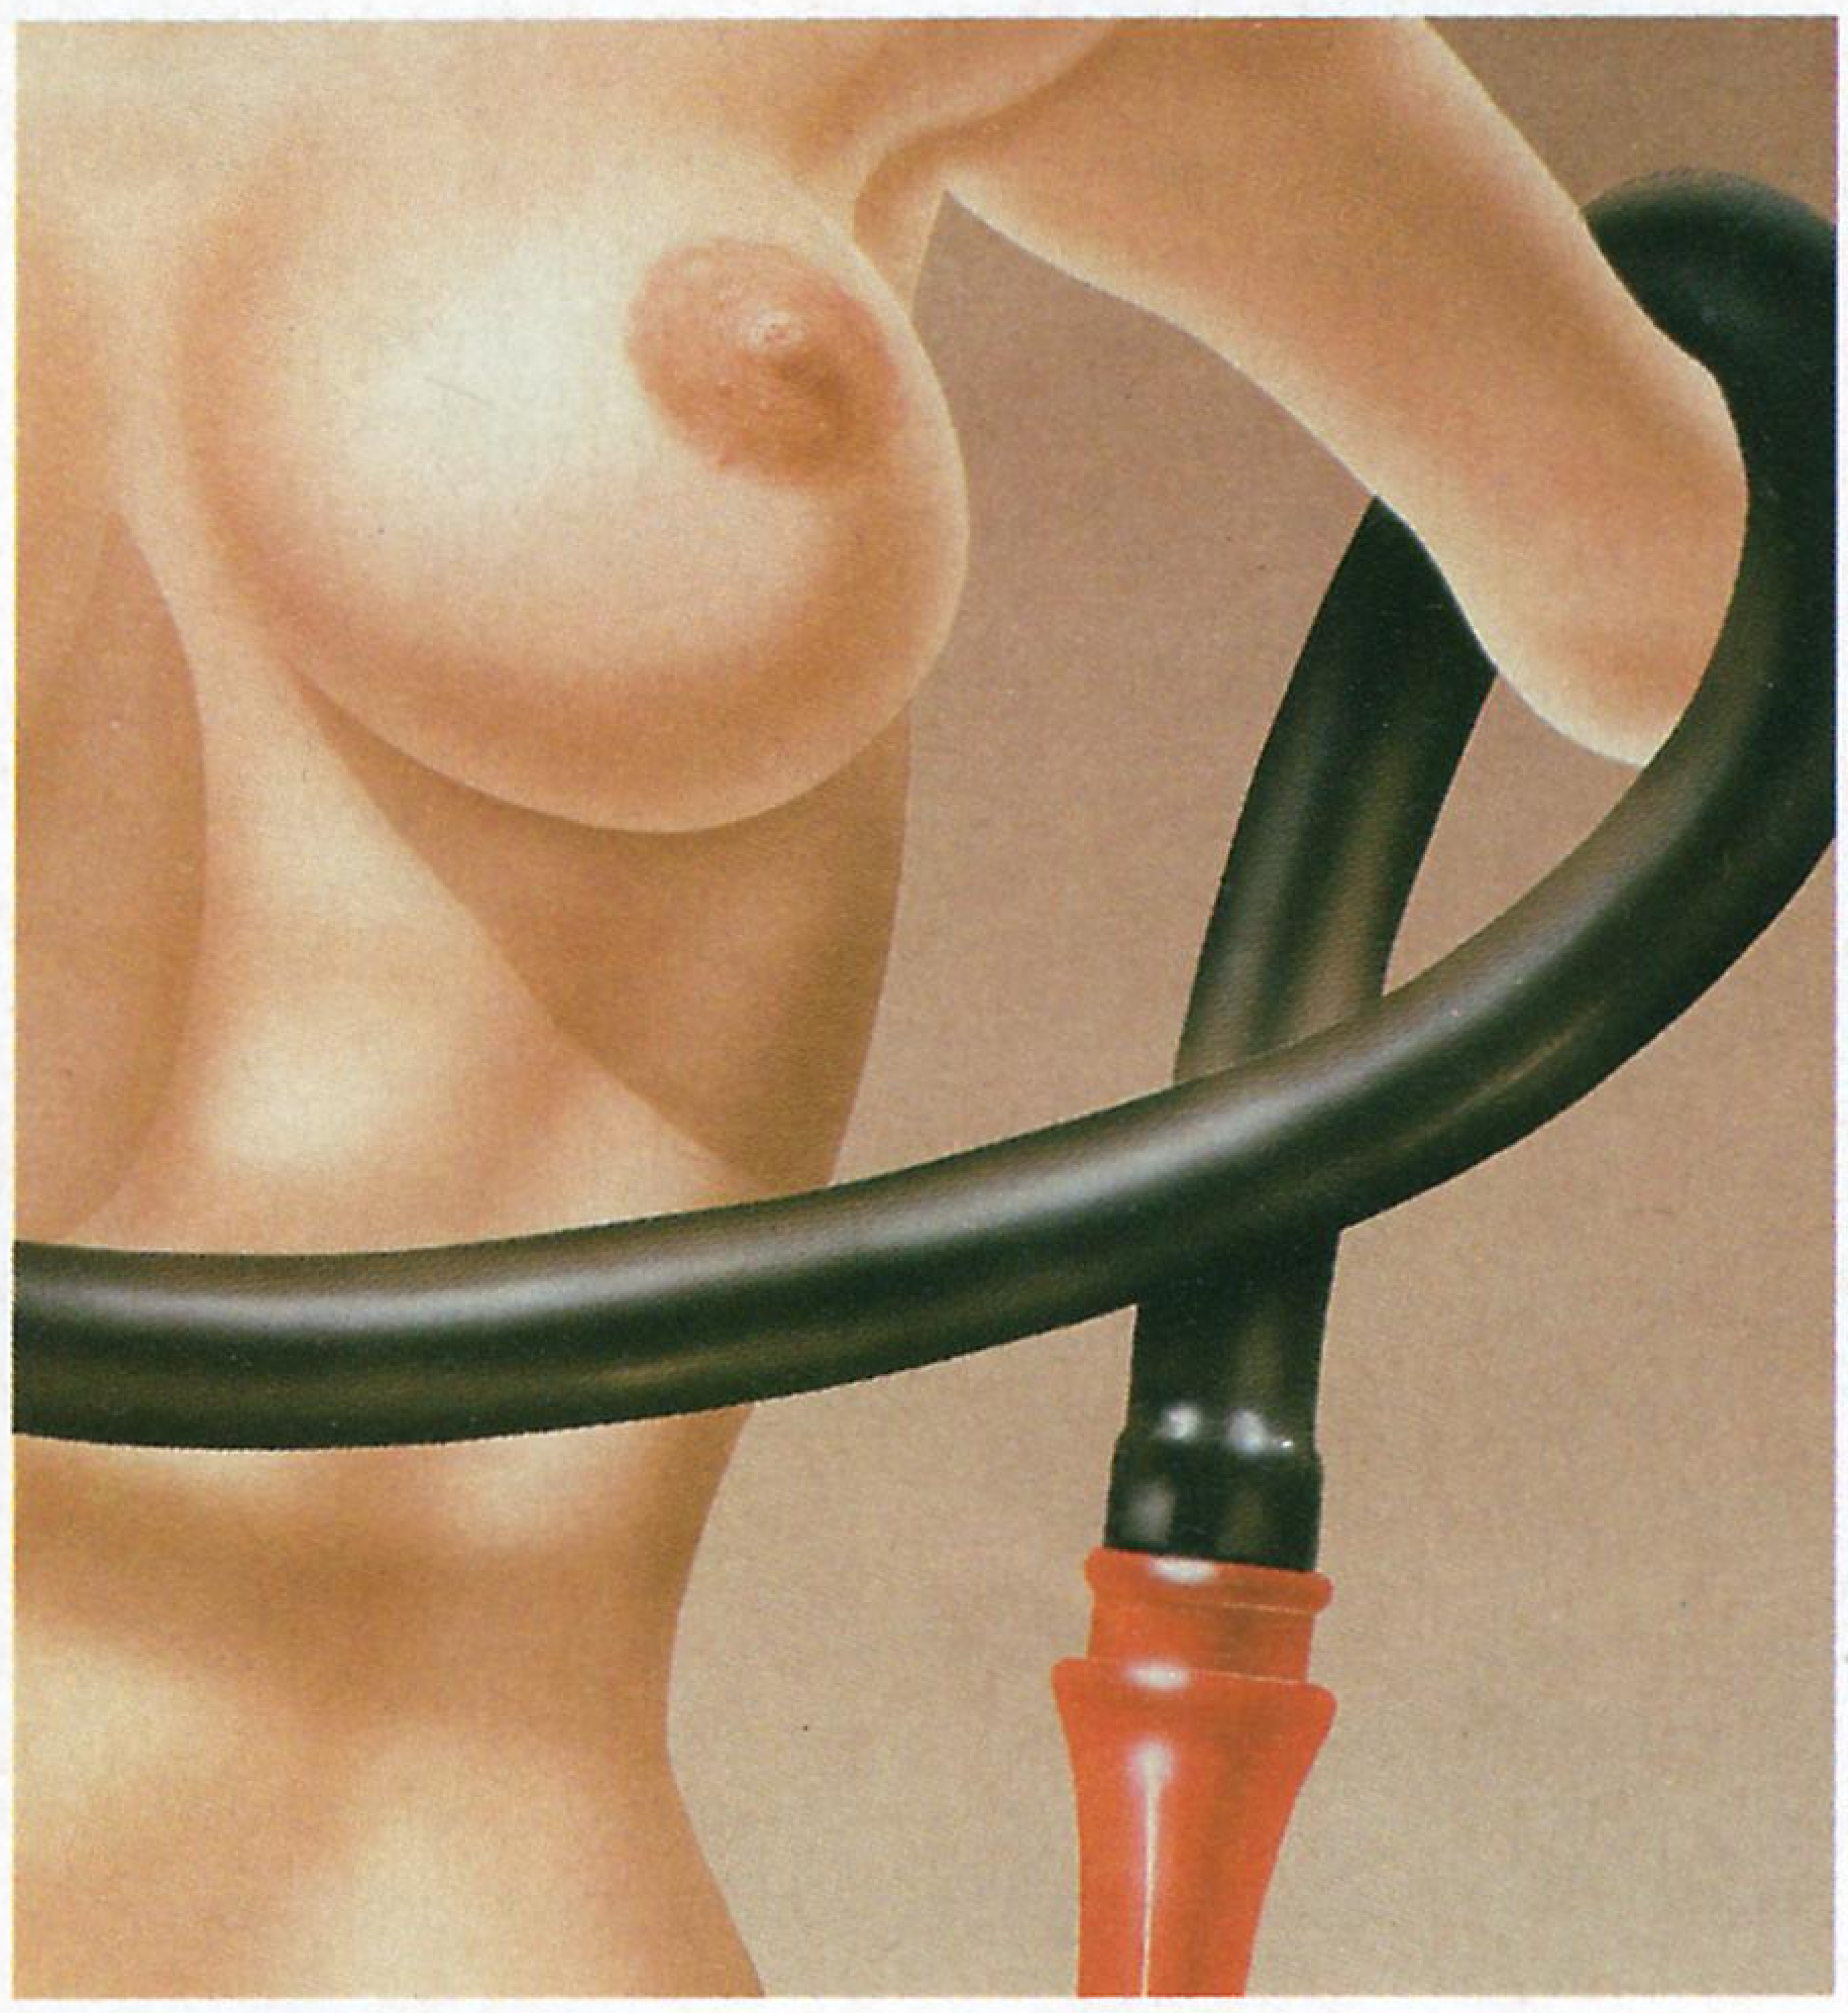
"Go on, son," Eddie told Roy. "Don't be shy. Go out and shag 'em senseless."

Before the rookie could say another word, Mohawk had him in the centre of the meeting hall's floor and was squatting at his feet, pulling down his flies.

"Ooooh! Look at that prick!" she groaned, taking out his hard-on and beginning to flick her tongue just under its fleshy head. "You got balls like coconuts, big boy! You gonna gimme some sweet spunk!?"

The rookie's prick stuck out like living salami, throbbing and purple. Veins criss-crossed the cock's shaft, pulsing under the skin. Roy could hear the applause and wolf whistles from the darkened periphery of the huge meeting hall, but all he could think about was the way his cock looked as it slid in and out of the black hooker's greedily sucking mouth as he got the best head of his life.

Beside him, the other two rookies were hard at work double-dicking the dusky pro while she squatted between them on all fours. Holding her hard, muscular bum, the rookie named Phil doggy-fucked her, his arse working like a camshaft as he sent his gleaming piston rod in and out of her wide-open gash.



The other rookie, Bob, was fucking her mouth with his cock while he squeezed and kneaded her cantaloupe tits and cradled her head in his hands to guide it over his thrusting phallus.

"That's the way," he moaned in ecstasy. "You're so fucking gooood!"

Both rookies had their heads thrown back and their eyes closed, grunting as they dicked the dusky slut fore and aft. Sweat ran down their bodies, pasting their hair to their foreheads.

Suddenly, Roy was on his back. He saw the cheeks of Mohawk's black behind descend over his face and felt the moist lips of her musky cunt envelope his mouth and nose.

"*Give it to meee!*" he heard her yell as she bucked and thrashed atop his face, then bent forward to suck his cum-brimming cock. "*Oooh yeah! All over my face!*"

Roy sucked the hooker's lube-gushing snatch, reaching up to fondle Mohawk's cork-nippled boobs and felt himself about to go off like Hiroshima.

"*Yeahhhhhhhhh!*" moaned the black whore as Roy came one hot, endless spurt that seemed to rip his brains out. Then the hooker clambered off his face and began masturbating him, rapidly rubbing her fist over his ejaculating pecker.

The rookie groaned as bolts of his sperm rocketed from his shuddering prick directly into the hooker's face while his bum muscles flexed and his toes curled up in crazy spasms. He could hear Bob and Phil groaning too as one shot a long, gooey string of spunk all over Betty Boop's tits and the other guy whipped his cock from her fanny to spit up gobs all over her upturned buns.

At the same time, he saw Shit-Stick Eddie sprinting toward him from out of the crowd.

"Fuckin' tremendous, Roy!" Eddie hollered at him. "You made my day." Then he whipped out a camera and Roy saw flashbulbs popping right in front of his eyes . . .

All Roy could remember about the rest of the weekend was Eddie throwing him into a car and driving him home. The next 48 hours were a complete blur. The next thing the rookie knew it was Monday morning and he was getting dressed to leave for the fire station to begin his first real week on the job.

"Hey, Roy," Eddie said cheerfully, welcoming the bleary-eyed rookie as he walked in the door with his usual good humour. "Nice to see you, son." Shit-Stick Eddie handed the rookie a hot, steaming mug of fresh, black coffee. "This'll open your eyes right up – nothing better for a hangover than a cup of Shit-Stick Eddie's famous coffee."

The rookie gulped the hot coffee down, feeling it warm his insides. Eddie was right; he did feel better. His eyes were open wide. For the first time in two days, he was able to focus his vision.

That's when Roy noticed something strange about Shit-Stick Eddie. It took him a moment to figure out what it was, but then he understood: for the first time Eddie was wearing a firefighter's uniform. The grubby bib overalls and frayed work shirt that he'd had on the week before were gone.

The hookers took turns using the dildo on each other until they had screaming climaxes . . .

"What happened, Eddie," Roy asked. "Get promoted?"

"Yes, you might say that," the veteran fireman returned. "I'm going out with the crew today. I'm really looking forward to it."

"Who's the Shit Stick?" Roy asked.

An unpleasant thought suddenly struck the rookie. Things came back in a flash. Like how Eddie had run up and taken his picture with the hooker on Friday night.

"*You* are, my son," answered Eddie. "Until next year's initiations, anyway. Then you find yourself a rookie to be a rabbi for."

Eddie took out a couple of colour snapshots. One showed Roy on the floor with the hooker holding his creaming prick. Another showed the rookie licking his own cum out of Mohawk's cunt as she perched atop his face, sucking on a dildo.

"You get the negatives back in 12 months," Eddie said, handing Roy the photos, "just like I got mine back last Friday."

He handed the former rookie a mop and pail. "First thing you do today is swab out the bogs. If you have any questions, I'll be up in the dorm." Eddie started to walk away then turned and said: "Oh, yes, and welcome to the department, pal."

The new fire station Shit Stick understood exactly what Eddie would be doing up in the dorm while he was swabbing out the loo.

Mohawk and Betty Boop had just sauntered out of the Chief's office. They waved to Roy as Eddie slung his arms around the shoulders of both hookers, leaving Roy with the Shit Stick. ♣

And jeans advert star Eddie lived out every man's fantasies when he was dragged upstairs and molested by three gorgeous girls at one of the parties, guests claim.

BRIGITTE NIELSEN

PHOTOS:
FABRIZIO FERRI

Frank Spooner Pictures

Open the book *Private Viewing* and you'll find fascinating images from some of the world's top photographers. But few have the impact of the shots we show here, by Italian Fabrizio Ferri: they portray Brigitte Nielsen – Mrs Sylvester Stallone – as every red-blooded man in the world wants to see her: completely nude.

In Ferri's shots Brigitte retains the cool and haughty look that has made men in their millions lust after her: it's the same attitude she has to the Press, who have told the story of her private life with front page splashes almost every week. If you believe what you read about Brigitte, she:

Dumped her husband and baby son in Denmark to pursue Stallone;

Bombarded Sly with letters and photographs until he agreed to a meeting, and later marriage;

Had an affair with director Tony Scott while working on *Beverly Hills Cop 2*;

Dumped Stallone to carry on a lesbian affair with her "personal assistant" Kelly Sangher.

The publicity that little lot caused has made her much more of a star than any of her films – *Red Sonja*, *Cobra* and *Beverly Hills Cop 2* – ever did. But it can't really explain her fascination – after all, she's not the first actress to have a stormy private life. Perhaps the real reason we all love Brigitte is in these pictures: that mysterious look in the eye, that haughty pose – and that stunning body.

Overleaf we show some more startling erotic views from *Private Viewing* (New Leaf Publishing, £12.95). The models shown may not be as famous as Ms Nielsen, but the shots are just as fascinating. We will let them speak for themselves. ♣

TAPED!

continued from page 23

staring eyes, baggy trousers and blistered palms, the sympathetic Nadia realizes our hero badly needs taking in hand by someone other than himself, so she gives him what he wants – and I don't mean a cold shower and a brisk rubdown with *The Sporting Life*. Do things like this happen in real life?

Imagine what it would be like to be irresistible to women. It wouldn't be a new experience to me, of course – my flat is always full to the brim with more crumpet than Lyons bakery – but it doesn't do a lot for the hero of **Foreplay**, the next of this month's titillating new tape releases. He's a chap named Melvin Purple, who is so sexually harassed by every female he meets that it's made him come over all queer!

Some years ago the Aussies made a film called *Alvin Purple*, which had a similar plot to this one, and it's no surprise to learn that this is its belated sequel, offering a junior Alvin who's just a chip off the old cock. Melvin has a tough childhood. He can't even go to a quiet screening of *Dracula Meets Gandhi* without getting his lolly grabbed by the usherette. Then he discovers the reason for his potent sexual attraction is that he's inherited it all from his long-lost dad. It turns out that a television company is making a film on Alvin and has managed to track down the former "Sexiest Man In The World" – who is now a burnt-out physical wreck in roughly the same condition as I am after watching each month's batch of the blues – to make a film about him and his erotic cult "The Purple People".

The plot carries on in slapstick fashion as Melvin is kidnapped by dad's army of sex slaves and forced to participate in wild sexual orgies the like of which haven't been seen since the last Club office party *(No comment – Ed)*. Will our hero end up joining his pooped pop in the knacker's yard? Or will he find some way of escape? And what's wrong with the knacker's yard, anyway? All these questions and more are answered in the film's fraught finale, where Melvin finally discovers true love just as his Brighton rock gives up the ghost. Poor lad.

Moving right along we come to **Prison Ship Star Slammer**, which is one of those movies that you just have to see to disbelieve. It's the story of a butch blonde called Taura who makes the mistake of crossing an inter-galactic tax inspector and gets sentenced to seven years aboard the "Star Slammer" – a women's prison in space run by big-boobed Marya Gant. Of course, once aboard, our feisty heroine runs the gamut of exploitation clichés, getting worked over by her fellow prisoners and touched up by the horny lesbian warden until she can take no more and organizes a mass breakout.

This is far from serious entertainment: there's every reason to suspect that director Fred Olen Ray intends it to be one big piss-take on low-budget space adventures and women's prison pics. Certainly he uses every opportunity to have his cast strip off and exhibit their ample superstructures, and as most of the girls look like Club centrefolds this isn't at all hard to take. To find out how to win a copy turn to page 17, and may the farce be with you.

Finally, **Sexual Desires** is the tale Spanish naughty, which tells the tale of two young nymphs who arrive at a nice country house somewhere on the Costa Packet to visit their newly-married Uncle Antonio, who is having sexual problems with his wife Isabel – mainly because she would rather sink a bottle of Scotch than go for a roll in the hay. But the girls know how to fix that. They take their clothes off and climb all over the more than willing Antonio, just to cheer him up, then they perform roughly the same sort of operation on the frigid Isabel. This does the trick immediately. I do *so* like a happy ending.

Women's Writes

Where the girls get down to business

THREE FOR ALL

My boyfriend and I have always enjoyed reading sex mags together, and recently this has helped spice up our sex life no end! We'd been getting into a bit of a rut – the once-a-week-in-bed-with-him-on-top syndrome. But the other week, Jim came home from the pub earlier than I'd expected, and then things got *really* interesting.

He came up to our bedroom to find me lying prone on the bed, my clothes in a heap on the floor, panties round my ankles, pumping my pussy madly with one hand as I flicked the pages of one of Jim's porno mags with the other.

I had no idea that Jim had opened the door and was staring at me as I masturbated. I think I would have died of embarrassment if I'd known, as I was thrashing about wildly and my juices were making loud slurping noises as I shoved my fingers in and out. At last I moaned my climax and flopped back on the bed, exhausted.

Jim came into the room then and the penny dropped. I realized from the obvious erection under his jeans that he'd seen my little display: I cringed with shame, but Jim quickly admitted he'd been really excited at the sight of my abandoned wanking. We then ended up having the most uninhibited fuck we'd had for months!

As we recovered later on, Jim asked me why I'd been looking at pictures of women while I was wanking. It was then I had to admit that I fancy women, too: and I confessed to a couple of lesbian affairs I'd had last year. I was really dreading Jim's reaction to this news – I reckoned he'd find the idea of me in bed with another woman quite repulsive.

But it was actually quite the opposite. He found the idea a huge turn-on, and made me promise that the next time I saw my current girlfriend Sandra, he'd be invited, too.

Needless to say, Sandra came over the following week and Jim took great delight in watching as we fondled each other's boobs, licked each other's cunts and sucked our hard nipples. And when we ultimately brought each other off with hands and tongues, Jim was enjoying the scene so much, he whipped out his prick and wanked himself off as he stood over us, covering us both in his hot jizz. We both loved that.

Since then, we've had some pretty raunchy threesomes. Sandra enjoys them, too – and has even let herself go so far as to fuck Jim while I watch and masturbate. It's certainly brought our sex life out of its rut; now neither of us can get enough, and anything goes as far as fucking is concerned. I've definitely realized that variety is the spice of life! – *Marianne, Brecon*

RURAL RUMPING

Around here, there aren't too many eligible men about. By eligible, I mean young, attractive and with the nous to show a lady a good time. Most of them think that all they have to do is take you to the local for a pint and a ploughman's, and you'll drop your knickers for them in a trice.

But I'm not like that. For as long as I can remember, I've been looking for something better. And I bumped into him, literally, in the town centre.

I was trying to back my Metro into a particularly troublesome parking space, when I felt a grinding bump. I'd nudged the car behind, and I hurriedly got out to inspect the damage. At the same time, the other driver got out too, and I had the shock of my life. He was the most gorgeous specimen of manhood I'd seen in years.

His tight jeans moulded his long legs like a second skin, and a quick glance at his crotch assured me he must be very well hung. He ran a hand through his thick blond hair as his eyes ran the length of my body.

I could hardly keep from trembling as he gave me a good once over, as if he wanted to strip me off right there in the market place! Looking at him, I wished he would, and I could feel the dampness form in my panties.

There wasn't much damage – just a couple of dents in my back bumper – so with a cheeky wink, he got back into his Triumph Stag and drove off.

After finishing the shopping, I started off for home. As I drew up at the traffic lights in the town centre, I glanced at the car in the next lane – and did a classic double take. It was the Stag, with its driver grinning cheekily at me and blatantly giving me the eye. As the lights turned green, I pulled away first, my cunt tingling from the searing eye contact.

Halfway home, I glanced at the mirror to find the Stag faithfully tailing me. My knickers were getting more and more damp, as I thought about why I was being followed. Thinking of his lazy, sexy smile made my pussy melt, and I slipped a sly hand inside my panties to tickle my clit as I drove.

Outside my house, the Stag pulled up just behind me and we both stood staring at each other in the driveway. Lord knows what the neighbours must have thought. I turned and opened the back door, and he followed me in, and stood smiling just inside the kitchen.

"Hi," I smiled amusedly. "Are you following me, by any chance?"

"Of course," he grinned. "Did you think I'd pass up an opportunity like this?"

Before I could reply, he walked towards me and grabbed me. I could feel a large hard-on throbbing inside his jeans, and I ground my pussy against it. God, I was hot for sex! At the same time, he bent down and thrust his tongue deep into my mouth.

By now my nipples were straining against my bra. He reached down and unbuttoned my shirt, pushing it off my shoulders to get better access to my swollen teats. He pulled the lacy cups from my boobs and began to lick and suck my nipples. I

almost screamed with delight as he pulled them with his wet tongue, and a great wave of heat rushed through my body, flooding my pussy.

I undid his shirt and pulled it off, frantically scrabbling at his back with my nails as his tongue flicked my stomach. He unzipped my skirt and pushed it down to reveal my stockings and suspenders – and my sodden panties.

I stepped out of my clothes and bent down to unzip his jeans. As I drew down the zip, an enormous, banana-curved prick popped out: I'd never seen an erection that big. It stretched right up to his navel! I could hardly take my eyes off it, and couldn't wait to feel it inside my cunt.

"Bloody hell, you're big," I murmured, as I took the engorged tool, already shiny with pre-cum, into my mouth. My lipstick left smudged red traces as I ran my tongue down the whole shaft, then took the entire length deep into my mouth.

I sucked harder and harder as his pelvis started thrusting at me, and soon I felt a hot, thick spurt of jizz shoot to the back of my throat. I leaned my head back, savouring the salty taste, and looked him straight in the eye as I swallowed every drop of his cum.

Without speaking, he pulled me up from my kneeling position on the tiles and backed me towards our pine kitchen table. I levered my hips on to the edge, and leaned back on my elbows as he bent down and worked his tongue towards my glistening pussy.

No man had given me head for years; my husband has always found it a bit tasteless. I could hardly keep from trembling as his hard tongue worked its way through my pubes to suck and tease my clit. His face was soon smeared with my juices as he lapped furiously at my fanny.

I gripped the table edge as I felt my orgasm rising. Suddenly, he thrust his tongue right up into my hole and that was enough to send me over the top. I threw my head back and shrieked as I flooded his face with my love juice.

I hadn't had an orgasm like that in years and my blond stranger knew it. He drew himself up and nudged his way between my thighs. He was sporting a massive erection, and I reached out and grasped it, feeling it pulsating in my palm.

"Wait," he said, "before I give you the fuck of your life, we'll have some fun first." And he was as good as his word. For a full half hour we played with each other – nibbling, licking, sucking. And all the time he managed to maintain his huge hard-on. I couldn't believe my luck.

Eventually, I knew I couldn't wait any longer. I could feel my second orgasm bubbling up. I grabbed his cock none too gently and put it at the entrance to my hole.

"Fuck me *now*!" I begged. With one powerful thrust, he filled my tunnel and moved strongly back and forth, my juices making his cock slip in and out easily. As he pumped faster, I panted that I was about to come, and as I felt his steaming spunk erupt inside me, the most marvellous climax of my life ripped through my body.

Once we'd recovered, he smiled lazily at me.

"By the way, my name's Robert," he said. "It's a pleasure to meet you."

"The pleasure's all mine," was all I could manage in reply.

And since then, it has been! Robert visits my home on a regular basis – and my husband is beginning to wonder why I'm always scrubbing our kitchen table when he comes home from work! – *Janice, Lincs*

ON THE CREASE

I play cricket for my local pub team most Sundays in summer: you might say that's not so unusual – but my local has a women's team as well as a men's!

The blokes have a pretty dismal record – on the last game of last season they made 46 all out, in reply to the visiting team's 192 for four. The fact is, they're crap – but to be honest, us girls aren't all that good, either. Half the side don't even understand how to score. But we have a good time. We reckon that's the only point of giving up your hard-earned weekend to make a fool of yourself on the green.

Since both our pub's sides get beaten nearly every time they play, someone was always going to think up the idea of a men v women grudge match. It was the only way the pub was going to get a win, after all. So one Sunday both teams trooped out in their whites: we went in to bat, and I'm one of our openers (which a lot of the guys say is pretty appropriate: I'm known as a bit of a flirt!).

I didn't have much trouble with their bowler, who gave me three wides in the first over, but their wicket keeper was a different kettle of fish. Every time a delivery was coming he'd make cracks about his view. They were all filthy, crappy puns about stumps and maidens and so on, and I'd have thought "What a moron" if it wasn't for the fact this guy, Ian, was the hunkiest in the whole pub! He knew I fancied him, and he was just trying to put me off my stroke by flirting with me.

Well, he did it: even with their terrible bowler, I was out for seven. I turned to him, looking furious, and said: "That was a bit underhand, wasn't it?" He just winked, and said: "I'll see you later."

I sat in the pavilion dressing room feeling pretty down. I'd let the other girls down, and I knew Ian didn't mean what he said. I swore quietly to myself (I don't really believe in women swearing) and started to tug at my pads. I didn't notice Ian had come in until he coughed. I looked up and he was standing right in front of me, fiddling with his flies.

I didn't know what to say. All I could get out was:

"Shouldn't you be out on the pitch?"

"I told them I pulled a muscle," he grinned. "I lied . . . but you wouldn't fancy pulling a muscle for me, would you?"

With that he reached into his whites and pulled out his bat! It wasn't that long, but it was thick and stiff and throbbing. I couldn't believe he was doing this – I may be a flirt, but I don't usually come across the moment I'm asked!

"What if someone comes?" I gasped.

"That's the whole idea," he said. "Now take your skirt off and turn around. Don't worry about the pads – I've always liked the look of them on you women cricketers."

What a perv – and what a nerve! But as he stood there grinning I knew I couldn't say no. He was so handsome, and his meaty cock waving around in front of my face had got my juices flowing already. So, I slowly stood up, pulled off my top, then unzipped my skirt and pulled it over my head. He took hold of his knob and wanked slowly while he watched me.

"What about my knickers?" I asked timidly.

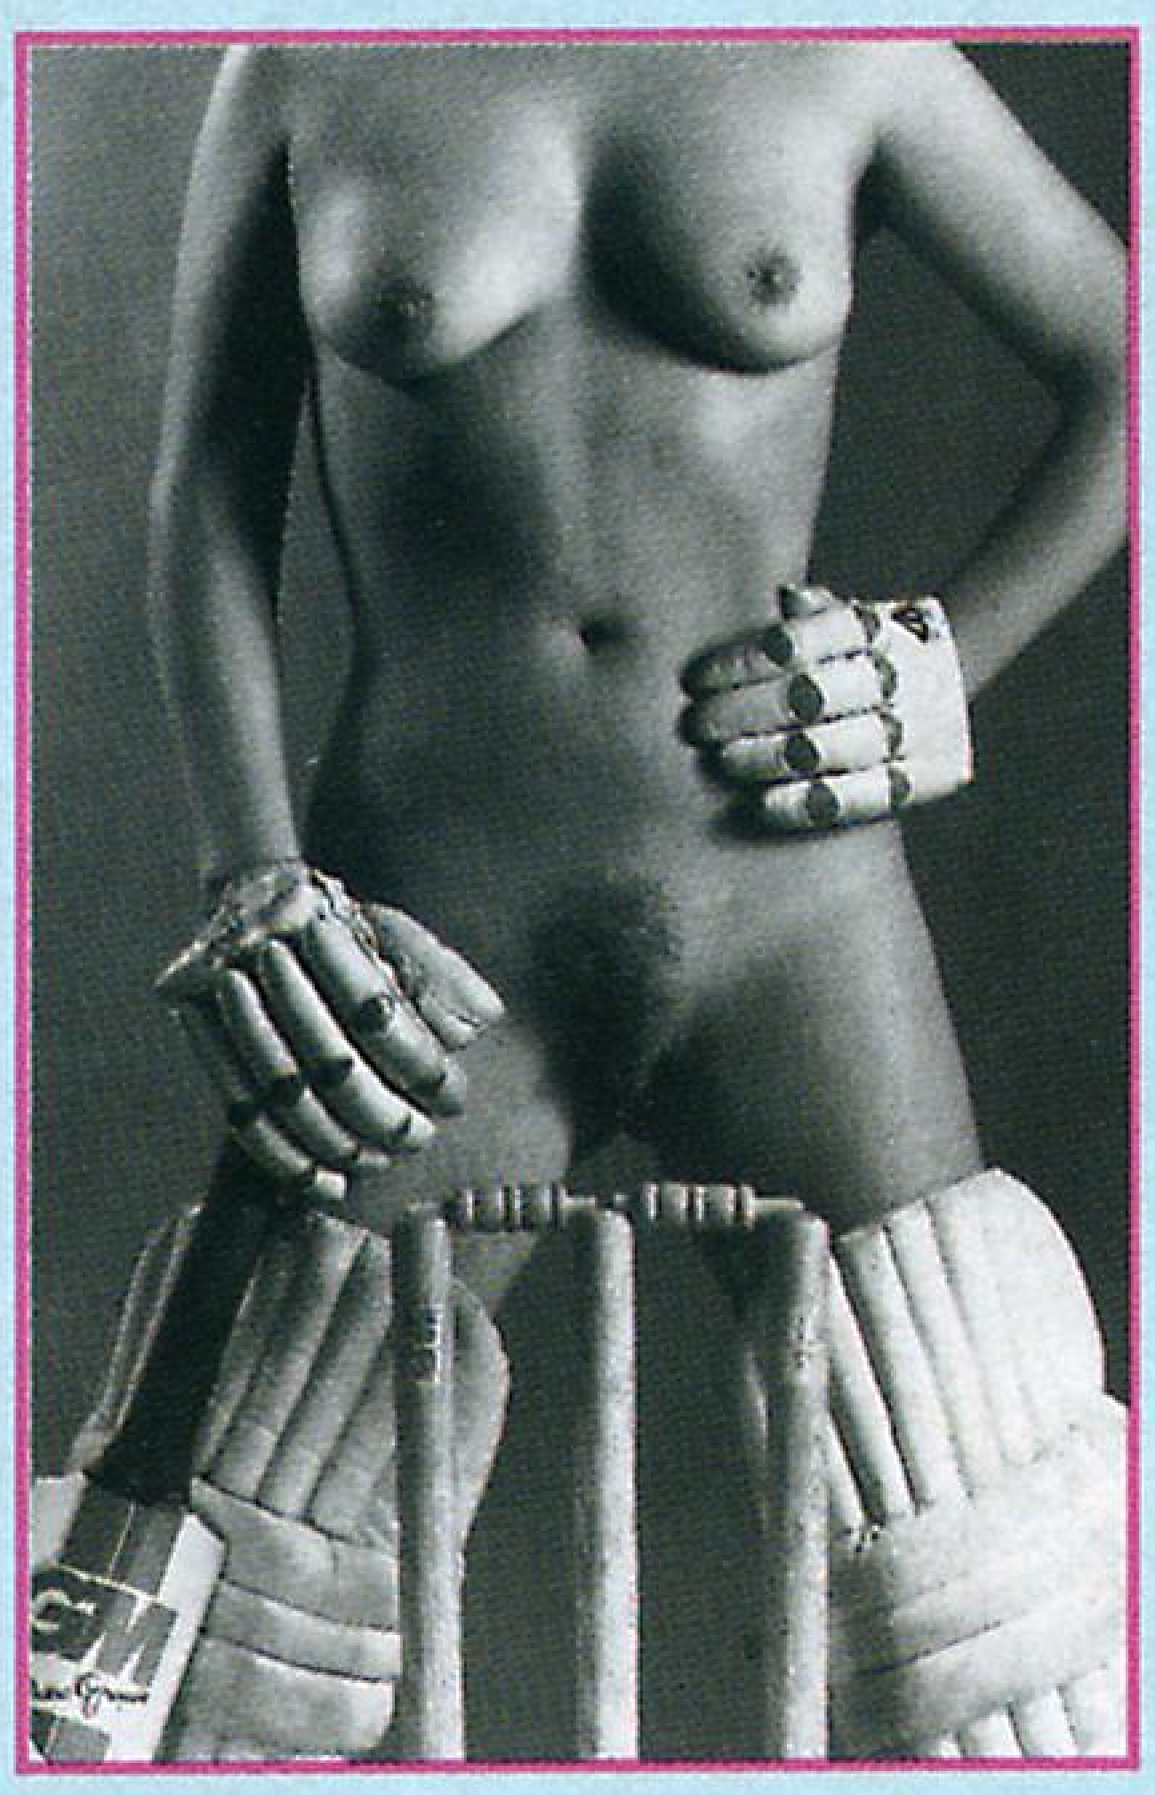
He didn't speak – he just grabbed them and tore them off me. Then he turned me round to face the wall, grabbed my bum cheek with one hand and used the other to position his steaming prick at the entrance to my hole.

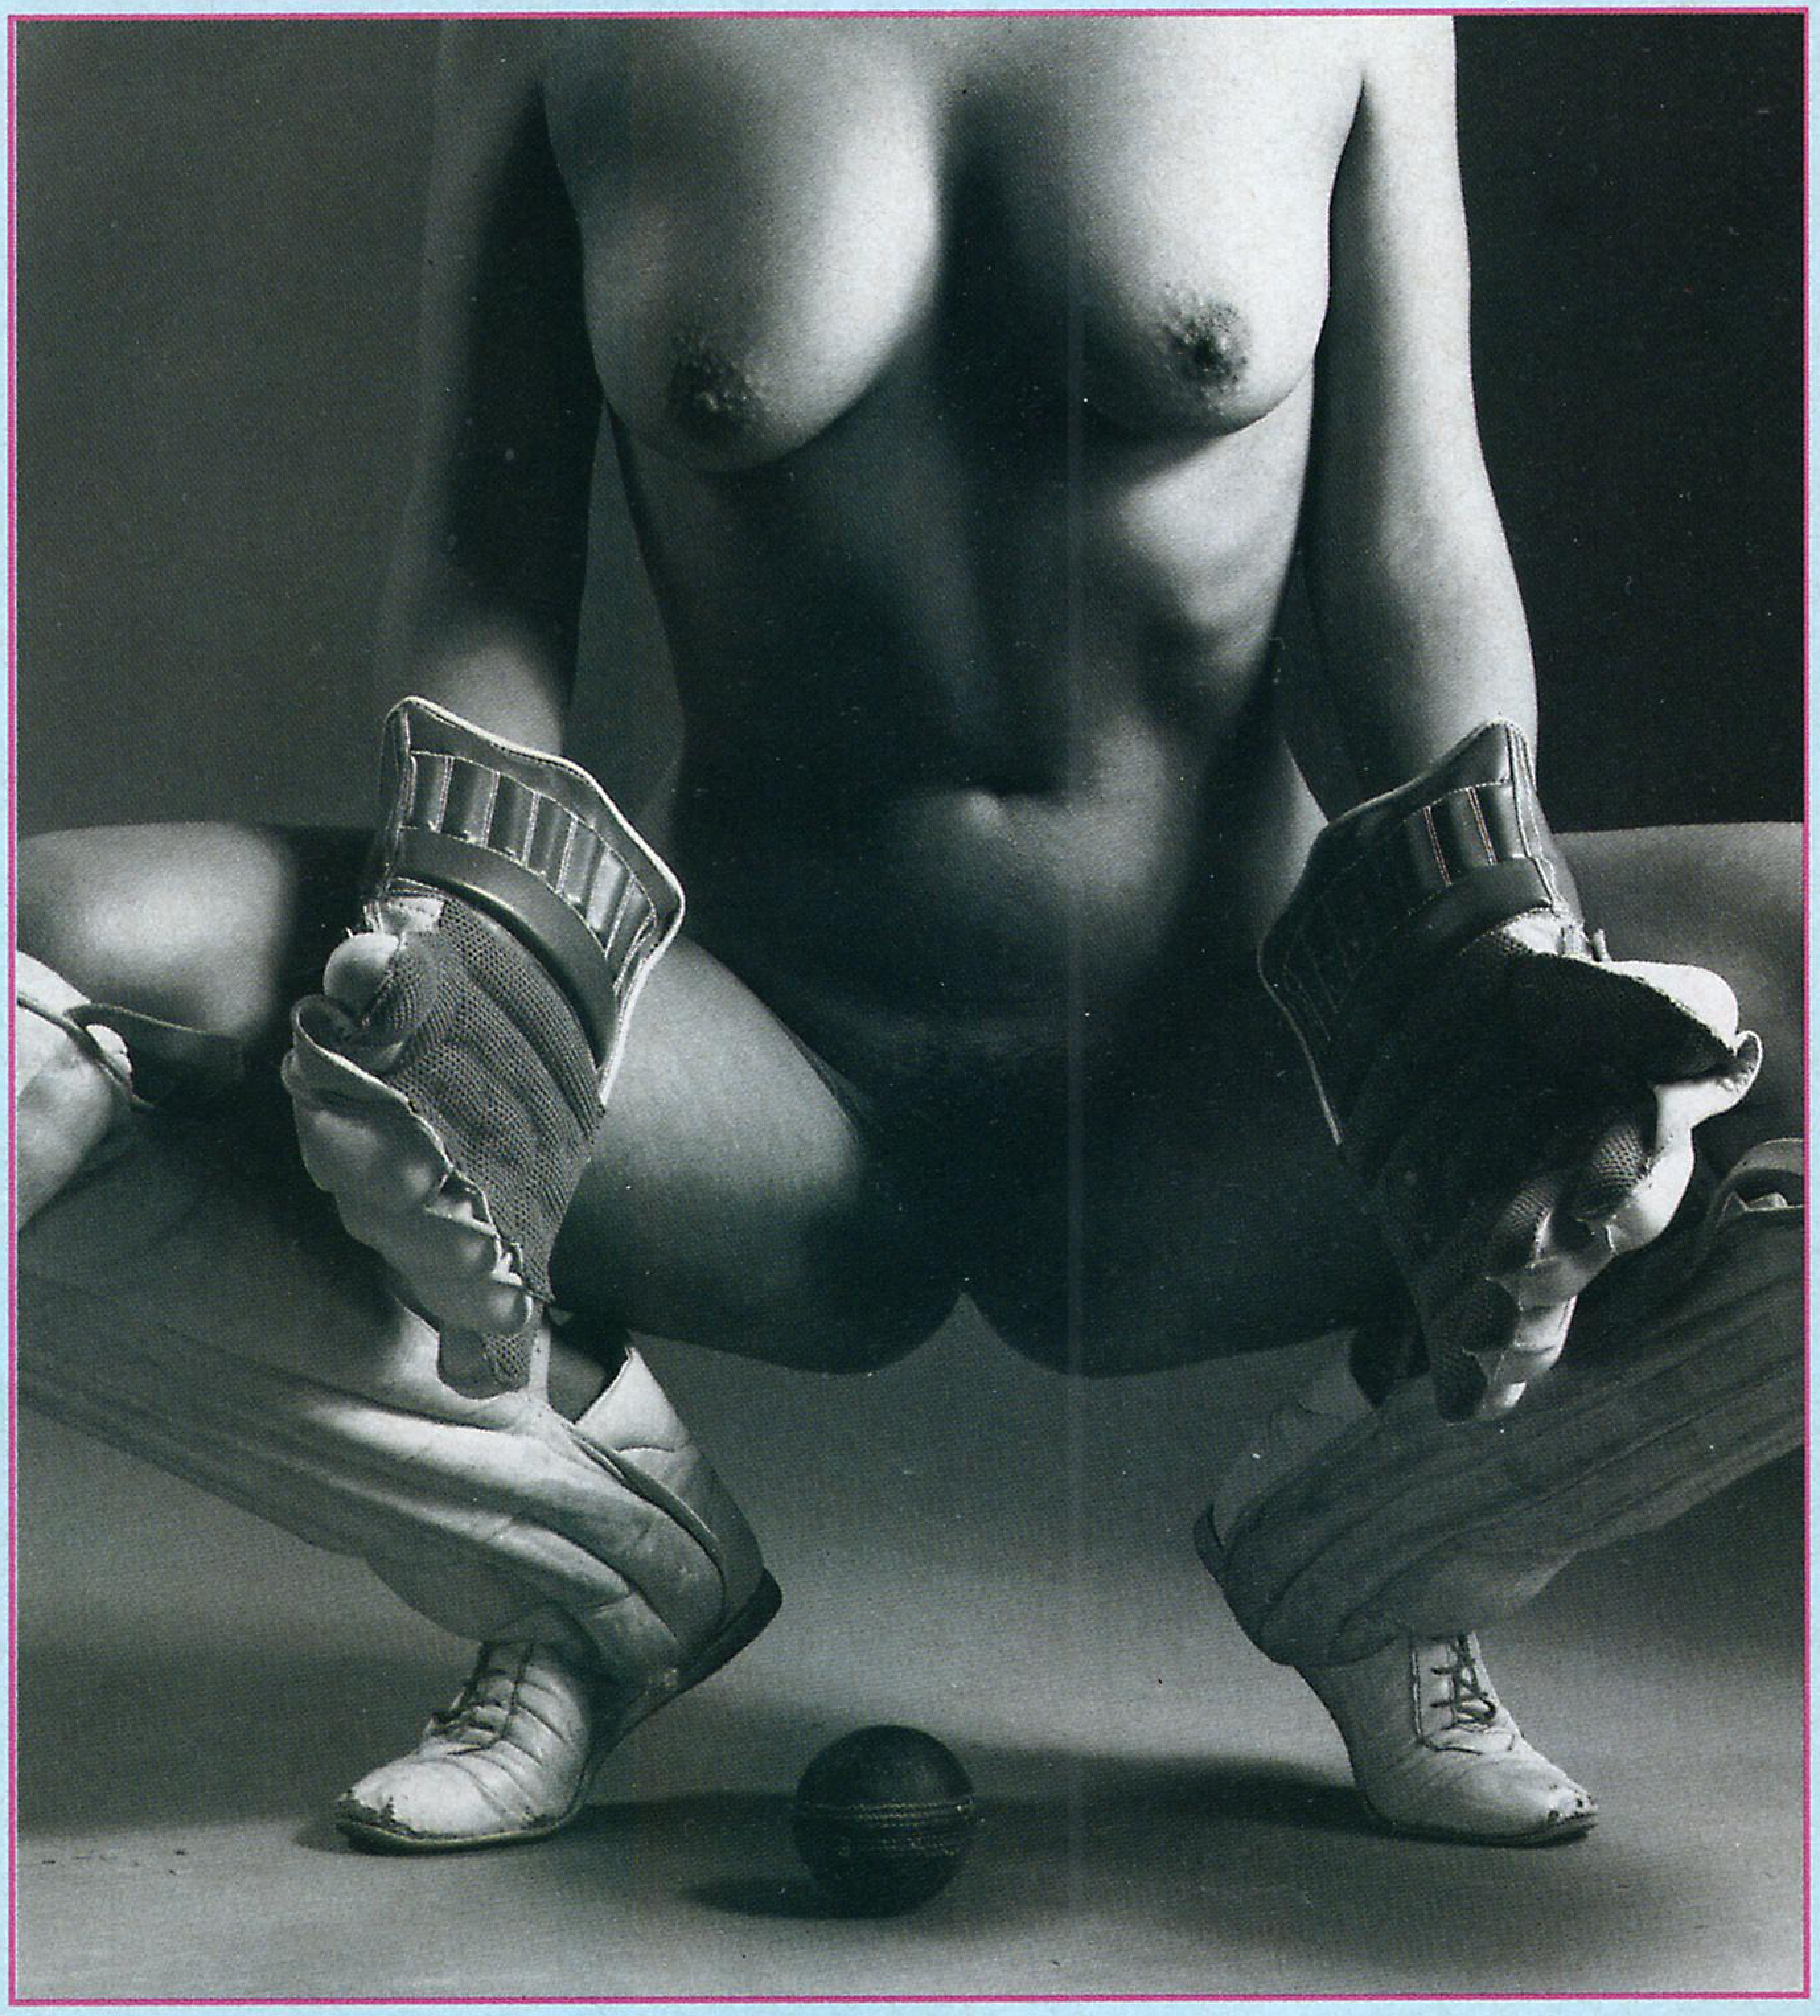
But he didn't push it straight in. He rubbed it slowly over my lips, ran it up and down my wet slit. It felt incredible! I started to moan, and felt all my usual inhibitions about sex melting away. My hands went to my tits: I rubbed them and pulled at the nipples, tweaking them up towards my mouth for a good suck. My thighs were starting to tremble and I knew I had an orgasm approaching.

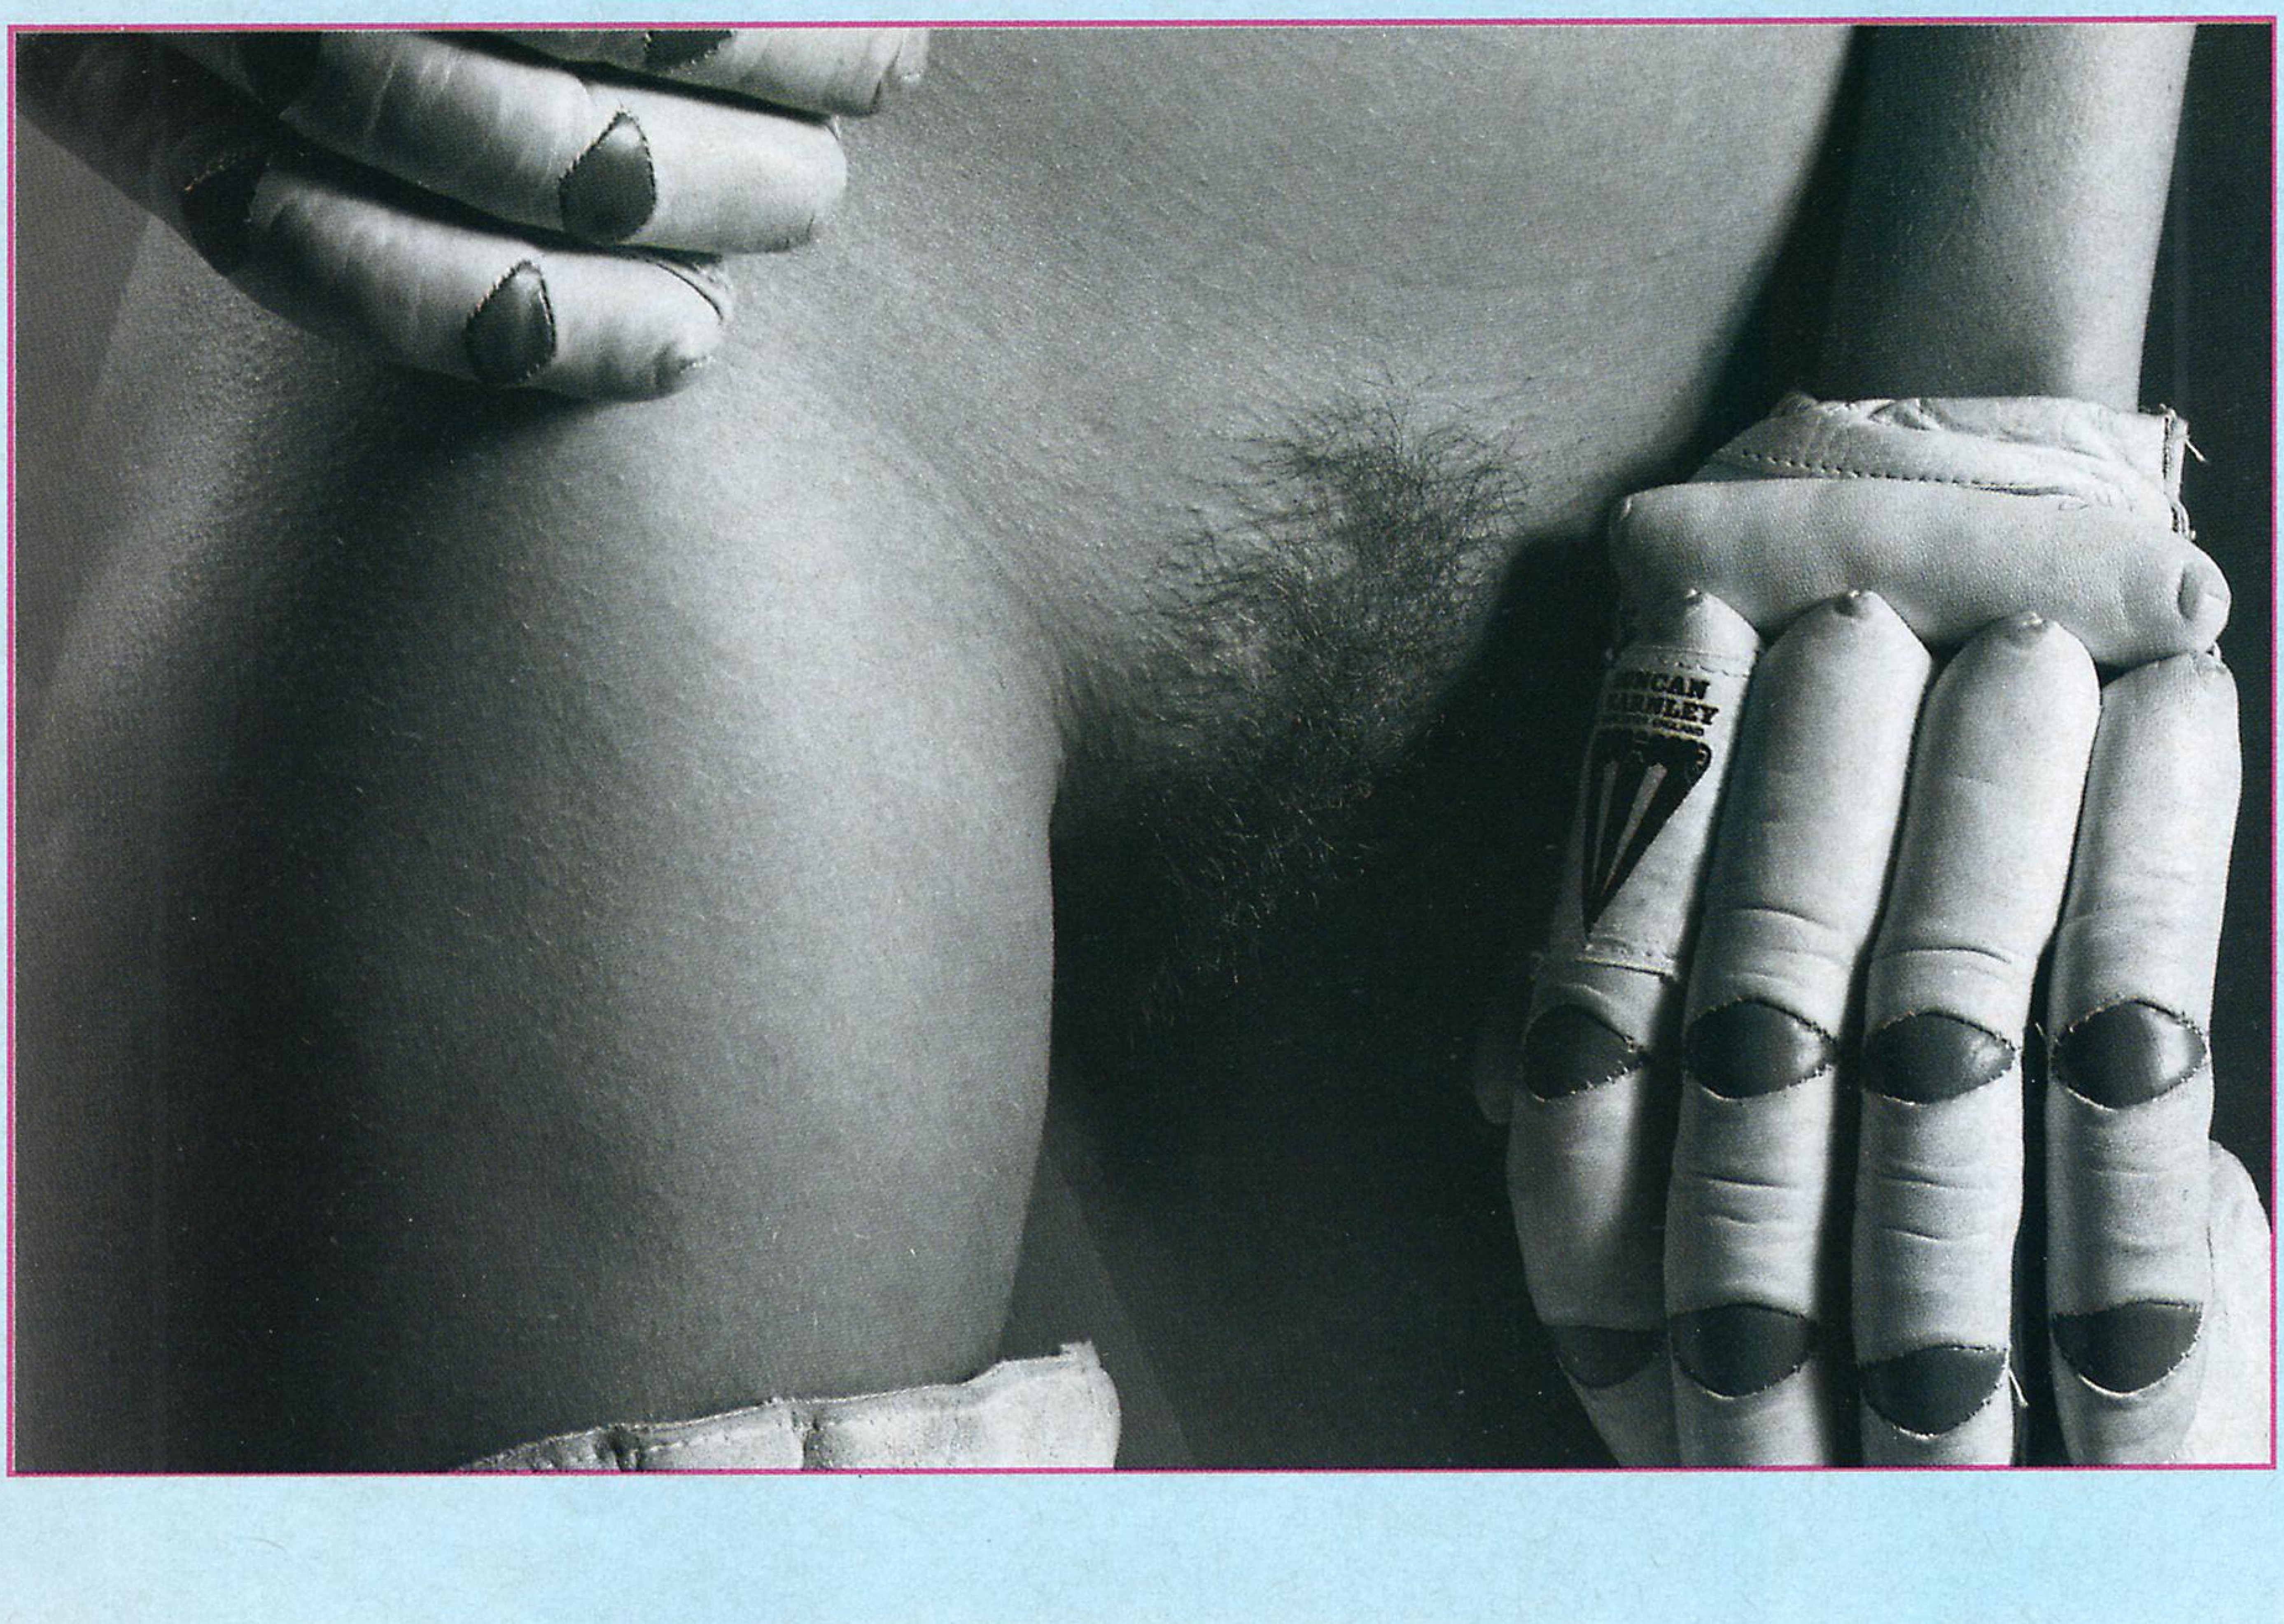
"Please fuck me now, Ian," I begged. "I've got to have your cock inside me when I come!"

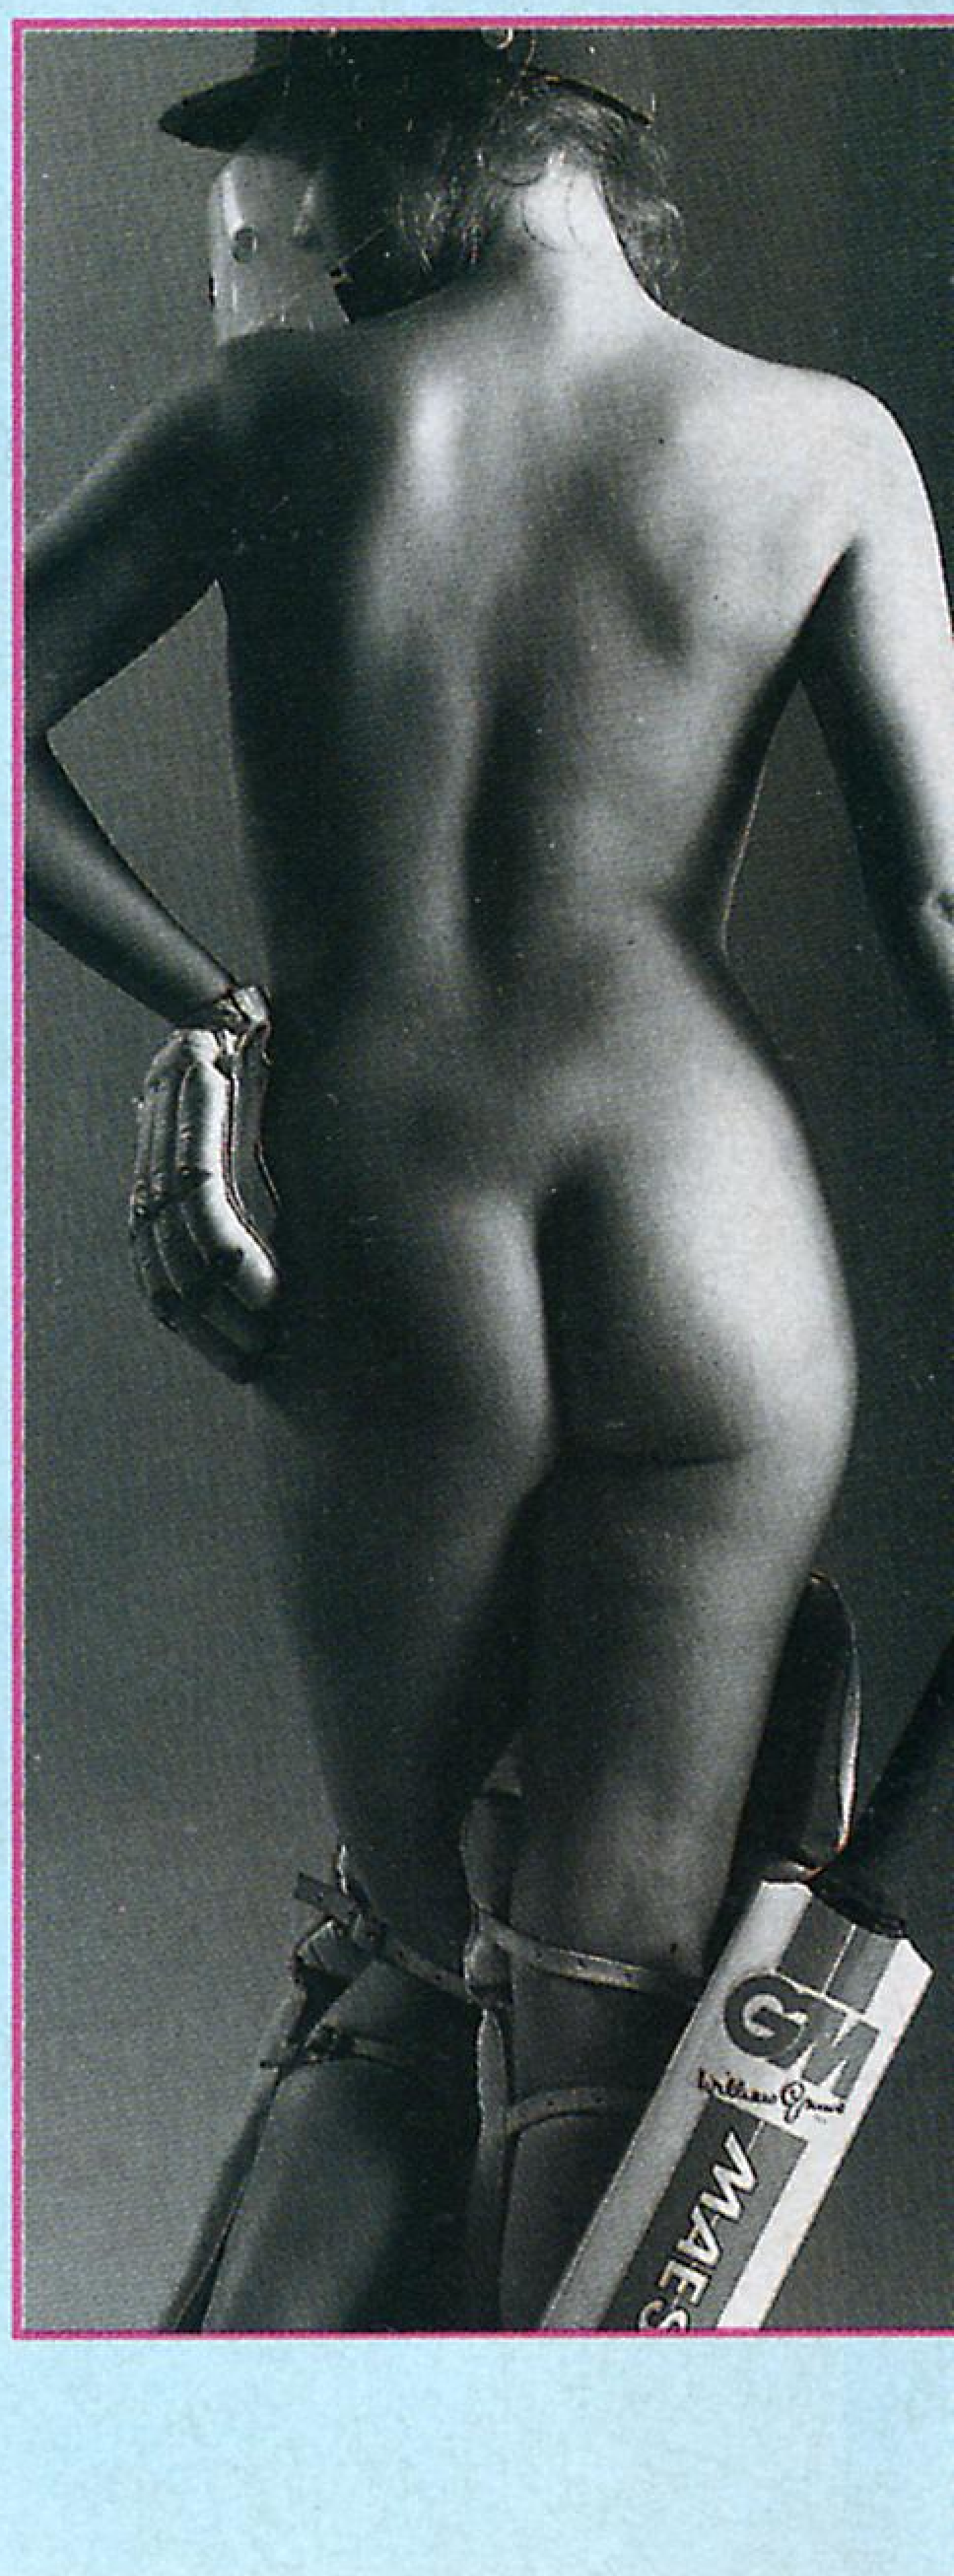
But he just went on rubbing his cock over my slit! He wouldn't fuck me, even though he could tell I needed it so badly. My juices were starting to spill out of my fanny and trickle down my thighs; I was so hot I couldn't bear it! I wiggled my bum backwards and forwards, trying to impale myself on his cock, but Ian wasn't having that: he just stood back and watched as I went over the edge, trembling with a massive orgasm! Since I couldn't have his cock I couldn't stop my hand going between my legs, and I pumped my fingers into my fanny furiously as the contractions went on and on and on . . .

When it finally subsided, I slumped against the bench and looked round to see what that bastard Ian was up to. But rather than standing there grinning at me, which I thought would be just like him, he had his eyes half-closed and a look of ecstasy on his face as he pumped his cock for all he was worth. It seemed to be even stiffer now than before, full enough to burst, and I knew it wouldn't be long before he came his load. This might be my last chance to get some of that cock! I went over and kneeled on my pads in front of him, putting my mouth just an inch from his cock, and looked up with that









innocent expression which I know all guys love.

"Why wouldn't you fuck me?" I asked sweetly.

"Sorry . . . I'm just a bit of a voyeur, I suppose," said Ian, turning a bit red.

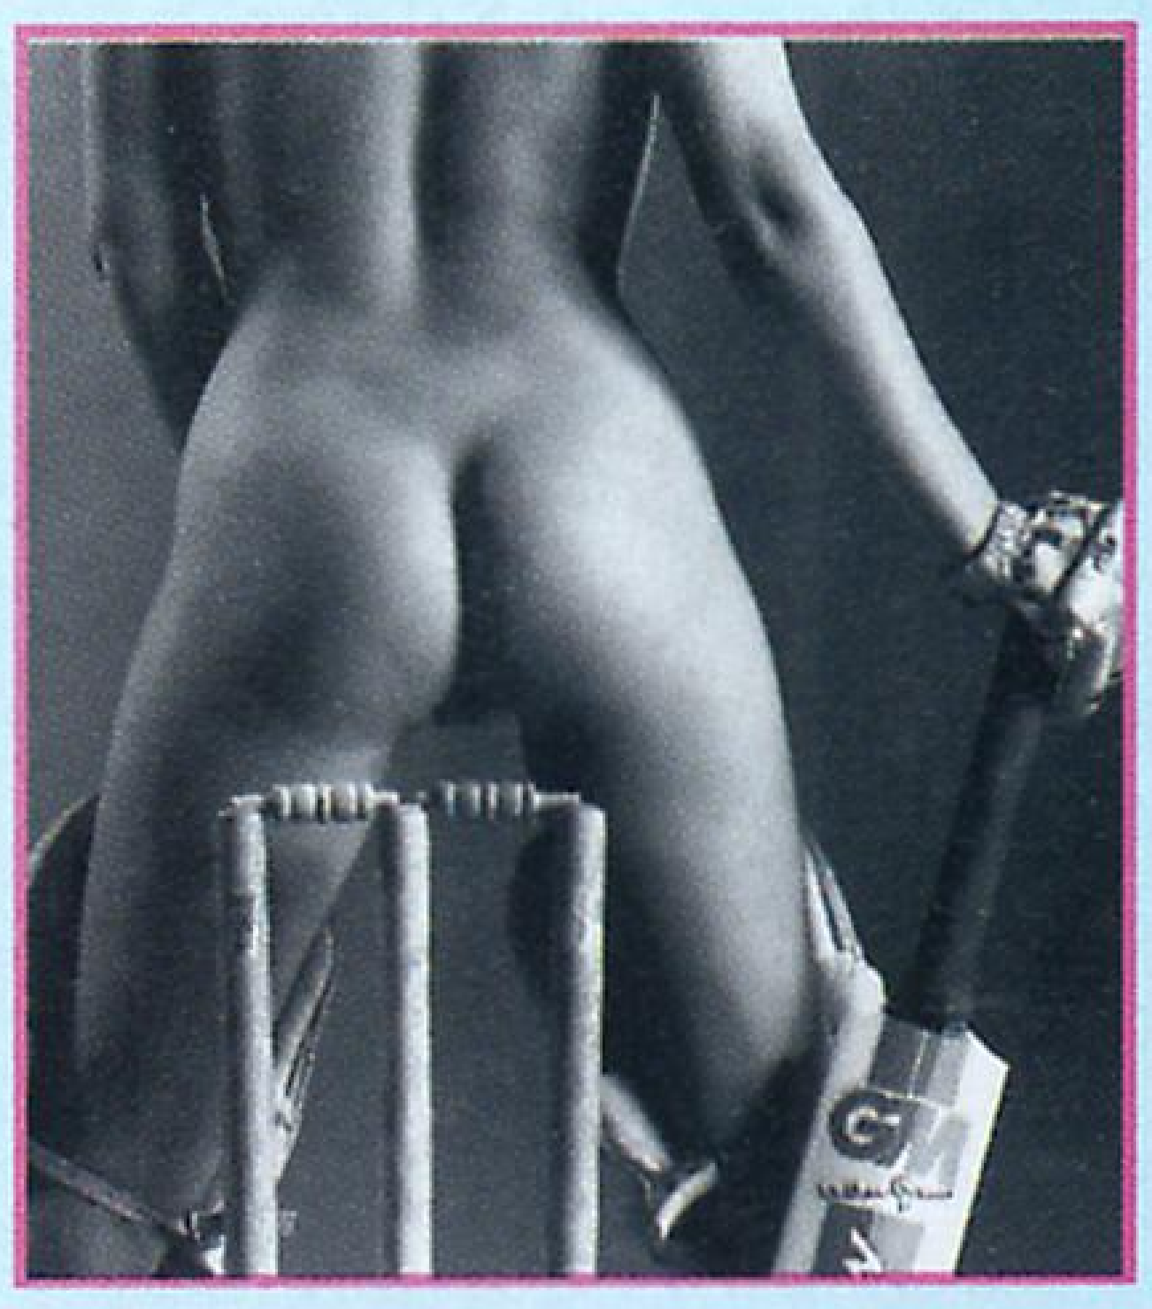
"Well, I think I could show you how nice it is to really get involved," I replied, and with that I slowly started to gobble his rod. Inch by inch I took it further into my mouth, until I was deep-throating him superbly, though I say it myself. But I wouldn't let him come. Every time I felt him getting close I eased off, making him almost cry with frustration.

"Come on . . . please let me come," he moaned. So who was begging now?

"You can come, all right – but only if you make me come with you!" I replied. I lay back on the floor of the changing room and raised my still-padded legs in the air. This time Ian couldn't say no: he was on me like a shot; and in one hard thrust, his thick cock was bulging the walls of my cunt.

That was all it took for him – and for me. Ian was really laying into me, and after the tenth thrust I came twice as strongly as I had before: perhaps it was the feeling of Ian's come shooting into me! After all that teasing, he gushed out buckets of spunk. He was moaning, saying things like "That feels so good" and "You're so tight" . . . but I was happy just to lie quietly and feel his huge rod throb deep inside me as both our orgasms died away.

It turned out that, although Ian was so handsome and cocky, he'd only slept with two girls before – and he hadn't enjoyed either one much. That's why he became a voyeur. I was the first girl he'd ever really enjoyed sex with – and I thought he was so experienced! But now he's found out how good sex can be, there's no stopping him – and he wants to shag me at least four times a day. Fine by me! – *Rachel, Teesside*



On the job

Workers' playtime with a bang

In my profession, you have to be prepared for the unexpected – to take on anything at short notice and learn fast! I'm an actress, so I can't pick and choose my work. Over the last winter season, I was offered a part in the chorus of an ice pantomime – so long as I could master the basics of skating in two weeks!

I'm always eager for a challenge, so my agent fixed me up with one of the best-known skating coaches in the country. He was to teach me everything he could in double-quick time, so I could hope to shine in the pantomime chorus and perhaps make my big break.

But I was terrified about my skating lessons. I was afraid I'd make a fool of myself, wobbling on the thin blades and falling flat on my face. And I'd heard that my teacher, an ex-national champion of Yugoslavia called Petar, was a bit of a slavedriver. I wasn't looking forward to working with him much.

Until I saw him, that is. My first sight of Petar almost had me creaming my panties. He was absolutely stunning (in a stern, Slavic way), and I could feel my pussy tingle when he walked towards me. The way his tight trousers clung to his crotch like a second skin made me want to drop my knickers on the spot. What a sight!

I could tell he fancied me right from the start. The way his green eyes flicked over me like a cat watching a canary told me he wanted to fuck me there and then. But it was actually a couple of days before he made his first move.

My lessons were held on the small practice rink during the evenings, so there was never anyone about to witness my inept performances. As I fell over time after time, Petar would shake his shaggy gold hair and roar with laughter. Staggering around the rink, I'd have to grab his arm or shoulder to stop myself falling, and gradually Petar was starting to find excuses to touch me, too.

His hands would land on my tits or my bum, or brush across my pussy mound, making my snatch vibrate with anticipation. I was desperate for him to fuck me good and hard – and he knew it!

On my third day, I landed yet again at Petar's feet in the middle of the ice – and as I looked up at him, I could clearly see a huge bulge in the crotch of his tight skating trousers. My eyes were riveted. Jesus, I thought – his prick must be massive to make a bulge *that* size. He must be pretty well excited to get such a hard-on; and I had to admit I was getting wet between the legs at the sight.

I moved to get up, but Petar pushed me back down to a kneeling position on the ice. With his other hand, he undid the painfully tight fly of his trousers and flipped out his cock. It stood there to attention in front of my startled face – and it was *huge*. It must have been a full eight inches: a wonderful pink, circumcised, straining knob, the tip glistening with pre-cum juice.

Petar roughly pushed my head towards his penis. "Suck it!" he ordered. I cradled the knob with my hot

lips, smelling the salt of his juices and running my fingers through his bush as I licked. If possible, when I took his organ into my mouth, it seemed to lengthen even more, straining as I sucked. Petar was panting now, as I worked his cock in and out of my mouth, faster and faster until I took it right back into my throat and almost choked! Just then, his spunk exploded warmly in my mouth and I gobbled the hot, thick cream.

When he'd finished coming, I licked my lips and looked up at Petar. My hard nipples were frantically straining through my tight jersey top, and my pussy was in desperate need of attention. All I could think of was having that hard cock thrust inside me.

I fully expected to get it – until, to my total frustration, Petar smiled cruelly and skated off, leaving me kneeling there feeling all sexed up with nowhere to go. I was *livid* – and so hot for cock that I could hardly make it to the dressing room. My legs were like jelly as I tottered back to change.

I slammed the door angrily, and whipped off my sodden tights. Before long, I had my fingers pumping away up my snatch, with one leg on the dressing table. I looked in the mirror as I worked my fingers faster. The juice was dripping from my thighs on to the floor and I gritted my teeth as I felt my orgasm brewing.

Just as I was about to come, I noticed the door was open, and there stood Petar, his massive dong in his hand, jerking himself off as he watched me wank. I was so embarrassed, I flushed bright red as our gazes met in the mirror. Unable to stop, I pumped away frantically, and groaned as I came in floods over my hand and thighs. At the same time, Petar's cock fired thick wads of jizz which spattered all over the dressing-room mirrors. Then, just as

"You cannot understand what they are saying, but you can sure see what they are doing."

Not only can you buy these sex video titles at rock bottom prices, but you also get genuine uncensored hard-core titles.

The reason is simple, imported foreign language titles do not, as yet, require certification. Prompting one of our managers to say "You cannot understand what they are saying, but you can sure see what they are doing."

We have stacks of these video titles in stock and as they will have to be certificated fairly soon we are looking to clear our stocks now.

LOW PRICES

Because of the low prices and the high cost of packaging and despatch, we ask only that you buy a minimum of 4 titles as the groups listed.

FV/17 — ALL 4 VIDEO TITLES REDUCED TO £11.95

THE SECRETARY. The bi-sexual temp has the office hot and horny as she gets it over the typewriter, is molested in the lift and fornicates with the girls in the broom cupboard.

THE VISIT. A young family friend visits and he's randy. She does not object and soon he has her boobs out, then she's naked and they are at it all over the house.

LADIES AFTERNOON. Three ladies meet for afternoon coffee and lesbian fun. See the excitement as they get to grips with each others bodies.

THE INTERVIEW. A job with this man means more than typing. Each applicant is stripped and splayed in turn. He then sends them to his secretary in the next office for horny two girl action.

FV/18 — ALL 4 VIDEO TITLES PRICE SLASHED TO £11.95

PHOTOGRAPH. John takes lots of hard-core pictures of his wife playing with herself and sends them to a girlie magazine. Instead, of publishing them the Editor rushes round and gives her one.

LADY IN BLACK. Dressed in black leather, she watches her friend and husband at it while she plays with a big black dildo.

THREE GIRLS. Three girls egg each other on to chat up the window cleaner. One does, but she can't take all he can give her so she calls for her friends to help.

FRIENDS. Two friends both have the same girl. Then they both have her sister. One of the friends has the girls' mother in the kitchen. Then the mother's younger sister walks in . . .

FV/19 — ALL 4 VIDEO TITLES DOWN IN PRICE TO £11.95

THE PARTY. John and Alice hold a wife swapping party. However, another wife fancies Alice who is quite happy to oblige. Fortunately there is a spare girl for John.

HANDS. Jenny enjoys a sauna and body massage, but today only the handyman, with his rough, coarse hands, is available. Soon Jenny is groaning with pleasure as these rough hands find the sensitive parts.

HOUSE IN THE COUNTRY. A lecherous couple set up a training school for nurses. Biology soon turns into a bi-sexual orgy, as everyone fights to join in.

THE MIRROR. With two-way mirrors, the madame watches her girls getting it from any manner of male and female customers. At the end of the day she chooses one of the girls for her own kinky lust.

suddenly as he'd appeared, he shoved his dick back into his trousers and strolled off.

What a cunt tease! I was fuming, and so I determined to get my own back as soon as I could.

As it was, I had to wait about a week before my ideal opportunity arose. Petar had been coming on strongly to me all week, but I'd given him the cold shoulder, pretending I wanted to concentrate on my skating progress. And it was working, too. At the end of that week, I'd progressed enough to be spinning around the rink quite quickly. Feeling confident, I put on a skimpy skating costume – a peach lycra top and matching short skirt – and swept on to the ice to confront Petar.

He greeted me with the sly grin and obvious hard-on I'd got used to over the past couple of weeks. I smiled archly and set off on the ice. As we built up speed, my skirt was flying around my hips, and it was then that Petar cottoned on to my little ruse. I wasn't wearing any panties.

The sight of my pussy with its trim auburn thatch, and my legs opening and shutting as I skated, seemed to drive him mad. He quickly caught up with me on the ice and pulled me round, frantically kneading my tits with his eager hands.

"You've been teasing me all week," he muttered. "Now it's my turn to join in your game."

With that, he ripped off my top and tried to push me to the ice, but I wasn't having any of that. I could hardly conceal my eagerness for him to fuck me, but I was determined I'd show Petar just who was boss!

With a deft movement, I rolled him over on to his back; he was caught by surprise as his back hit the freezing surface. For one terrible moment, I thought he might lose his hard-on.

But to my great relief, it was still there, springing out to greet me when I whipped down his trousers. I still couldn't get over the size of it, and I was itching to feel it filling my hole.

My juices had really started to pump, and with Petar's hands madly mauling my boobs, I grasped his

member with both hands and guided it into my steaming quim. As I straddled his body, I was able to bury his great length the whole way into my hole, with even a little to spare. I pumped wildly up and down as Petar thrust his hips at me, grabbing my arse and tweaking my nipples as I rode him.

From my position on top, I could feel his spunk welling up in his cock, and suddenly it erupted upwards, filling my snatch to overflowing. The air around us was thick with love juice as I screamed a climax that echoed round the whole ice rink.

My legs felt like jelly after such an orgasm, but before Petar could recover, I stood over him, dripping our combined juices on to his stomach. He stared at me in astonishment as I coolly straightened my skirt and skated off.

Since then I've been giving Petar the odd lesson at the ice rink – and he certainly knows who's boss now, cocky bastard. I lead him a merry dance on the ice – and my skating's got pretty good, too! – *Siân, London*

"balls to crown" strokes while my hand frigged her clitty. My randy redhead was literally screaming in delight and she never noticed Jane enter the room, although I did.

I never missed a stroke, even when Jane dropped her knickers and climbed on the bed behind me, rubbing her big tits over my back and stroking my arse. Expertly she squeezed my balls until my feelings of orgasm died away and, as Kelly climaxed loudly and fell panting on to the bed, I was left with my full erection. Kelly was unsurprised by Jane's arrival and as we began to kiss, Kelly sucked my cock appreciatively while I squeezed Jane's huge breasts. She was really well built "up top", and I eagerly fondled her boobs and pinched at her nipples while Kelly continued to suck hard at my cock.

The girls were obviously no strangers to threesomes, and Jane lay back on the bed, allowing me to kneel over her while she alternated between sucking my cock and rubbing me between her cavernous cleavage. In the meantime, Kelly was between her flatmate's splayed thighs, giving her pussy a thorough licking. Within minutes Jane was begging for cock, and we all changed again so she could mount my tool and ride me, while Kelly kneeled over me and I licked her pussy. I lay back tonguing her slit and was amazed at my control while my two little tarts kissed and fondled each other's breasts. Jane rode me hard and Kelly stroked her clitty. Soon Jane came, noisily. The girls told me it was time for me to climax, and it was agreed that Kelly should have my seed as it was her hen night.

Once more they had the position sussed. Kelly kneeled on the bed doggy-style and I stood behind her and began to fuck her hard and fast. Jane kneeled behind me at first, stroking my buttocks and balls, expertly regulating the build-up of my climax to Kelly's instructions. For ages her manipulating fingers kept me on the brink until she screamed: "I'm coming!" Immediately I went off like a firecracker and pumped my hot seed into the screaming Kelly. "What a lovely wedding present," she said later.

It was an incredible evening, and although I haven't screwed Kelly again since she was married, I now enjoy Jane's beautiful body on a weekly basis. Not bad for a 36-year-old divorcee!! Up yours!! – *Dave, Tyseley*

Cute Cockteaser

What a cockteaser! I mean the lovely, suckable, fuckable Clara who displays her luscious charms in Vol 16 No 13, of course. I don't think any of Club's girls have ever given me such a hard-on. I haven't stopped wanking over that squishy little pussy and perfect body. Even after I've squirted my load, Clara's sexy expression soon gets my prick twitching again. Her eyes are a real come-on, and her pouting lips are just begging for a cock.

It's a refreshing change, seeing a delightful trim body which shows off those wonderful pink nipples instead of all those big-boobed bronzed beauties. I love the way Clara holds her tits out to be sucked, and sticks up that behind. She really oozes sex from every gland.

I nearly flipped at the sight of those boots and the thought of her wanking me off between those thighs. How about asking her to tell us what it's like? You have got to give us another set of Clara soon. My cock needs it!

I'm already fantasizing over her

DENiSE

PHOTOGRAPHS BY ED ALEXANDER

Glamour models, by their very nature, are not the most withdrawn of people. They are, after all, here to turn us on – and if that's to be done properly, there isn't really any room for shyness.

Denise, however, is something of an extreme: this 21-year-old from Swansea is more forward than Ian Rush. "I've always been into teasing men, even before I ever thought of becoming a model," she says. "And you don't want to believe all the talk about how men like women to talk dirty to them, 'cos

it's not true.

"I mean, you should see the look on their faces when you say to them: 'I hear you have a big cock – well, I could take you with room to spare'.

"Are *all* men so easily embarrassed?"

Well, chaps . . . are we?♣

coming in club

I f there's one word we would use to sum up Club International, that word would be Clarke. Lots of it. We don't think there's a Clarkier men's magazine to be had – and you surely can't deny that all the delicious girls we line up for you every month are definitely different Clarke. Including Andrea here.

So don't be left out in the cold: join the Clarke of '88 who'll be queueing outside their newsagents' shops on April 28 – and make sure of your touch of Clarke!

pictures. I can just see her wearing black gloves, too, playing with her pussy and squeezing those pretty little tits. I imagine myself kneeling in front of her, and her opening up her legs and taking my cock in her hands, wanking me till I shoot my come over her tits while she squeezes the last drops out with her hands. I bet she's good at talking dirty. Let's hear from her.

Please let's have more of Clara; she's a real poser. Club gets better and better! – *P May, Oldham*

V for Vicky

I'm off to a party where, if my luck holds, I'll end up fucking a woman like the incredible Vicky featured in Club Vol 16 No 13. And if my luck doesn't hold, I'll either be wanking over Vicky's pictures or getting quietly pissed in some dark corner.

Vicky is without doubt the most fuckable woman ever shown in your mag or any other. She has the perfect body for it. I've fucked a good few women in the 15 years or so since I started, and I've always found the slim but full-lipped cunt variety like Vicky the best in all positions.

As you like to hear about good fucks, I'll tell you a little about a French girl, not unlike Vicky, that I picked up on my last visit to London. It was at a party given by my friends and I ended up with Sylvie at her flat. She was wearing a smooth black dress, and when I put my hand up it, I found she was wearing nothing else. Her cunt was full-lipped like Vicky's, and once we had slipped out of our clothes I was riding that magnificent body first on top, then doggy-fashion, then standing up, until we got into the most incredibly tangled position I've ever experienced. She came again and again until my nine-incher pumped her full and overflowing with spunk.

We fucked all night and most of the next day. I've seen her once since then for a fantastic weekend. Still, she has other blokes and I have other women, so we keep our options open. I hope Vicky keeps hers open, too – my cock is bursting to enter those fantastic lips and give her the screwing of her life.

Well done, Club. Let's see more and more of Vicky. – *Steve, Stirling*
